The Next Meeting will be...

held on May 13 at the annual Boondockers Car Show. The meeting will be in the Concord House building at 1:00p.m. The car show is from 9am-3pm. If you bring your truck there is an entry fee, otherwise there is no charge for spectators.

Directions: From the Madison area—take I-94 towards Milwaukee; take the CR-F exit- EXIT 275 towards Sullivan/Ixonia; turn RIGHT onto CR-B/CR-F, turn LEFT onto Concord Center Dr

From the Milwaukee Area—take I-94 towards Madison; take the CR-F exit- EXIT 275 towards Sullivan/Ixonia; turn LEFT onto CR-B/CR-F, turn LEFT onto Concord Center Dr.

April Minutes

The April meeting was held at Ruthanne Koeshall's in Beloit, Wi. Ruthanne had a great turn out at her meeting with 17 adults, 4 kids and 7 trucks. It was a nice day and it was great to see that many trucks at the meeting. Meeting Called to order at 1pm

Reports from our Officers:

Treasurer:

The Treasurer's report was given. For a financial report please contact Chris Connor.

Newsletter Editor:

The newsletter cost for February was \$45.70

Membership:

A reminder was sent out to prior members that did not pay their 2006 dues. Chris reported that 7 members responded and renewed. We have one new member - Andy Mysembourg with a '55 F100 Panel from Hugo, MN.

Old Business:

Web Page:

The Web page has the registration form up and is working. Sean is still working on the web site though. We should see it working SOON!

Dash 16:

Last call, If you have not received your thank you plaques for the door prizes that you collected for the show, please contact Mike Connor and he will get them to you.

Dash 17:

We still are in need of some volunteers for chair positions for the Dash:

Show Parking Chair

Food Chair

Person to run the Valve Cover Races

Adult games

Let Mike Connor know if you'd like to volunteer for one of these positions. We also still have openings for workers at the show.

Hotel update: It was overlooked in the last newsletter to include the other hotel for the Dash. There are some rooms reserved under Badgerland at the Ramada Limited (located off of Interstate 90/94 Exit 92) The telephone number to make reservations is (608)254-2218.

Advertisement co-chairs Trevor Rush and Dean Malin gave a report on places they are sending or posting the show info. If there is someplace you know of that doesn't have info on our show listed, please let one of these people know.

Beg Letters for door prize solicitation are now available. Contact Mike Connor or Jeff Burnett.

Dash Registration/ Membership Discount Survey:

Last month we sent out a survey to the membership about this subject. Mike said that about 25% have been sent back so far. Please return it if you haven't yet.

Registration Forms:

Other than non-members, Dash registration forms will be only available through the website, newsletter, email or at the meetings. We are doing this to keep the mailing cost down. If you are a member and need some extra forms for shows or whatever. Contact Mike Connor

New Business:

We talked about having a Junk Yard run. This sounds like a lot of fun to me! Let's hear from the membership on this one. Junk yard suggestions, When, Etc. Let Jeff Burnett know.

On a sad note, it was also mentioned that we lost a fellow F-100 trucker, Don Swedberg on April 13th. He was from Rudd, Iowa and always made it to the Dash every year. If anyone wishes to send a card to his wife Marge, her address is 1750 150th Street, Rudd, IA 50471. Mike Connor sent a card and relayed our sympathy on behalf of the club.

Motion to close meeting made by.
Bunny Burnett and seconded by Greg Masters. All in favor.
Meeting adjourned at 1:35 pm

The following are the Valve Cover Derby Rules found in the July 2000 issue of the newsletter.

- Maximum Width 15"
- Maximum Length 30"
- Maximum height 10"
- Maximum weight 10 lbs (by official scale only)
- No Electronic Steering devices
- No engines nor propulsion of any kind
- One valve cover per chassis
- No switching wheels of any kind may be used. However, the wheels cannot extend beyond the stock gasket surface.
- No movable weight
- Must Maintain "Stock Gasket Surface"
- 4 classes will be held: Girls, Boys, Ladies, and Men
- Each participant must have his or her own Valve Cover Derby Vehicle
- Vehicles WILL BE WEIGHED before racing

Modified Rules

- Stock rules apply except you may modify the valve cover as long as you maintain the gasket surface.

Upcoming Meetings and Shows

Upcoming Meetings

May Boondockers Car Show in Concord, WI.
June June 17th Greg Masters in Flanigan, IL, if it rains it will be held at Nick Pieffer's in Minonk, IL.

August 26th 15th Annual Taste of Portage Car Show-Portage, WI

September

September 15-16th Dash to the Dells 17 Wisconsin Dells, WI.
September 23 & 24th Fall Jefferson

Ideas of things to do as a club

- ♦ Who would like to organize a Junkyard Run? I know some of you could/want to do something like this (Jeff Burnett).
- ♦ Start thinking of where to hold an Annual Picnic.
- ♦ Who would like to get the Spring Run going? Okay, so it may be too late for it this year....think about it for next year.
- ♦ Who would like to have the first (of many I hope) monthly truck work get together?

Presidents Letter:

From the President's Corner:

I can't believe how fast the "truckin" season came upon us. Seems like just yesterday when the effie went into the garage for the winter. I have some last minute things to finish on my air conditioning install, but then I'm ready to roll. My panel is even seeing some action thanks to Sean and his friend Brandon. They are at my garage every Thursday night helping me make some progress. It's got a long way to go yet before it's on the road, but at least it's finally getting worked on again.

