# August Meeting Minutes

The August meeting was hosted by Rick & Lisa Linskens of Menasha, WI. Rick & Lisa really bowled us over with the barbequed ribs, chicken and all the salads and dessert. We came hungry and left full. We had 3.5 trucks and 9 1/8 adults in attendance. After our meeting, Rick & Lisa, Dave & Julie Farmer and some friends of Rick & Lisa were off to the classic car cruise-in and outdoor movies at the Field of Screens. Thanks Rick & Lisa for hosting!

The meeting was called to order at 2:35pm.

## Reports from Officers

**Secretary** – Rick read the minutes from July.

**Treasurer/Membership** – Chris informed us of the club's checkbook balance.

**Vice President** – Dave forgot his electronic name tag (That's the 3<sup>rd</sup> time now and this time in front of Lisa who made it for him). Dave told us it was packed away somewhere in the overnight stuff at the hotel.

**President** – Mike asked for any old business to be discussed.

## OLD BUSINESS

### **Dash to the Dells 20**

Mike & Rick both have beg letters and show flyers for anyone needing them.

**Registration:** Dave said the registrations are coming in. We have 62 pre-registered as of today. Dave still would like to see **ALL** club members registered for the show and as soon as possible! Don't wait!

**Trophies:** Rick had "Cool Color" and "Cool Colors" listed as trophies in the newsletter. Consensus was one or the other-so Dave Farmer called Wally to verify. Wally said "Cool Color" was correct. Rick will change list. We still have no panel trophies. We need someone to make some. Added to the list are "Hard Luck and "Slick 60's". Chuck Blanchard also told Wally via the same phone call of Megan's message concerning a trophy. Wally said to keep coming up with ideas for trophies and contact him @ (262) 374-9661 or email him at: [wallyz79@yahoo.com](mailto:wallyz79@yahoo.com)

**Door Prizes:** Rick said the door prizes are coming in slow and less abundant this year. He also suggested club members solicit door prizes from businesses that you know or do business with. **We could use more door prizes.** These items do not need to be truck related.

Mike said the Dash 20 logo for the show is already at the dash plaque maker and we should see them in approximately 2 weeks. We need pricing on T-shirts-black with a mix of pocket T's. Check on dark blue also. All will be one color logo. They should look very cool. We had 2 styles of hats to choose from and decided to go with 1 dozen of each style. Dave Farmer will check on all aspects of the shirts and hats.

Chris said there was no formal count of hotel reservations from the hotel manager.

Mike wants anyone with pictures from any of the previous Dash to the Dells shows to get their photos to Wally Zeien ASAP.

Mike also wants any club members to get their photos of them with their trucks to Rick Pribbenow ASAP.

# August Meeting Minutes...continued

**Giveaway frame update** - Mike said the frame has been metal prepped and priming and painting will be done by him and other club members soon. Needs to be done ASAP. We will still accept donations for materials. Jeff & Rick will ready the shop and Greg Schneider will apply the paint. Mike said the order of prep is metal prep, epoxy primer, primer surfacer, sealer and paint.

**Food has been decided** – we will be eating at SubWay – they are providing a private room for us from 11am-1pm. We will have party subs/condiments. We are allowed to bring other stuff too. Chris said she could use some help during the lunch with various duties. Call Chris to volunteer.

**Cruise** – Chris said the cruise may include a trip on the Ducks and the club may pay a portion of the Duck rides for club members. The Ducks ride will take place immediately after the truck cruise. Chris will negotiate a price with the Ducks franchise. A motion was made by Dave Farmer to have the club pay a portion of the Ducks ride fee for club members. Ros Pribbenow seconded the motion. All were in favor-passed.

**There will still be a sign-up sheet printed in the next newsletter to volunteer for positions at Dash 20. Please don't wait to volunteer, contact Mike Connor immediately!**

Mike asked for any new business to be discussed.

## **NEW BUSINESS**

No new business. Mike moved on to other agenda.

-October meeting: could be a possible progressive cruise and or garage stops?

-November meeting: open to ideas

-King of the Month was a role reversal with Chuck Blanchard knighting Vice President Dave Farmer. Dave Farmer is now the newest "King of the Month".

Mike then asked if there was any other business. Hearing none, we moved to adjourn.

Motion to adjourn at 3:35pm was made by Julie Farmer and seconded by Rick Linskens. All were in favor.

