The January Meeting Minutes

The January meeting took place at Reverend Jim's in Madison, WI. We had 23 adults, 6 children and due to the time of year, 0 custom trucks. Mike & Chris Connor hosted the meeting which started with a fun outing to Matt Kenseth's Racing Museum in Cambridge, WI. From there we went to Reverend Jim's place for really good bar food and our meeting. We really enjoyed the day. Thanks Mike & Chris for hosting.

The meeting was called to order at 1:52PM.

Reports from Officers

Secretary – Rick read the minutes from the November meeting.

Treasurer/Membership – Chris reported the club's checkbook balance. There are no new members at this time. Chris passed around a photo of member Jim Krebsbach and his F-100. Membership dues are due.

Vice President – Dave said Mark, Linda Pofahl Holly's dad, was diagnosed with cancer. Please keep Mark in your thoughts and prayers. February 19th is the Milwaukee World of Wheels Car Show and those of us who want to go will be meeting at Todd Showers house starting at 10:30am. We will have some lunch, etc. and then carpool to the show. A full description of what's happening will be in the newsletter. Discount tickets are available from O'Reilly's Auto Parts or call Dave Farmer.

President – Mike asked for any old business to be discussed.

OLD BUSINESS

Mike asked if anyone needed thank you letters/artwork for Dash 21 – no one.

Mike asked for any other old business – hearing none we moved to new business.

NEW BUSINESS

Mike asked Chris to update us on Dash 22. Chris said the contract with The Great Wolf Lodge is fairly the same as last year. Some of the conditions changed like: they pay all rentals and we will need to pay for any room nights not filled per the contract (last year we had 158 room nights total). We need to fill 125 room nights (80% of last year) not to be charged extra. Room rate is the same as last year at \$104.00/night plus taxes. Food vending remains the same. Mike mentioned the cruise to Slack's Jelly Farm and told us about the death of one of the owners, Mark Slack. Mike also mentioned the club sent a memorial to Wally's family for the recent passing of his mother, Helen Zeien. Mike asked Rick to tell us about Ruthanne Koeshall who has recently decided to sell her home and custom truck and move to Henderson, NV and start traveling more with a long-time friend. It was mentioned that membership dues are due now – see Chris or send her your check to re-new. Mike reminded us that February 26th is the club Christmas Party and the Winter Banquet is March 19th. Get ready for both it should be fun.

The January Meeting Minutes...continued

NEW BUSINESS

We took a slight intermission and Rick Linskens raffled off a large box of brats – 5 different flavors. All proceeds to be given as a donation to the club.

We came back and Mike asked if anyone wanted to open nominations. Dean accepted and nominated Dave Farmer for Vice President – seconded by Rick Linskens. Then Dave Farmer nominated Todd Showers for Vice President – seconded by Dean Malin. Julie Farmer nominated Mike Connor for President – seconded by Todd Showers. Dave Farmer nominated Rick Pribbenow for Secretary but Rick declined at this time. He then nominated Wally Zeien for Secretary – seconded by Floyd Johnson. Then Dean Malin nominated Chris Connor for Treasurer – seconded by Julie Farmer. Mike asked for any other nominations. Hearing none Shari Showers moved to close nominations – seconded by Mark Berg & Ken Williams. All were in favor.

Mike gave a thank you to Greg Masters, Ruthanne Koeshall and Linda Holly for the newsletter articles giving all of us some interesting stuff to read. Keep sending Rick stuff to use. Mike also wanted to thank all of our advertisers and encourages the club to buy from them. Next meeting we will open up nominations again. The Winter Banquet is fast approaching, so start making lots of those fun awards. And, think about being a chairperson for the show. Julie Farmer volunteered for the Registration Chair. We need a Door Prize Chair soon so we can start sending out the beg letters. Think about it.

Dean will see about hosting April's meeting – he already has something up his sleeve. And, Mike says the May meeting will be at the Boondocker's Car Show.

Floyd Johnson won the box of brats – Rick & Lisa raised a total of \$55.00 for the club as a donation. Thanks!

Rick mentioned that Wally & Julie now have a new grandson, Otto Brandon Stuckman. His parents are Brandon & Emily Stuckman of Portland, Oregon. Congratulations. Details in the newsletter.

Mike asked for any other new business – hearing none, we moved to adjourn.

Motion to adjourn by Chris Connor - seconded by both Rick & Lisa Linskens. All were in favor.

Meeting adjourned at 2:50PM.

World of Wheels Car Show – February 19th

(Hosted by Dave Farmer & Todd Showers)

Okay fellow Hot Rodders, here is a chance to get together for some fun! Todd Showers and Dave Farmer (Vice President) will be hosting an excursion to the O'Reilly's World of Wheels at the Wisconsin Expo Center at State Fair Park on February 19th. Some of the featured events are autographs from Henry Winkler/Fonzie from 1-4 (for a fee), Spongebob Squarepants from 12-9, Billy the Exterminator from 1-4, and best of all a car crush by Bigfoot at 1:00 and 5:00. I'm sure they will be finding a donor C-word from the parking lot. Admission is \$14.00 at the door, but you can purchase advance discount tickets for \$12.00 at O'Reilly's Auto Parts stores. If there is anyone who wants to go, but is not close to an O'Reilly's Auto Parts store, contact Dave and he will buy them for you.

We will gather at Todd's house in the garage at 10:30 and have an early lunch provided by Todd and Dave. Please feel free to bring your beverage of choice and a chair. After some food and laughs we will load up and head down in time to see the mighty Bigfoot crush its puny victim! There is always a broad selection of vehicles, from show class to rats, and somewhere in between. There will also be a large group of pin strippers on hand working on items for the charity auction on Sunday. The plan after the show is still pretty loose. Some people will have to come back for their vehicles as we will try to carpool as much as we can. I'm certain there will have to be some kind of a post show debriefing to evaluate our findings. It should be a fun gathering filled with bench-racing and maybe some motivation to get us through to spring!

