## THE NEXT MEETING WILL BE.....

Hi everyone,

The June meeting is getting closer and I hope you all are planning to go to the Volo Auto Museum meeting on June 9<sup>th</sup>. I am planning a cruise from Walworth, WI. to the museum in Volo. We have to arrive early to rope off are parking area. So we would need to leave Walworth at about 8-8:15 am. It is about a 45 min. drive taking the back roads there. So I would like to know if you are interested in this idea. If you plan on going from Walworth to Volo please let me know so we can wait on you! You can contact me one of 3 ways.

1. (847) 815-4398

2. (262) 275-8397

3. ([de\\_jo@genevaonline.com](mailto:de_jo@genevaonline.com))

So if you would like to meet up with us this is the only way I will know. I am planning on meeting everyone at the Walworth Square. That is on US Rt.14 in beautiful downtown Walworth, WI.

I will ask Lori to leave last months info in this newsletter.

Thank You  
Dean Malin

# May Minutes

May 5, 2007 Burnett's Garage

After a wonderful tour and open house visit to Northstar Industries in Milwaukee where we watched them punch some timing covers and oil pans on presses that went to the ceiling and were installed 9 ft into the floor. We were treated to a tour of the powder coating booth. They had a sprint car wing hung and prepped that they coated and baked while we watched and enjoyed snacks, drinks, and conversation with the owners and workers. We also saw them manufacture 9 inch ford center sections ready for axle tubes. These are for Strange Industries, Moser Rearends, and a company in Michigan that builds them for NASCAR. We then took a little cruise to the Burnett homestead south of Milwaukee for the great lunch and meeting. I was happy to see Linda (Pofahl) Holly was able to make it there as was Phil Pofahl. Also Dennis Williams came out for the tour and meeting.

The Meeting was called to order at 1:50 pm with 9 adults present. The minutes from the last meeting were read. Treasurer's report was no new members this month; all membership info has been sent out for 2007. Only 3 members did not renew, they were sent reminders. Bob Kulinski did not renew. Newsletter cost was \$53.60 for 28 snail mail copies. If anyone is looking for hard copy back issues I have some from March of 2006 (when I started) let me know and I will bring them to the next meeting. The Vice President thanked the hosts for the Northstar tour.

**Old Business:** Dash 17 has 18 Pre-registrations per Registration Chair Lori Burnett, Door prize Chair Jeff Burnett reported 18 door prizes received. Trophy Chair Dave Farmer is looking for some new ideas for trophies, Please call Dave and give him your ideas. One that was suggested was a BIG PIPES trophy, Bunny Burnett was laughing so hard because of the way Dave presented it she almost fell off her chair. Trevor had talked to me at Jefferson and I reported the electronic show announcements have been posted at all the same places as last year and a few more as he comes across the opportunity. Dean was not able to be present to report on the print side of promotions. Adult Games need volunteers to do them. Show workers needed for registration, door prize table, t-shirt booth, food workers, food clean-up, and WE ARE LOOKING FOR A FOOD CHAIR.

**New Business:** Phil and Linda invited the club to participate in a show they are putting on for Hospice Alliance on Aug. 5, 2007. There should be a flyer elsewhere in the newsletter. Jeff reminded everyone about the junk yard run on May 19<sup>th</sup>.

A motion was made by Jeff to send a Thank You letter to Northstar Industries. Second by Dennis Williams and passed. Motion by Bunny to adjourn; Seconded by Dennis Williams. Adjourned 2:22 PM

Next Meeting June 9<sup>th</sup> at VOLO Auto Museum. Anyone up for a group cruise to Dean's house before we go to VOLO? Call Mike Connor if you would like to do this @274-6257

# UPCOMING MEETINGS AND SHOWS

## Upcoming Meetings

**June:** Dean Malin- Volo Auto Museum Volo, Illinois See pg.11 for further info ([www.volocars.com](http://www.volocars.com))