## **REMINDER:**

### **Dash to the Dells 20, 2009:**

Dash to the Dells 20 and 6<sup>th</sup> Unofficial Panel Nationals will take place on September 18 & 19, 2009. Plan on attending with your truck(s) and get your trophies made! C'mon Badgerlanders, let's make a huge showing for our 20<sup>th</sup> Anniversary!

# King of the Month

Chuck Blanchard knights V.P. Dave Farmer

## From the Vice President

Dear Truckinators,

After the last meeting I decided to end the “King of the Month” program, and retire my scepter to the garage. I’m certain that this will make Ruthanne happy since it was her goal for me to have it all along. However, I will be awarding this honor one last time via proxy to Todd Showers. Once he heard my plan to end the “knightings” he became quite agitated, a condition hard to notice in him unless you know him very well. Todd has the uncanny ability to make Jerry Lewis look like he’s sleeping, but I digress. Todd was the only person who wanted to be “King of the Month” and after Greg Masters hogged it for four months I felt compelled to honor his request. Therefore, Sir Todd Showers shall be the last official recipient of my much lauded scepter. He shall make his mark upon it before returning it to me at The Dash To The Dells and thereby ending its travels. The travels of the scepter shall now pass into legend, much like the tales of Davy Crockett or James T. Kirk. I am honored to have my name mentioned with theirs, even if I had to do it myself. That being said, I’ll see you all at the show. Truck long and prosper.

Dave Farmer, Vice President

## Frame Log 2008/2009

**11/08** Mike Connor, Dave Farmer, Rick Pribbenow and Andy Farmer went to the Roelke residence to see the frame and 9" rear end Randy Roelke donated.

**11/10** Rick Pribbenow and Jeff Mundt transported the frame and rear end to Jeff's shop.

**11/15** Club meeting with 12 attendees (Dean Malin, Wally Zeien, Floyd Johnson, Mark Favor, Rick & Lisa Linskens, Jeff Mundt, Roger McDermott, Rick Pribbenow, Dave Farmer, Dale Barrette and Mike Connor all working on some aspect of the frame and rear end. Some club members like Dean Malin, Dave Farmer, Mike Connor and Wally Zeien took home parts to blast and clean.

**11/17** Jeff Mundt and Rick Pribbenow transported the frame to Buck Guthrie for sand blasting.

**11/22** Rick Pribbenow and Dave Farmer transported the frame, rear end housing and other parts from Buck's back to Jeff Mundt's shop.

**12/13** Mike Connor, Rick Pribbenow, Jeff Mundt, Chuck Blanchard and Vanessa Blanchard mapped out the center point of the new front cross member and marked frame holes to get ready for next month's work party meeting.

**12/27** Mike Connor and Rick Pribbenow make more preparations for the January 10<sup>th</sup> meeting.

**01/10** Club meeting with 10 ¼ attendees (Paul Hilgers, Mike Connor, Rick Pribbenow, Dean Malin, Dave Farmer, Wally Zeien, Jeff Mundt, Chris Connor, Mark Favor, Chuck Blanchard and Vanessa Blanchard). All of us worked on grinding welds, holding and clamping metal for Chuck to weld and drilled holes. Some of us helped Jeff remove his truck box, drive shaft and transmission in preparation for his newer 5 speed conversion to his flathead motor.

**01/24** Dave Farmer, Mike Connor, Chuck Blanchard and Rick Pribbenow met at Jeff Mundt's shop to tackle some more welding, grinding and fitting of donated parts courtesy of Heidt's Hot Rods all in preparation for the January 31<sup>st</sup> frame work party.

**01/26** Mike Connor & Rick Pribbenow prepped/painted the inside of the frame rails for boxing.

# Frame Log 2008/2009...continued

**01/31** Roger McDermott, Les Berg, Rick Pribbenow, Dean Malin, Dave Farmer, Mike Connor, Chuck Blanchard and Dale Barrette came to work on the frame, helped install Jeff Mundt's clutch and readied the 5 speed transmission for installation into his '50 F2. Les Berg, one of our newest members came up from Rockton, IL and helped Mike on the frame by grinding and fitting boxing plates for the passenger side. Chuck burned in the driver's side plates while the passenger side plates were prepped and primed by Mike.

**02/15** Mike Connor tacked in the passenger side plates, Dave Farmer, Rick Pribbenow and Jeff Mundt helped with miscellaneous items.

