Our Next Meeting Is Sunday, October 20th

The next meeting will be hosted by Greg & Kim Schneider of Roanoke, IL on Sunday, October 20th at high noon. Bring chairs and your favorite beverages. The Schneider's address is below with directions if needed (otherwise Google or Map Quest) on your computer.

Their address is: 901 Moser Court, Roanoke, IL 61561 Telephone: (309) 923-3381

Directions from Madison: South on Interstate 90/39 to Rockford, IL, West on Hwy. 20 to Interstate 39 South. South on Interstate 39 to mile marker 25 or Hwy 116 West (County Road 1800 N). Take Hwy 116 West to Hwy 117 South. Turn left and follow Hwy 116/117 (County Road 2100 E) to Roanoke. Follow Hwy 116/117 through Roanoke to the West side of town and turn right (North) on County Road 1700 E about ¼ mile to West High Street. Turn right onto West High Street and then immediately left onto Moser Court. First house on the left is the Schneider's. See you there. Coordinate with members to ride together.

From the Vice President & Newsletter Editor

Well here it is October already and I just got my computer back from weeks of turmoil stemming from a problem with the Windows program. Unfortunately I was unable to complete the August issue of the newsletter as all of my files were still on the hard drive when it was in for repairs, but will be combining August and September. Now, after Windows was reloaded and all of the bugs, etc., the repair place could find are gone, I can finally be of service to the club once again. Thank you for your patience.

Seems our turnout for the August meeting at Spring Green was quite good and we parked up most of the spaces that were reserved for us (thank you Floyd) and everyone had a good time. No visits from Dennis Gage of My Classic Car TV show, but none were really expected.

The Dash to the Dells 24 was right around the corner and I know it was on everyone's mind if we would make the deadlines, reservations, registrations and the like, but it's like that it seems every year. Right down to the wire, cutting' it close, barely there, last minute, yup, that's us. The show must go on and it did with great volunteerism, friends, family, new faces, games, trophies, door prizes and very hard work and effort from the team of truckers. It was fun to see a bunch of new trucks/vehicles this year, especially the works in progress like Buck Guthrie's truck. What a concept! Can't wait to see how this progresses and transforms. Thanks to the club's truckers who brought out their trucks to the show and took the time to answer questions about what they did on their truck with the spectators. I couldn't believe all the small children marveling at the sheet metal. How inspiring for the hobby's future. Maybe for the 25th Dash to the Dells, we'll actually get all the running trucks our members have up to the show. It can be done. Plan ahead guys and gals! Thanks to all of you who made the Dash to the Dells 24 a success!

Now it's on to Fall color cruising, maintenance and ultimately storage for some of the trucks and others it will be on to ideas, welding, grinding, painting, wiring and such in the warm garages.

A shout out to our friend Dean, as Red Green would say, "Keep your stick on the ice" and "Remember, I'm pulling for ya. We're all in this together".

See you down the road.

Rick Pribbenow
Vice President & Newsletter Editor

Welcome New Members

In the last two months, we have acquired 5 new members to the Badgerland F-100's family. We would like to welcome Tom & Jean Tess from Burlington, WI with a 1955 F-100, returning members Bob & Linda Kulinski from Waukesha, WI with a 1954 F-250, Steve & Jane Manke from Lodi, WI with a 1953 F-100, Kim & Sherry Slezak from Lodi, WI with a 1956 F-100, and Damien Van Dusen from South Milwaukee, WI with a 1955 F-100. We hope you all enjoy the club and its activities – WELCOME!

August Meeting Minutes

Badgerland F-100's Truck Club

Minutes of Meeting 08/17/13.

The meeting was held in conjunction with the Spring Green Car Show. The meeting was called to order at 1:02pm by President Mike Connor. Present were 17 adults and 2 kids and 13 classic vehicles.

Vice President's report: Rick thanked everyone for a great turnout. Special thanks went out to Floyd Johnson for setting up the meeting at the car show.

Secretary's report: Minutes of the July meeting were approved as written in the newsletter. Motion by Dave Farmer and seconded by Lisa Watkins. All were in favor.

Treasurer's report: Chris Connor reported the checkbook balance.

President's Report: Mike reported Dash to Dells room registrations at 53, which is normally in the 60's by this time of year. He encouraged anyone without a room to get registered so the club does not have to pay for anything. We are at 114 room nights but need 136 to meet our reservations. Cut-off date for reserving a room at the Badgerland club rate is 08/23/13.

Membership: No new members.

Old Business: The volunteer sign-up sheet was passed around. There are still time slots that need filling. Trophy Chair Floyd Johnson passed around the sign-up sheet for the trophies with a reminder that for anyone interested in making a trophy, to let Floyd know by August 31st. We are at 19 trophies spoken for.

Following discussion on prizes for the adult and kids games, Floyd delegated authority to purchase 12 medallions, 6 for the kid's games and 6 for the adult games.

Wally Zeien will be organizing a bean bag tournament to start at 1:30pm.

The Hilgers family volunteered to loan a fire pit for use on Friday and Saturday night.

New Business: None

A motion to adjourn the meeting was made by Rob Himmelman and seconded by Buck Guthrie. All were in favor. Meeting adjourned at 1:15pm.

** Note, there is no September meeting (Dash to the Dells 24).

Dash 24 In Review

Well another successful Dash to the Dells has taken place and I hope you had a lot of fun. Meeting old friends and making new ones is what this gig is all about. Starting with the meet and greet at registration, Thursdays get together with friends, Fridays cruise through the Sauk County countryside to North Freedom to ride the train and back to the Great Wolf Lodge (thanks to Chris, Mike and Sean Connor), fires in the parking lot both Friday & Saturday and of course the truck show on Saturday. Thanks to all the volunteers, chairpersons, officers and attendees in helping to make this show possible. Let's have a fantastic 25th Anniversary in 2014!!!

Rick Pribbenow – V.P.

A Note From Bob

Just a few words of thanks to the Badgerland F-100's Truck Club for another terrific Dash to the Dells. I appreciate all the hard work that goes into making the show happen year after year. And it was great to have Rick & Lisa and group prepare the lunch again this year. Everything tasted super!

This year, during the show, I was the recipient of help from Dale Barrette. After several unsuccessful attempts to install a new ignition key cylinder lock into the steering column of my '54, I remembered to bring the lock cylinder to the Dells with me to see if Dale could help. After we had lunch, Dale spent the better part of an hour working on the steering column. Initially, Dale was surprised to find the old cylinder really didn't want to come out of the steering column. As he plied his trade, I mentioned that maybe I could live with having only one key for the truck. After a few more moments he removed the old cylinder, much to my relief. But the next part of the adventure occurred when the new key cylinder won't seat inside the steering column. Dale looked at the end of the old cylinder and noticed some burring on the leading portion of the lock. Now what would we do?

The ignition is in the "ON" position in order to remove the cylinder and Dale found he could rotate (with a screwdriver) the ignition switch rod from Start to Run, but not to Off. So after I retrieved two small screwdrivers the club was giving away Dale went to work. His surgery used the two screwdrivers to remove the snap ring, a retaining plate and the gear that operated the rod to the column mounted ignition switch. Once he had the gear out, he used a small file I had to clean the rectangular bore of the gear. Now the new cylinder slid into the gear. Hurray!!!

Dale installed the gear and new cylinder into the column and provided instructions for installing the retaining plate and a new snap ring when I got back home. A REALLY BIG thanks to Dale Barrette for changing the ignition key cylinder for me. Dale continues to support the club's charter of keeping our trucks on the road and running.

Bob Kulinski

For Sale/Wanted
