CLUB NEWS

Southern Ontario Classic Pickups

Reminder: If anyone is planning on attending the truck show in Canada, contact Michigan Rick. His email is: panelman54@yahoo.com. Also, like he said in a previous newsletter, anyone who doesn't want to drive the whole thing in one day can stay at his house. The show is August 16th and 17th, 2008. The registration form is at www.fordtruckclub.com.

**** Note: You will need to have a current passport or birth certificate to enter Canada. Plan ahead.**

A recent email from Gary Pratt:

On behalf of the Canadian truckers, I'd like to say hi!

We had a great time visiting your show a few years back and I am planning on bringing another group down for your 20th in 2009. Some of the guys may even come this year.

What I wanted to do was extend an invite to all of you to come over to the Canadian Ford/Mercury truck nationals in Arthur, Ontario in August. It's actually the weekend of the "Woodward Avenue Dream Cruise" in Detroit, so if you wanted to cram a weekend full, you could do that on Saturday and Arthur on Sunday. Arthur is a very friendly show, much like yours, and very good people.

Anyone interested, please drop me a line for all the info. We'll try to line up some activities if you may be coming to the area

As well, if you want to make a full holiday of it, there is one of the largest shows in Canada the weekend before in Oshawa, Ontario called "Autofest" and actually has 3 full days of activities. There are usually around 1,500 vehicles in a scenic lakeside venue!

Hope to see some or all of you here this summer and again next in Wisconsin!

Keep the Ford Faith!

Gary Pratt!

Club Shirts

Per Dave Farmer, there are a variety of shirts we can choose from – long and short sleeve denim, racing stripe polos available in a variety of colors in sizes up to 2X (currently looking into larger sizes). They will run about \$20.00 each and will have our logo embroidered on the left chest. More complete info to follow.

June Meeting Minutes

The meeting was held June 29th at Lake Joy Campground in Belmont, WI. We had 7 trucks and 12 adults in attendance. The day was great, the rides around the scenic campground provided by Barb McDermott were fun and fast and our variety of food was very good! Thank you Roger & Barb for hosting!

The meeting was called to order at 1:27pm.

Reports from Officers

Secretary – Rick read the minutes from the May meeting.

Treasurer/Membership – Chris (Mike filled in for Chris) read the balance of the checkbook. We have 2 new members and their families: Jeff & Crystal Mundt (2 children) from Prairie du Sac, WI, with a 1950 F2 and Vance & Joyce Krebsbach (son Todd), from Plover, WI with a 1953 F-100. Vance's membership was a gift from his son Todd. Welcome to the Badgerland F-100 family!

Vice President – Dave talked about the club shirts stating he had quotes on embroidery and pricing. Info will go into the upcoming newsletter. Computer is working again. Since Mike forgot to bring the scepter, he will repeat as "King of the Month".

President – Mike asked for any old business to be discussed. Mike stated: **DO NOT miss the deadline for the hotel reservations!!! (room rates are not guaranteed after August 13th, 2008)**

OLD BUSINESS

Dash to the Dells 19: The Dash still needs volunteers to help out – see Mike Connor or give him a call to see how you can help make the show run smoothly.

Registration Chair – (Dave & Julie Farmer) Dave said there are 23 pre-registrations so far. C'mon members, let's get registered. Encourage those who haven't yet!

Door Prize Chair – (Rick & Ros Pribbenow) Rick said the door prizes are still coming in and he has a few to re-contact since we are now closer to the show date. Rick responded to Rock Auto via email about their interest in helping our show with door prizes and goodies. They are excited about helping us. He has extra beg letters with today to hand out-anyone needing more beg letters should contact Rick Pribbenow ASAP.

Promotions Chair – (Roger McDermott) Roger provided a list of places he has promoted our show. He also emailed copies to Rick and Mike for review.

Trophy Chair – (Wally Zeien) Wally had a list to pass around for people to sign up to make trophies (we used his Texaco pen). Call or email Wally ASAP and ask how you can help make trophies for Dash 19.

T-shirts/logos – Dave said the logo was finished this week. Dave will be sending Rick more info on shirts for the newsletter.

Kids Games – (Julie Zeien)

Dash 19 cruise – Mike said we have the racetrack rented for the whole day. Per the maintenance man, there is a possibility of setting up the timing lights and concessions. Mike reminded us of the events during Dash 19: Thursday evening-car show at the Riverwalk, Friday-cruise/racetrack and Saturday-Dash 19 show.

Reminder: Get your photos with you and your trucks to Rick Pribbenow by either mail or email.

June Meeting Minutes...continued

Mike asked for any other Old Business – hearing none, wait – then Dave Farmer made a motion that the club provide 2 free registrations to Dash 19 to be presented at the Show-Me F-100 show in Branson on July 12. This was seconded by Wally Zeien. All were in favor. No other Old Business.

NEW BUSINESS

Mike asked if anyone had attended the Midwest F-100 Nationals in Clear Lake, IA – no one we know of from our club was there. Flooding was certainly an issue that weekend in IA and WI.

Reminder: July meeting at the Schneider's in Roanoke, IL on July 26 and August meeting at Ruthanne Koeshall's on August 10.

Mike asked for any other New Business? Hearing none.

