## Member Request

Buzz Davis is looking for someone in the club who does bodywork on the side. His Ford needs cab corners, etc. and he says he’s not very good at doing it himself. His son Brett lives in AZ and is not around to help him. He says he has a fancy welder and paint system and could use some extra help. If you can help out, call him to discuss his needs. Buzz Davis @ (608) 239-5354

## Out And About

Back in May, Mike and Chris Connor cruised the '56 F-100 to Mississippi to tour/cruise George Poteet’s vehicle collection. Then from there went to the F-100 Supernationals. Meanwhile in June, Floyd & Rita Johnson cruised their '62 Unibody F250 to Clear Lake, Iowa for the Twin City F-100 Truck Midwest Nationals Show. (*Twin Cities club members were wondering why more of us didn’t show up. Let’s change that for next year since they have a great turnout at our show.*)

Rick Linskens cruised his '52 F-1 down for the June meeting at Uncle Art & Mary Jo’s Weekend Classic Near Sauk City, WI. Roger & Barb McDermott attended Back To The 50’s in St.Paul, MN recently and Chuck & Marlene Rogers went to the 4<sup>th</sup> Annual Rumble in the Park in Lacon, IL to meet “Big Daddy” Don Garlits. Anyone else go anywhere? Send me your travel stories and photos.

# May Meeting Minutes

## Senate Bill 204

### Bill to Provide for Single License Plate Introduced in Wisconsin

Legislation (S.B. 204) has been introduced in Wisconsin to require that motor vehicles display only a single license plate on the rear of the vehicle. The bill has been referred to the Senate Transportation, Public Safety, and Veterans and Military Affairs Committee for consideration.

### **We Urge You to Contact Members of the Transportation, Public Safety, and Veterans and Military Affairs Committee (Contact Info Below) Immediately to Request Support for S.B. 204**

- S.B. 204 would save money, conserve resources and bring Wisconsin in line with other states that have moved to a single plate requirement.
- S.B. 204 would protect the design contours of collector cars and relieve vehicle owners of the burden of having to create mounting holes on some fabricated and original bumpers.

**DON'T DELAY! Please contact members of the Senate Transportation, Public Safety, and Veterans and Military Affairs Committee immediately by phone or e-mail to request their support for S.B. 204.**

Please e-mail a copy of your letter to Steve McDonald at [stevem@sema.org](mailto:stevem@sema.org). Also, please forward this Alert to your fellow car enthusiasts. Urge them to join the SAN (SEMA Action Network) and help defend the hobby! Thank you for your assistance.

## The Next Meeting is July 20<sup>th</sup>

The next meeting is July 20<sup>th</sup> and hosted by Roger & Barb McDermott. We will be meeting at the Lake Joy Campground at the McDermott's camper (site#5) at 1pm. We will have the meeting at 1:30pm. Bring your lawn chair(s) and whatever you would like to drink. If it's real hot out they have an air conditioned room at the camper. The plan is to park the trucks in the yard in front of the camper. We will have some snacks but we were not planning on a lunch. After the meeting we will head out on the cruise. The McDermott's will make the reservations for eating at the brewery restaurant for 5pm. This would leave time to browse and shop in the gift shops and or take the brewery tour before we eat. There is also a winery building across the street from the brewery but they don't really know anything about it. Anybody who wants to come to the camper early is welcome to.

We can have a camp fire when we get back for anybody who wants to stick around. For those who might be interested in camping, the phone number for Lake Joy Campground is (608) 762-5150. The address is 24192 Lake Joy Lane, Belmont WI 53510. Take 151 from Madison or Platteville and turn south onto Bethel Grove Road. Go about a mile to Lake Joy Lane and make a left into Lake Joy Campground. Site # 5 will be on your left as you come in. Below is a map for reference.
