Out And About

Chuck Rogers met "Big Daddy" Don Garlits at the Lacon, IL car show in June. Chuck said there were not too many people so he was able to talk with "Big Daddy" at length. Wish we all could have been there Chuck!

July Meeting Minutes

Badgerland F-100's Truck Club

Minutes of Meeting 07/20/13.

The meeting was held at the camper of Roger and Barb McDermott at Lake Joy Campground in Belmont, Wisconsin.

The meeting was called to order at 1:45pm by President Mike Connor. Present were 19 adults, 4 kids and 4 classic Ford trucks.

Vice President's report:

Rick gave a talk on his attendance at the Iola Old Car Show and swap meet. He observed that overall vendor participation is way down from previous years. Nothing else to report but reminded all that the August meeting will again be held at the Spring Green Car show on Saturday 08/17/13.

Secretary's report:

Minutes of the June meeting were read and approved.

Treasurer's report:

Chris Connor reported the checkbook balance.

President's Report:

Mike asked for Old Business as well as New Business.

Membership:

No new members at this time.

Old Business:

A sign-up sheet for Dash to the Dells 24 was passed around with Mike encouraging all to volunteer for a time slot. Preregistration count for the show is only at 21 with many members still not having registered for the show. Room count is only at 47 room nights with 170 room nights being needed to qualify for the club discount. Linda Williams reported donations for door prizes are still slow and that anyone who knows a possible donor to make contact with them.

Trophy Chair Floyd Johnson passed around the sign-up sheet for trophies and reported that we have ten commitments so far.

Publicity for the show is pretty well complete but there are plenty of flyers available for distribution if anyone needs them.

New Business:

Mike reported on the recent efforts by many with an interest in collector vehicles, to convince the Wisconsin Legislature to approve a move to single license plates for all Wisconsin vehicles. This change is supported by SEMA (Special Equipment Manufacture Association) and its political arm SAN (SEMA Action Network).

July Meeting Minutes...continued

Floyd gave a report on his attendance at the Twin City F-100's Midwest F-100 Nationals held at Clear Lake, Iowa and noted there was some disappointment in by the Iowa folks that there was not a larger showing from Badgerland F-100's. Roger McDermott gave a report of his and Barb's attendance at the Back to the 50's car show in Minneapolis which had an estimated 12,000 vehicles on display.

Linda Williams inquired if there were any objections to doing a Facebook page for the Badgerland F-100's truck club. After some discussion, there were no objections and Linda volunteered to set up a page for Facebook.

August Meeting:

Will be held at the Spring Green Car Show on Saturday, August 17th. More details to follow.

September Meeting:

No meeting due to Dash to the Dells 24 show.

October Meeting:

Nothing scheduled yet. **(Update – meeting will be held on October 5th – more info later)

The meeting was adjourned at 2:25pm with a motion by Dave Farmer, seconded by Todd Showers. All were in favor.

Barb & Roger McDermott – our hosts.

Inside the Potosi Brewery Museum.

There were three floors of beer artifacts to see. Fun! Our group was caught enjoying munchies while having a meeting. We thank you Barb and Roger for a great place to have our meeting and awesome cruise-to locations.

The Next Meeting is August 17th

The next meeting is August 17th at the Spring Green Car Show in Spring Green, WI (see flyer below for details). We usually have our meeting at 1pm and our space, according to Floyd Johnson, has been reserved (same as last year-downtown parking lot next to the show). Floyd says to make sure when entering the show that you tell them that you are with the **Badgerland F100's Truck Club** and they will direct you where to go. Pre-register now! Also, make sure when you register at the show to put that designation on your registration form where it might say club affiliation. Remember to get there early as Dennis Gage from My Classic Car will be there filming and talking with some of the owners-be prepared to talk about your trucks. Let's have a great turnout for this show!!!

The Tomato Garden

An old gentleman lived alone in New Jersey. He wanted to plant his annual tomato garden, but it was very difficult work, as the ground was hard. His only son, Vincent, who used to help him, was in prison. The old man wrote a letter to his son to describe his predicament:

Dear Vincent,

I am feeling pretty sad because it looks like I won't be able to plant my tomato garden this year. I'm just getting too old to be digging up a garden plot. I know if you were here my troubles would be over. I know you would be happy to dig the plot for me, like in the old days.

Love,
Papa

A few days later he received a letter from his son:

Dear Papa,
Don't dig up that garden. That's where the bodies are buried.

Love,
Vinnie

At 4 a.m. the next morning, FBI agents and local police arrived and dug up the entire area without finding any bodies. They apologized to the old man and left.

That same day the old man received another letter from his son:

Dear Papa,
Go ahead and plant the tomatoes now. That's the best I could do under the circumstances.

Love you,
Vinnie