**02/17** Mike Connor & Rick Pribbenow fitted & measured for the four bar bracket placement.

**03/03** Rick Pribbenow, Mike Connor and Dave Farmer worked on the frame re-checking square, measuring and marking where four bar will finally be attached. They discussed different designs for cross members and drive shaft loops.

**03/15** Mike Connor cut and fitted the front 4-bar brackets to the cross member. Rick Pribbenow helped.

**03/21** After the Winter Banquet, Wally Zeien, Greg Schneider, Nick Peiffer, Greg Masters, Jeff Mundt, Todd Showers, Dave Farmer, Mike Connor, Paul Hilgers, Scott Jackson, Mark Favor and Rick Pribbenow all worked on some part of the frame from painting the calipers and rotors to welding the 4-bar brackets (**thanks to Mark Favor for the beautiful welds**) and boxing plates. Nick and Mike chipped in on Jeff's truck and installed electronic ignition components.

**03/27** Chuck Blanchard, Mike Connor and Rick Pribbenow worked on the frame welding in blocks, drilled and tapped holes for the rear cab mount supports and performed any miscellaneous welding needed. After careful measurement, we found that the polished stainless 4-bars were too long. Mike will be talking with Heidt's.

**04/04** Mike Connor and Rick Pribbenow road tripped to Pell Lake to talk with Wally's neighbor/friend Doug Karow, about how he fabricated his own stainless front sway bar on his Model A and discussed any ideas we had for the front/rear sway bar set-up on the frame the club is building. Doug donated some stainless round bar, tubing and bushings to build our rear sway bar out of. Doug is quite the fabricator and has endless ideas.

**04/10** Mike Connor and Rick Pribbenow made a special trip to Heidts Hot Rod Shop to drop off the polished 4 bars to be shortened. While there, Mike and Rick took a tour with Mark O. of Heidt's shop and found it to be quite interesting.

**04/17** Mike Connor and Chuck Blanchard fit and weld the 4 bar brackets to the 9" rear end housing to make ready for the next day's work meeting. Heidt's sent us the corrected polished 4 bars to install.

**04/18** Meeting/work day with the club members: Todd Showers and his 2 kids Nick and Sidney, Mike Connor, John Freepartner, his friend Larry, Roger McDermott, Dave Farmer, Rick Pribbenow, Mark Favor, Rick Linskens, Nada, Wally Zeien, JPJ Zeien. We squared, fitted and welded.

**05/24** Mike Connor welded up a couple of areas on the frame and then proceeded to fit and make cuts for the drive shaft safety loop. Rick Pribbenow assisted where he could and in between he worked on Jeff Mundt's truck box straightening the metal and removing parts to be replaced.

**06/13** Mike Connor and Rick Pribbenow put the drive shaft safety loops and cross member supports in place while Chuck Blanchard welded them in.

**06/27** Mike Connor and Chuck Blanchard welded in the rear brake caliper mounts, pan hard bar mounts, brake hose mounts, etc.

**07/05** Mike Connor fitted parts and made a list of parts to be returned or re-ordered.

**07/18** Chuck Blanchard fitted the front end parts together to ensure all worked properly.

**07/20-08/11** Mike Connor and Chuck Blanchard have been getting the frame ready to be sent out for paint. Other club members should be helping real soon as the deadline is fast approaching.

**8/12** Mike Connor spent the night grinding and smoothing the surfaces of the frame.

# Frame Log 2008/2009...continued

- 8/13** Mike Connor and Dave Farmer finish smoothing the rough edges and start to chemically metal prep the frame.
- 8/15** Mike Connor and Dave Farmer are back chemically metal prepping more parts.
- 8/17** Rick Pribbenow and Jeff Mundt clean out an area to install a make-shift paint booth. Jeff Mundt, Dave Farmer and Rick Pribbenow install plastic sheeting for a paint booth.
- 8/18** Mike Connor works on the frame.
- 8/19** Mike Connor continues to smooth/metal prep frame.
- 8/20** Mike Connor and Dave Farmer work to get frame ready for primer and paint.
- 8/22** Scott Jackson chauffeurs Greg Schneider up from IL to prime and paint the frame with help from Mike Connor, Jeff Mundt and Dave Farmer.
- 8/23** Mike Connor starts to assemble the front end, 4 bar suspension, battery box and other miscellaneous items.
- 8/29** Mike Connor continues assembly of the frame parts, running board supports, sway bar and numerous other items.
- 8/30** Mike Connor with Dave Farmer continue assembly of the frame parts.