**July:** Illinois Boys

**August:** Ruthanne Koeshall

**September:** Dash to the Dells 18

## Upcoming Truck and Car shows

Greg Schneider	6/29

### *Presidents Letter:*

Nothing this month

### *Vice-Presidents Letter:*

Dear Truck-Meisters,

For those of you that were unable to attend the last meeting, you sure missed one of the cooler shop tours that we have ever taken. I would like to shout out mad props to my homey Jeff Burnett for setting this up for us. We got to tour the Northstar Manufacturing plant in downtown Milwaukee. Northstar manufactures oilpans, timing covers, and center sections for Ford nine-inch rear ends for street or race applications. They also perform powder-coating, and ceramic coating. The first thing we got to see was a large box of doughnuts-these guys sure knew how to soften us up. While touring the plant we watched as two different multi-ton presses stamped out oilpans and timing covers. The next time you see Mike Connor, President, ask him how he felt standing next to BIG MIKE. We the got to watch as the raw powder-coat was applied to a wing for a sprint car. About twenty minutes later we saw the finished product as it came out of the oven. Quite impressive. All the employees and owners were super friendly and knowledgeable. The best part is they will powder coat your frame for between \$200.00 to \$450.00, depending on how much prep work you want to do. They will also ceramic coat your headers using the same process that they use on NASCAR headers. I have a copy of their price list just like everyone that came, so if you have questions call around and someone will hook you up. Northstar is a small family owned company that takes great pride in making these products here in America. When they say quality first they mean it. We got to see first hand how seriously they take their commitment to their customers. I imagine when some of your customers have names like Jegs, Moser, Currie, and Hendricks, serious quality becomes second nature. If anyone is interested in any of their services, contact me or Mike Connor, President, or Jeff Burnett. I know you won't be disappointed.

Dave Farmer, Vice President

## **In the Garage**

# June 9<sup>th</sup> 2007 Meeting At The Volo Auto Museum

Museum information  
([www.volocars.com](http://www.volocars.com))

Look for our meeting posted on their web site.

The June meeting will be held at the Volo Auto Museum in Volo, Illinois. Since 1960 the Volo Auto Museum has been rated one of the top auto museum in the country. They have many Hollywood cars like the Delorin from "Back to the Future" the "Flintstones Mobile" and many more. The museum has something for everyone Antique theme park shopping, Military museum and of course the auto museum.

I have talked to the museum director Cindy Wiess. We are setup to have our meeting there on Saturday June 9<sup>th</sup> 2007. The museum opens at 10am and closes at 5 pm. Cindy said that we can use the collector car park area to park our trucks in. She said that if we wish we could rope off that area so only the Badgerland club members would be allowed to park there. There are about 15-20 parking spaces available in that particular area.

There is a food court on the premises or you may bring a picnic lunch.

There will be a cost to enter the Museum. Cindy says that we will have the group rate.

Adults: 12 and up \$7.00

Kids: 5-12 is \$5.00

Child: 4 & under \$3.00

Volo Auto Museum is located on Volo Village rd. near the intersection of US Hwy 12 and Illinois RT 120.

## **From Milwaukee:**

Take I-94 south to Milwaukee ave. exit. (just past Illinois 132 or the Six Flags Great America exit) Make a right on to Milwaukee ave. Go about a mile to Ill Rt 120, take 120 west to US hwy 12. about 14 miles. Go north on 12 (1 block) to the next stop light. You will see a Gas station out of the 1950's at that intersection. Make a left the museum is up on the right about 2 blocks.

## **For the Illinois Boys:**

Take I-39 north to I-88. Take that east to I-355 north. Take I-355 north to the dead end. (Lake Cook Rd.) Take Lake Cook Rd west to Us Hwy 12. Go right (north) on 12. Approximately 15 miles to Ill Rt 120 go 1 block past 120 to the next stop light. You will see a Gas station out of the 1950's at that intersection. Make a left the museum is up on the right about 2 blocks.

## **From Madison:**

(With a progressive cruise in mind)

Take I-90 to US hwy 14 east to Walworth. I will meet up with you at the Square in town. From there we will be taking back roads to the museum. If you would like to go there directly. I suggest taking US hwy 12 from Madison to Volo. Volo is about 3-4 miles south of Fox Lake, IL you will be looking for Volo Village Rd. You will see a Gas station out of the 1950's at that intersection. Make a Right the museum is up on the right about 2 blocks.

## Club News

Linda Holly announced that there is a Fund Raising Event for the Hospice Alliance. It is a benefit car show on Sunday, August 5<sup>th</sup>. There will be a Dash Plaque for the first 100 vehicles; and they are offering a Free soda and Hot Dog to the driver of each vehicle. The "entry fee" is \$10 per vehicle with all money raised going straight to the Hospice Alliance.

Sunday, August 5<sup>th</sup>

10am-3pm Show and Shine

10220 Prairie Blvd  
Pleasant Prairie, WI

For more information please contact Phil and Barb Pofahl at 262.652.5346

\*\*\*Due to the fact that I totally forgot about the newsletter we will have a copy of the actual flyer in next month's newsletter.

# Wow! Polished Stainless For The Price Of Plain Steel?

Oh Yeah!

No Kidding-

Only your friends at Fat Man could figure out a way - not only to economically produce these beautiful fully polished upper and lower control arms - But also - pass along the savings to YOU!

