## From The President

The Prez sez Happy Spring Truckers,

I say this as we are supposed to get up to 7 inches of snow by tomorrow morning; this is April for crying out loud. Here we continue towards Dash to the Dells 20/6<sup>th</sup> Unofficial Panel Nationals. We have had many club members at the many workdays on the giveaway frame. We continue to get some generous donations. Everyone that comes to the work meetings will find something to do there. If not on the frame then pitching in on Jeff's truck. I also want to thank Jeff and Crystal Mundt for the continued use of their shop. I would like to welcome and thank the people that are not members that show up and help on the project just because they can.

Saturday's plans had to be delayed for about an hour as Chris has a newer car and I was able to sell the '96 T-Bird in the morning. We are now T-Bird less for the first time since 1985. Doug's garage (Wally's neighbor), was the destination of our Saturday road trip yesterday. Rick Pribbenow and I drove down to Pell Lake and the conversation was thought provoking and varied. We talked about a lot of things with Doug and his friend John. We spent a good part of the day checking out Doug's Model A frame and suspension, as well as picking up ideas and potential rear sway bar material. Doug has a very nice workspace. Then we saw JPJ (Julie Zeien) for a few minutes. We went into Genoa City and had lunch at the famous Keller's. We took a county road over and stopped to chat with Dean in Walworth. He has been working on his basement and the work looks real nice. He also has a 4 lane HO Racetrack that he put together (wow). Then Rick and I returned home via Janesville.

Please look at the list of parts needed for the frame and if you can donate some of them, please call me first and tell me so we can keep track of all the parts and donors. I would like to see you at one of the next work sessions on the frame. They are almost every weekend for the next month. Call Rick or me to find out if we will be there that day.

There are some hotrod events this year, want to go as a group? So maybe we could make a run to Indy, Bowling Green, or Kansas City if you are up to it. I am going to the F-100 SuperNationals. I talked to Bruce Horky and he said Charlie that took it over puts on good shows; We'll give it a try. The Twin Cities club is back at Clear Lake. The Non Profit Truckers with Stan Long are in Pigeon Forge in late June if you want to see some beautiful country and some great trucks. The Show Me Run in Branson is a good time with friends in July. BJ, Cal and the club always make you feel welcome.

# From The President...continued

I have been getting help working on the trucks in the garage on Thursday nights at home. There actually is some progress. We welded the motor mounts in last week, and I'm actually working on a tranny cross member for it.

Chuck and Megan are celebrating their first anniversary this month on the 18<sup>th</sup>. We also need to keep Dave Kerznar in our prayers as he is going through some severe health problems. Dave, keep up the faith and hope to see you at a club event this year. Jimmer had an exciting birthday; he drove his concrete truck all day. Oh! That is what he does almost every day. Anyway Jimmer, I'm not letting up on you, we want to see Punkin back out this summer. I hope everyone enjoyed getting their awards at the winter banquet. It definitely is a time when we can laugh at ourselves. The traveling trophies were also awarded to some very deserving members. I have the name plaques ordered and will be getting them to the winners soon.

Rick happened to stop over again today (Sunday) as he was in town. We were out in the garage looking at the A/C compressor mount for my pickup and tossing around ideas. That is when he reminded me I also need to do some work on the steering on that truck, so I better wrap this up and get my butt out into the garage. I'll probably be in the garage every night for a while now. You know, "Do something on your truck every day, even if it is only to plan what you are going to do next." Also, start doing your maintenance as the road is calling *softly* now but it will get much **louder** soon.

See you in the shop.

Mike

## March Meeting Minutes

The meeting was held during the Winter Banquet at the Prairie du Sac Town Hall in Prairie du Sac, WI. There were 31 adults and 4 children in attendance and 0 club trucks. The chicken and pork was prepared by Rick & Lisa Linskens and Nada. The rest was up to the club members. Absolutely wonderful!

The meeting was called to order at 1:21pm.

### Reports from Officers

**Secretary** – Rick read the minutes from February.

**Treasurer/Membership** – Chris read the balance of the checkbook. She passed around a roster update for members to make any changes necessary. She also passed around the past year's finances. At this time there were no new club members.

**Reminder: Pay your club dues to Chris Connor ASAP.**

**Vice President** – Dave spoke of the Matt Kenseth collectible cars up for raffle to raise money for the giveaway frame. The cars were donated by Todd Showers and cost was \$5.00 per square (call or see Dave for any open squares left). Dave noted that Paul Hilgers actually showed up with the scepter. It now can be passed on.