Directions:

Todd & Shari live at W315N885 Highway 83, Delafield, WI 53018. Their driveway is on the right-hand side of the road approximately a 1/2 mile south of I-94 on Hwy 83. It comes up fast (hidden driveway) just after you top the hill. Watch for fire number # W315N885. If you go all the way over the hill, turn around and head back because you missed it.

If you get lost call Dave at (608) 333-7869 or Todd/Shari at # (262) 646-7454.

The Christmas Party will be February 26th

The Christmas Party will be held at Mason's Pub & Grill in Prairie du Sac, WI on Saturday, February 26th.

Their address is:
1920 Prairie Street
Prairie du Sac, WI 53583
Phone: (608) 370-6224

Drinks are at 5 PM, Dinner is at 6 PM with gift exchange to follow.
The restaurant will stay open as long as necessary to accommodate us.

The dinner will be served family style (**all you can eat**) and the price will be \$14.95 per person and will include the entrees of Roast Beef & Turkey, salad, potato, veggie, and rolls along with milk, coffee, soda and water.

We will be upstairs in a private room with our own bar.

If you are planning on attending this year's party, please let us know by February 19, 2011.
Please call Mike or Chris Connor at (608) 274-6257 or email them at mikeconnor@charter.net

The club will once again be paying the tax and tip for the party. Please be prepared to come with either the exact cash for your dinner or bring a check made out to the club for your meal cost.

Gift Exchange

If you are a first timer at the club Christmas party, you may need to know the details of the gift exchange. Each person attending should bring a wrapped gift. Keep in mind that when we do the gift "game", your gift could go to a man or a woman. The gift can be just about anything. It can be a gag gift, something truck related, something new, something old, something you made, or whatever you want it to be. If you are buying something, we usually suggest not spending more than \$20.

Everyone is given a number and as we proceed through the numbers, each new person can either steal an existing open gift, or open a new wrapped gift... and you can't have the same gift more than once in a round.

From The Vice President

Dear fellow enthusiasts, I know it's been a while since you've heard from me and I'm sure you've enjoyed that. Well too bad! Um, I guess that's all I've got. OK, see you next month. Wait a minute, I can't do that. Someone once said, "that enough monkeys with enough type writers (keyboards for you kids), could write Shakespeare". Well

personally I find Shakespeare a bit long winded and pessimistic, but I love monkeys. How can you watch a monkey ride a dog like a horse and not laugh? I'm sure you can all remember how we all acted and sounded like monkeys at the show every time Bob Schulty fired up his blown '55. As we are hopefully starting to be done with winter, it's time once again to get serious about being in the garage. I know of several guys that are working on some new things for this year, me included. Buck Guthrie has located an engine and transmission for the frame he won at the show

last year and has been considering body options. New member Mark Berg has picked up a '66 and has been busy hunting parts. Floyd Johnson has started to redo his '62, and I have been plugging along on my '61. Even the Prez has been able to at least get some decent heat into his shop to try to get out on the panel some more. Speaking of panels, our bronze medalist Dean Malin has made some considerable progress on his as well. However, nobody has been hitting it harder than Todd Showers. To date, I think he has officially taken more metal out of his truck than I have left in mine. His accomplishments are all the more amazing considering he and his wife Shari are raising two children. How is it he's ahead of the curve on trucks, but behind it on kids? All of us that are done raising families should be able to be ahead of his progress. Todd is a true inspiration and a testament to drive, focus, and hard work. I seem to have gotten quite a bit written for not having an idea. I may not be Shakespeare, but I can surely pass for a monkey.

Dave Farmer, Vice President

SEMA/SAN (from Mark Kmetz)

SEMA Sets July 8th as "Collector Car Appreciation Day"

Annual Event Acknowledges Importance of Collection and Restoration of Classic Cars

The Specialty Equipment Market Association (SEMA) and its Automotive Restoration Market Organization (ARMO) and Hot Rod Industry Alliance (HRIA) Councils announced July 8, 2011 as "Collector Car Appreciation Day." The date marks the second commemoration in what will become an annual event to raise awareness of the vital role automotive restoration and collection plays in American society. SEMA and its councils are now working to secure a Congressional resolution to recognize the day's significance.

"Last year, the United States Senate helped launch the first national Collector Car Appreciation Day by passing Senate Resolution 513 at our request," said SEMA Vice President of Government Affairs Steve McDonald. "As a result, thousands of Americans gathered at car cruises, parades and other events to celebrate our nation's automotive heritage. As we move forward, SEMA's commitment to preserving and promoting the automotive restoration industry through its projects and programs is evident in this special day."

S. Res. 513 was sponsored by Congressional Automotive Performance and Motorsports Caucus members Senator Jon Tester (D-MT) and Senator Richard Burr (R-NC). Senators Tester and Burr have been strong advocates for the automotive hobby in Washington, and the resolution reaffirmed their understanding of the cultural importance of collector cars. The Caucus is an informal, non-partisan group that pays tribute to America's ever growing love affair with the car and motorsports. The Caucus recognizes the integral role collector cars have played in fostering our nation's appreciation for the automobile's unique historical place in our history.

The SAN will maintain a list of scheduled events to commemorate America's time-tested love affair with the automobile. Individuals, car clubs and business owners interested in publicizing events should contact Mike Dingell, Director, SEMA Action Network (SAN) at 202/783-6007, ext. 38 or miked@sema.org. If you are unable to celebrate on July 8th, the SAN encourages events to be scheduled throughout the month of July.

Please forward this Alert to your fellow car enthusiasts. Urge them to join the [SAN](#) and help defend the hobby!