One Piece No Welds!

Polished 17-4 Stainless  
 -100 9002 CompuBolt  
 -Polished Ball Joint Caps  
 -18 Stainless Bolts  
 -Plated Cross Shaft

Stage II Coil Spring Plate (Exclusive Fat Man Struthers Spring Seat!)

Stage III Coil Over Spring or Shock Wave Plate

Stage IV AirRide Plate

Now, Every Fat Man Hub-to-Hub Suspension And Complete Chassis Includes These Polished Control Arms, All Stainless Steel Bolts And Plated Cross Shafts At No Additional Cost.

## Bolt-In '60-'87 Chevy

Get a 4" to 6" drop without ground clearance problems common with lowered stock suspension! Narrower track by 2" for better tire clearance! Kits include unique Fat Man Mustang II crossmember and our tubular upper control arms. Uses stock Mustang II lower A-arms or our optional custom tubular arms.

Bolt In Kit \$829

Bolt In Kits Available For:

- '60-'82 Chevy/GMC
- '63-'72 Chevy/GMC
- '73-'87 Chevy/GMC

Tubular Lower A-arms \$280

Call About Bike Brake Kits!

## Subframe Tubular Arms

Give your GM subframed truck that nice "tucked in" look with our unique tubular A-arms. Available in narrowed or stock widths for '67-'81 Camaro, '64-'77 Chevelle and '68-'79 Nova subframes. Set of four with ball joints and bushings just \$749.

Narrowed or Stock!

We also have 2-inch dropped spindles for these cars and subframes:

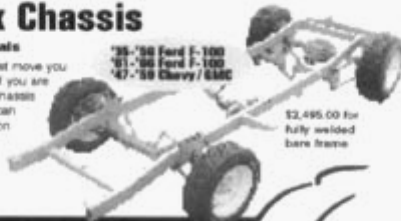

- '63-'67 Chevy - From \$250
- '68-'69 Chevy - From \$300
- '69-'70 Nova - From \$500
- '64-'67 Chevelle - From \$320
- '67-'81 Camaro - From \$400
- Volvo/Corolla - From \$430

These spindles require use of disk brakes - And we can provide them!

## Complete New Truck Chassis

Jig Built For Precision Fit - All New Materials

If your old classic truck has been "a little over used", the best move you can make is slipping an all new Fat Man chassis under it. If you are piecing together a hot rod truck, a complete Fat Man IFS chassis will make the process faster and and more enjoyable. We can supply a nice "roller" chassis starting at \$5395 depending on equipment and accessories.

## Planes, "Manes" & Automobiles!

Celebrating Two American Icons: The P-51 Mustang & The Ford Mustang

### Saturday June 30th, 2007

EAA AirVenture Museum, Oshkosh, WI

8:00 a.m. – 3:00 p.m.

This exciting annual event combines two classic examples of American engineering. It pairs P-51 Mustang Warbirds from WWII with a wide selection of Ford Mustang cars. (The event is also open to all other Ford-powered vehicles.)

The event takes place on the grounds of the world-famous [EAA AirVenture Museum](#), which displays a collection of over 140 immaculate aircraft, including the world's oldest surviving P-51 Mustang. Throughout the day rides will be available in a variety of vintage airplanes from the Museum's acclaimed [Pioneer Airport](#) facility.

Outstanding cars will receive trophies and, on a space-available basis, all cars have the chance

to 'pony up' to a P-51 for a picture. Event registration is \$20, which includes Museum admission for all vehicle occupants. If you would like to come and see the show, spectator admission is included in regular Museum admission.

[Pre-register through our secure online registration to reserve your spot!](#)

## Additional Show information

- Rain Date is Sunday, July 1st, 2007
- Show vehicle registration, 8:00 a.m. – 11:00 a.m.
- Judging 11:00 p.m. to 2:00 p.m. (participant voting)
- Trophy presentation at 2:30 p.m.
- Show vehicles classed upon entry
- Trophies awarded in each class
- Photos of your car with a P-51 Mustang will be available for an additional \$5.00/photo. Money for the photos will be collected at the event and the pictures will be e-mailed to you following the event.
- Kodiak Jack's Steak and Seafood will provide food service at the event.
- Join the cruise after the show to Kodiak Jack's. Waiting for you will be VIP parking at the restaurant and great door prizes. Address: 2059 Witzel Ave. Oshkosh, WI 54904

## New additions

- Music and entertainment for the day will be provided by DJ Rob Peterson!
- Don't miss the fly-by of Tony Buechler in his P-51 in the afternoon! (pending)
- Get a caricature picture drawn of you by Bernie the Artist for FREE.
