## *Vice-Presidents Letter:*

Well the books are closed on Dash 17, but the memories of the show still smolder in my mind. The sun burned away the threat of rain, the trucks were hot, and the conversation smokin'. I know that many of you torched up both the Hotwheels, and valve cover tracks, as well as burned the midnight oil bench racing. I would just like to say thanks to everyone who helped make this year a success. I would also like to thank Bruce Horkey for his very generous support of this show and our hobby in general. Guys like Bruce are what make our past-time the fun it is, and I urge you to use his services as a way of saying thanks as well as keeping the hobby alive. In closing I would like to point out that it is not too early to start thinking about next years show. I'm sure most of you are already thinking about the Winter Banquet.

Dave Farmer,  
Vice President