**President** – Mike asked for any old business to be discussed.

# March Meeting Minutes...continued

## OLD BUSINESS

### **Dash to the Dells 20**

Mike said the rooms and the tent were under contract with the Great Wolf. We still don't have a food contract as yet-still negotiating. He opened up discussion concerning the cost for the food and had many questions. At this point, our options are open but choices are limited. Mike stated the new Dash 20 flyers are ready and asked Rick if the beg letters will be going out soon. Rick said they are ready to go as soon as the flyers are picked up, folded and mailed. Concerning beg letters, Paul Hilgers said that he may be getting a donation from Howard's Cams (took over Crame Cams). Mike told members there were beg letters and Dash 20 flyers at the table and to come and get some when the meeting was over. He asked that we work hard to get door prizes. Mike also told members to see Wally for making trophies-Wally has a list to choose from or you can make up a new one. Scott asked about the van to downtown because last year due to rain there was no interest. Mike asked Scott if he could volunteer once again hoping our weather is better this year. Scott said yes.

It was now time to hold our elections. Rick passed out voting ballots and we commenced voting for club officers and traveling trophy recipients.

The club decided our next meeting will be Saturday, April 18th, at the shop of Jeff Mundt. Mark Favor volunteered to host by bringing the food and the McDermott's will provide the dessert.

Mike said the May meeting will be at Boondocker's Car Show on Saturday, May 9<sup>th</sup>.

The July meeting will be in IL – no date set yet.

Rick Linskens wants to host a summer meeting – no month or day set yet.

Then Rick Pribbenow made a proposal to the club. He bought 4 brand new in the box Cragar 15x7 chrome "Sixer" wheels with 5x4.5 bolt pattern off Craig's List for \$135.00. He asked the club if they were interested in them for the giveaway frame and that the club could buy them for exactly what he paid for them (\$135.00-less than half price). The wheels normally sell for \$75.00 each. Rick said if the club bought them, he would provide newer Dunlop tires for them, do the mounting and balancing and provide chrome centers. Nick Peiffer made a motion for the club to buy the wheels and Scott Jackson seconded. All were in favor-passed.

Mike expressed to the club that the giveaway frame needs to be finished by May 2nd in order to be at Heidt's open house for viewing. He asked that anyone who can contribute time or donations of materials needs to step up so we can complete this on time. Mike said the frame is about \$1,500.00 from completion. He asked us to see the list of needs.

Megan Blanchard then announced that the officers remain the same for 2009 and the Traveling Trophy winners are as follows:

**Member of the Year** - Jeff Mundt  
**Stock Truck of the Year** - Roger McDermott  
**Most Improved Truck** – Jeff Mundt

**Truck of the Year** - Ruthanne Koeshall  
**Custom Truck of the Year** – Greg Masters  
**The Family Award** – The Blanchard's

# March Meeting Minutes...continued

Mike then asked if there was any other business. Hearing none we moved on.

## **NEW BUSINESS**

Dave Farmer then proceeded to choose the next “King of the Month”. The next chosen one to be knighted was Greg Masters.

Wally Zeien thanked all who helped celebrate JPJ's 50<sup>th</sup> Birthday. He said she really had fun.

Motion to adjourn at 2:29pm was made by Wally Zeien and seconded by Rita Johnson. All were in favor.

**03/21** After the Winter Banquet, Wally Zeien, Greg Schneider, Nick Peiffer, Greg Masters, Jeff Mundt, Todd Showers, Dave Farmer, Mike Connor, Paul Hilgers, Scott Jackson and Rick Pribbenow all worked on some part of the frame from painting the calipers and rotors to welding the 4-bar brackets and boxing plates. Nick and Mike chipped in on Jeff's truck and installed electronic ignition components.

**03/27** Chuck Blanchard, Mike Connor and Rick Pribbenow worked on the frame welding in blocks, drilled and tapped holes for the rear cab mount supports and performed any miscellaneous welding needed. After careful measurement, we found that the polished stainless 4-bars were too long. Mike will be talking with Heidt's.

# Frame Log 2008/2009...continued

**04/04** Mike Connor and Rick Pribbenow road tripped to Pell Lake to talk with Wally's neighbor/friend Doug, about how he fabricated his own stainless front sway bar on his Model A and discussed any ideas we had for the front/rear sway bar set-up on the frame the club is building. Doug donated some stainless round bar, tubing and bushings to build our rear sway bar out of. Doug is quite the fabricator and has endless ideas.
