A Look Back

Fellow members,

Another Dash to the Dells (22) has come and gone. We certainly had great weather for our 22nd cruise and show. It was fun cruising through the countryside showing off OUR Fall colors (trucks) to those who watched us pass by. We started out our cruise by making our way out of the Lake Delton area to the scenic and rustic Wisconsin roads.

We paralleled the Wisconsin River (even though you couldn't see it) and passed by Aldo Leopold Nature Center (Aldo Leopold was best known for his conservation ideals in land preservation, land health and ecosystem management). As we wound our way throughout the countryside over hill and dale we came to pass through the beautiful Baraboo Bluffs to our first stop (Hooty's Bar) for some refreshments.

A Look Back...continued

After our first stop, we wound our way down the bluffs and through Devil's Lake State Park.

We traveled lake-side until we climbed the switchbacks up and out of the park on our way to the Ski-Hi Apple Orchard where we dined on fresh apple pie, cheese curds, apples and more.

We left Ski-Hi and made our way yet again down the final stretch of the bluffs and made a stop at Dr. Evermore's.

Dr. Evermore had already left for the day, but we took in all the famous sculptures made by him and his family. I couldn't believe all that they have added since the last time we visited. From there, it was back to the Great Wolf Lodge where we first started. What a fun adventure – and we have Mike & Chris Connor to thank for putting the wonderful cruise together. Good job guys!

A Look Back...continued

The next day was Dash to the Dells 22. There were so many trucks/truckers who hadn't been there before or that we haven't seen for a while. It was fun talking to everyone. The show is like a big trucker family reunion. We had all shapes and sizes of Fords, other brands of trucks and a few cars, all from the 1930's to the 1980's.

The weather cooperated and made our event very enjoyable. The trucks were cool, the awards were fun, the food was good and the friends good to see again! If you weren't there, you sure should've been. You missed this year, but come next year, it's sure to be fun too!

Thank you to all who participated or volunteered in any way, shape or form making this show possible. We can always use more volunteers – think about next year.

See you down the road!

Rick Pribbenow