Motion to adjourn at 2:00pm by Roger Mc Dermott and seconded by Jeff Mundt. All were in favor.

Reminder: GET YOUR RESERVATIONS IN FOR DASH 19! VOLUNTEER FOR DASH 19! VOLUNTEER TO MAKE TROPHIES!

CLUB PHOTOS from Illinois

Cruise night in Roanoke, IL on July 3, 2008.

Nick, Greg, Scott and Keith were all there.

4th of July Parade Grand Marshal was our own Nick Peiffer in his 1956 F-100.

CLUB PHOTOS from Illinois

Nick Peiffer recently installed a new motor in the '55.

The '55 roars to life once again!

Nick Peiffer has been a busy man. Cruise nights, July 4th parade Grand Marshal, installing a new motor in his prized 1955 F-100 and last but not least, getting ready to drive to Branson, MO for the Show-Me F-100 Ozarks Run Truck Show. He and his son Kevin made the trip in the bright red 1956 F-100. What's the next project Nick?

In the Garage

Fellow members:

Back sometime in April, my wife Ros and I started making our vacation plans. We decided to go to the Show-Me F-100's Ozarks Run taking place July 11, 12 & 13, 2008 in Branson, MO. I asked around to find out if anyone else was going. Ruthanne Koeshall said she would go if we definitely were going. So we planned our route carefully and prepared the '56 F-100 panel truck for the road trip. Ruthanne in turn got her '61 F-100 unibody ready also. Ours was fairly simple-change and check fluids, tune-up the motor, check tires, front end and so on. Hers on the other hand needed the transmission worked on, new radiator installed, new tires and many miscellaneous items attended to.

Then in the first part of June the rains came. Iowa, Wisconsin and parts of Missouri were getting flooded. Basically, you couldn't get from Wisconsin to Missouri via Iowa. So, I kept tabs on the internet checking the Iowa and Missouri DOT websites for road conditions. Along came the last club meeting on June 29 where afterwards Ruthanne, Ros and I discussed how we were going to get to Branson, MO. We finally decided the Interstate via Illinois was the wise choice. We would take our time and when we got there we got there. We left early July 9, Ros and I, Ruthanne and her daughter Laurie. We stayed over in Rolla, MO, and continued on the next day for Branson. The Interstate was boring as usual, but we toughed it out. We reached the Ramada Inn at Branson around noon on July 10. When we pulled in there were numerous others with F-100's checking in too. We swapped stories, checked in and proceeded to check out trucks and rooms.

Man, it was hot and humid. Your clothes felt wet all the time. But all of us managed a good time in spite of it. Ros and I took in "57 Heaven", a museum full of cars and trucks from only 1957 and rode the Branson Scenic Railway with Greg and Kim Schneider amongst other things. Ruthanne and Laurie went to some shows like Paul Revere and the Raiders and Jim Stafford and did lots of shopping. We all had a good time. I went over to the registration area on Friday and met with BJ and Cal Busse. They are some of the nicest people you'll ever meet, and funny too! Later, Nick Peiffer and his son Kevin drove in with Nick's red '56 F-100 and we talked with them for awhile.

Branson Scenic Railway

Kim & Greg Schneider

Saturday was the truck show and I spent the day taking photos, handing out fliers and most of all, talked with everyone or at least almost all of them. People were from AR, KS, OK, CO, WI, IL, TN, MN, IA, MO, TX, NE, IN-all over the place. I learned some new truck tricks and tips, talked with Sy, Tammy and Diane from Mid-Fifty and Pat Ford from Dennis Carpenter. Ros hung out under the EZ up and chatted with people who stopped to look at the panel.

B.J. Busse

Tammy & Sy

Judging was done from 11am-1pm and the awards were presented at 3pm. During the awards, Nick Peiffer placed in the top 15 best trucks, Glen & Joan Winkelman from MN took home the trucker's choice award and Badgerland F-100's took home the Club Participation award and the Longest Club Distance award! I got up and grabbed the microphone and gave away the 2 free registrations to our Dash to the Dells 19 show. We had takers from IA and MN. After the show, some of us went to the Golden Corral for dinner on advice from Nick. Good choice Nick!

Rick handing out 2 free "Dash 19" registrations.

On Sunday, we all parted ways and began our trips back home. On the way back we traveled the two-lane blacktops through Missouri and Iowa back to Wisconsin. We took only one or two detours and made it back safely. It was a good truck trip. See ya'll soon!

As always, your club members are a great source for information, locating parts or a helping hand. Call one sometime or arrange for a work party. You'll be glad you did!

See you down the road!

Misc. For Sale For Sale: 4 vintage gas pumps

#1 **Bennett model # 788 (1956)**, this is a commercial pump, no meter, rare and unusual pump. They were used at truck stops or trucking companies that did not need to know how many gallons were delivered.

#2 **Gilbarco Model # 96 (1936)**, it is about 6 foot tall. A little surface rust no major dents or rust.

#3 **AO Smith model # L-1 (1946)**, this pump has had all the pump stuff removed from the inside. The computer is still in it. This is the most art deco pump I have. It would make a great pump for the man cave.

#4 **Bennett model #3136 (1960-1970s)**, this is like the one we all used to buy gas from. Good condition.