I couldn't believe we had 7 trucks at the April meeting. Great turnout! Many thanks to Ruthanne Koeshall for hosting the meeting. Hope to see even more trucks out in the next couple of months.

The Dash to the Dells 17 planning is going smooth. Pre-registrations are already coming in, as well as a few door prizes from vendors we make requests to. There are still a couple of open chair positions that you'll see mentioned in the meeting minutes. Please contact me if you are willing to take on any of these tasks.

Thanks to everyone who has mailed back their survey about registration fees and membership. There is some really good, honest feedback on them, which we will share at the next meeting.

Well it's Jefferson swap meet next, then our club meeting on May 13th at the Boondockers Car Show, and then off to Knoxville for the Supernationals. Hope you can join us in some fun at the next meeting. Get those trucks out and show them off, or if it's still in progress, come anyway and check out some other beautiful rides. We'll probably get some food available at the show concession stand around noon and then start the meeting at 1:00. See you there!

Mike

Vice-Presidents Letter:

Dear Members,

Once again I find myself slower than the newsletter editor. I did not expect to have to try so hard to keep up, but then again I'm used to keeping up with Dean (I'm just kidding, you really need to lighten up Dean). Speaking of keeping up, part of my job as V.P. (in case you hadn't heard) is to know the location of club property. I just learned the location of the registration sign that has been missing for three years. To quote the person who found the sign "Your President is a dumbass!" For those of you that haven't deduced it yet, I quote your President, Mike Connor. He said it, I'm just spreading it. He did say something about wanting to take his lumps at the next Winter Banquet, so please make an effort to support his administration.

On another subject, at the previous Winter Banquet, I noted some references about the club members in Illinois that I thought I would comment on. Now don't get me wrong, the Bears still suck, but the last time I checked, the only club member from Illinois that I feel could play pro-ball is Ricky Livingston because he has that Nitschke quality about him. The main comment that made me think about this, paraphrased, is "Even someone in Illinois could do this". Now first off, it was not an insult, it was part of another annual "beg session" to get volunteers to head up some of the chairman positions at the show. Over the past twelve years I have served many times as an officer or chairperson, and have not NOTICEABLY suffered any ill effects. During those same twelve years I have seen just as much work come from the Land of Lincoln as from our beloved Dairyland. While I know those boys have as much pride in being from their home state as we do, they also take as much, if not more pride in being a member of this club. Scott Jackson became a lifetime member, and was the first guy in the history of the club to complain about not having his nameplate to put on his traveling trophy, because he takes it to every show or cruise night he goes to. A man from Illinois has to be really proud of a trophy to take a two foot tall parking block shaped like the state of Wisconsin to car shows in Illinois. I'm not trying to preach because then I couldn't tell any of those great Fibber jokes (because you know I will). I just wanted to say a few positive things about our southern clan. Besides, don't forget, Nick Peiffer, and Greg Schneider have built more trucks than all of us put together. I will try to keep up with Lori and go back to being funny next month. Until then start wrenchin', start drivin', or start dreamin'.

Dave Farmer, Vice President

One Piece No Welds!

Stage II Coil Spring Plate (Exclusive Fat Man One-Piece Spring Seat!)

Stage III Coil Over Spring or Shock Wave Plate

Stage IV AirRide Plate

Now, Every Fat Man Hub-To-Hub Suspension And Complete Chassis Includes These Polished Control Arms, All Stainless Steel Bolts And Plated Cross Shafts At No Additional Cost.

Bolt-In '60-'87 Chevy

Get a 4" to 6" drop without ground clearance problems common with lowered stock suspension! Narrower track by 2" for better tire clearance. Kits include unique Fat Man Mustang II crossmember and our tubular upper control arms. Use stock Mustang II lower A-arms or our optional custom tubular arms.

Bolt In Kits Available For:
 '60-'62 Chevy/GMC
 '63-'72 Chevy/GMC
 '73-'87 Chevy/GMC

Tubular Lower A-arms \$280

Call About Blue Brake Kits!

Subframe Tubular Arms

Give your GM subframed truck that nice "tucked in" look with our unique tubular A-arms. Available in narrowed or stock widths for '67-'81 Camaro, '64-'77 Chevelle and '68-'79 Nova subframes. Set of four with ball joints and bushings just \$749.

We also have 2-inch dropped spindles for the these cars and subframes:

'65-'67 Chevy From \$260
 '68-'69 Chevy From \$260
 '62-'70 Nova From \$260
 '64-'67 Chevelle From \$260
 '67-'81 Camaro From \$260
 Volare/Cortina From \$260

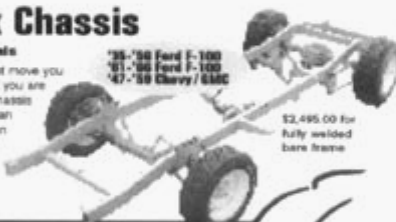

(These spindles require use of disk brakes - And we can provide them!)

Complete New Truck Chassis

Jig Built For Precision Fit - All New Materials

If your old classic truck has been "a little over used", the best move you can make is slipping on an all new Fat Man chassis under it. If you are piecing together a hot rod truck, a complete Fat Man IFS chassis will make the process faster and more enjoyable. We can supply a nice "roller" chassis starting at \$5395 depending on equipment and accessories.
