This part of the banquet is always entertaining! Let the award games begin! (If you are new to the club, these awards are given out each year for club members for all sorts of reasons.)

(continued on next page)

### Nominations and Voting

Club officer nomination and voting will take place at the Winter Banquet. If you cannot attend (but you really should), please use the nomination and voting forms attached to this newsletter and send to the attention of the newsletter editor, Rick Pribbenow. They must be received by March 20<sup>th</sup> to be counted. Please write “**Ballot**” on the outside of the envelope as it will not be opened and counted until the Winter Banquet. **Remember, only club members who have paid their dues current will be eligible to vote in the election.**

### Photos

Club members, please bring a photo of yourself or you and your family along side, in front of or near your truck to the Winter Banquet. Rick Pribbenow will be gathering these along with names and addresses to put in the club roster. That way, club members can match up the people with their trucks.

## From The Vice President

Dear Truckenheimers,

Spring is in the air and so is the promise of spring-time trucking. This is the time of year that we all get the bug to be working on something other than expanding our midsections. Well, here is some good news for those of you who don't have a current project, or, like me, a decent space to work in. We still need a ton of help on the give-away frame. We are hoping to get a big push on this after the Winter Banquet so if you can spare some time pack your work duds and give us a few hours. In the past we have also spent some time working on Jeff's truck when we have some idle hands. No matter what we will find something to keep you busy.

Speaking of busy, let's go back to the Winter Banquet. I'm sure everyone saw at least one thing over the past year worthy of revisiting in the company of friends. This is the time of year to bond over the good times had during the past season. As a past receiver of recognition, I can clearly state that the healing powers of humor can raise you above the perceived embarrassment of any situation. Okay, that's mostly B.S., but I need certain people to show up at this thing! Anyone that has one of the traveling trophies needs to make sure to show up or get the trophy to one of the officers so we can pass them out to the new recipients.

Moving in a new direction, I have a special request from Buck Guthrie, owner of the Toy Train Barn. Buck is a long time member and was kind enough to donate his time and equipment to sandblast the give-away frame for us. Buck is asking the members of Badgerland to help him with his latest layout. He would like as many members as possible to make a 1:36 scale model of their truck for him to make a representation of us out on a cruise. There are plenty of 1:36 scale trucks out there for you to use. Most of you would just need to throw a paint job on one. If you need some help I'm sure that we could rally some of the artistically capable members to help you out. I know it would mean a lot to Buck, so let's try to get as many as possible.

Finally I want to let you all know about an exciting fundraiser we are starting. Todd Showers, a returning member, has generously donated two cars from his personal collection for us to use to raise some money for the frame project. The cars are Team Caliber Pit Stop editions. Both are 1:24 scale from the 2004 season. The first is the #17 Bayer car from the Busch Series; the second is the #17 Carhartt car from the Nextel Series. Both cars are autographed by Matt Kenseth. Starting at the Winter Banquet I will have two, grid style sign up boards, one for each car. I will be selling chances at a rate of five dollars each for each car until each board is full. There will be twenty squares on each board. After we fill a

board there will be a drawing to find a winner. As I stated earlier, Todd pulled these from his own personal collection as a way to raise money to help us finish the frame. I hope his excitement about this project will catch fire throughout the club and get the members to help whatever way they can. We have already had numerous donations small and large, plus a generous sacrifice of time from a variety of members, especially Mike Connor. Like any nonprofit function there is always a need for more help. On the bright side I won't ask for help with the show until next month.

Time to shut my pie hole,

Dave Farmer, Vice President

## February Meeting Minutes

The meeting was held at Babe's during our annual Christmas Party. There were 24 adults in attendance and 0 club trucks.

The meeting was called to order at 7:55pm.

### **Reports from Officers**

**Secretary** – Rick read the short version of the January minutes.

**Treasurer/Membership** – Chris read the balance of the checkbook. We also have 2 new families/members:

Chuck, Megan and Vanessa Blanchard from Cottage Grove, WI. They have a 1956 F250 pickup truck. Chuck and Megan are in the process of collecting parts and rebuilding their ride (it's currently all over the garage). They hope to have the truck ready for Dash to the Dells 20! Welcome Blanchard's!

John & Kay Freepartner of Watertown, WI. John & Kay have a very unique ride, a 1951 F1 panel truck which was originally a police paddy wagon. It still has its original bullet-proof windshield! It is not running at the moment but they have plans to start restoration this spring. Welcome John & Kay!

**Reminder: Pay your club dues to Chris Connor ASAP.**

**Vice President** – Dave said he's proud of the new electronic name tag the Lisa Linskens made for him. Otherwise nothing new to report.

**President** – Mike asked for any old business to be discussed.

### **OLD BUSINESS**

#### **Dash to the Dells 20**

Mike stated that we have a contract with the Great Wolf Lodge for rooms, lot, tent and chairs. We are still negotiating other terms and needs. The rooms will be \$104.00 per night and we are checking into the food alternatives.

Mike asked if there was any other old business to discuss – hearing none, he moved on to new business.

Mike then asked if there was any new business.

Todd Showers donated 2 autographed Matt Kenseth 1/24 scale race cars to be auctioned off to generate money towards the giveaway frame project.

Mike stated Mark & Janet Petrowski have donated \$200.00 cash towards the frame project.

Wally reminds everyone to make trophies for Dash 20.

Dave Farmer (King Vice President) told the story of the camshaft Ruthanne Koeshall received at last year's Christmas party and how it became part of the "King of the Month". Dave Farmer said last month's recipient, Paul Hilgers, was crowned "King of the Month" again since he was a "no show" at this meeting. He now needs to add 2 items to the scepter. See you at the Winter Banquet Paul!

Julie Farmer made a motion to adjourn at 8:15pm and was seconded by Rick Linskens. All were in favor.

# Christmas Party

The club Christmas Party was a real hoot! JPJ's (Julie Zeien) 50<sup>th</sup> birthday was the day before, so we celebrated by showering her with gifts and cards. It was GOLDEN! Then on to more fun - the white elephant gift opening, stealing and plotting was on! We had gifts of tools, booze, a Ford chair and more – even a “Hillbilly Parking Brake”. It was a couple hours of non-stop laughter. If you were there, you had a great time. If you weren't able to attend, you missed a really fun evening with friends.

# In the Garage

Fellow members:

Have an automatic transmission identity problem? Here's some help. I found this chart on the internet which shows the different Ford transmission pan styles. So now when you are looking for a certain type of automatic transmission from a donor vehicle, it should help make identifying it much easier.

As always, your club members are a great source for information, locating parts or a helping hand. Call one sometime or arrange for a work party. You'll be glad you did!

See you down the road!
