Many Thanks From Dean Malin

Hi Badgerland members,

What a year it has been. I did get some work done on the panel this year. I plan on doing what I can, when I can. There really isn't much left to do. LOL. We also went to Lincoln, NE this spring to see Speedway Motors and Bill's Museum of American Speed. I went with 3 local cruisers. Had a blast! That is a HAVE TO DO for every gearhead. Since I'm retired we are always looking to do something, we usually jump in the 442 and go cruising. We've done that a lot this year. I have been workin' in the shop still trying to make it my dream shop! Ya right!

It's been a fun year I will say that. I told Jo and the kids I was not going to miss the Dash this year, well I made it, though my panel did not. I thought with a little prodding from everybody, it would have been there. It would have looked neat next to Todd's and Buck's creations. It's been a labor of love and an excuse to get out of the house for 12 years. It will get done!

The family and I headed to the Dash. We did have a great time, I wish that we could have stayed longer. It was a humbling experience to receive that tailgate, with all the members and friends signature on it. I want to thank all the members, family's and friends of Badgerland F100 Truck Club. We don't realize that this club is more like one big family than a truck club.

I got a letter in the mail the other day, it was from Farmer. HMMMM! What is this? Well come to find out that there was a check in the letter, along with an explanation for this check. Once again, HUMBLLED. It seems through some investigation that Mr. Farmer took this upon himself to do the dirty work and to have a benefit on my behalf. Mr. Farmer you have my lifetime vote for "Vice President". I want to wish all our members, their family and Badgerland friends a Very Merry Christmas and a Happy New Year!

A very warm and humbling, THANK YOU, from myself and my family.

Dean Malin and Family

The Next Meeting Is Saturday, January 18th!

The first meeting and swap meet of 2014 will be at Jeff Mundt's shop in Prairie du Sac, WI on Saturday, January 18th at 12:00 noon. Bring any parts to swap/sell, a dish to pass, beverages of your choice and a chair. Jeff's address is Rahl Road, Prairie du Sac, WI 53578. If you get lost call Jeff at (608) 963-4769 or Rick at (608) 576-3891.

The shop is at the end of the driveway.

From the EAST & SOUTH (eastern Wisconsin and Illinois) take Interstate 39/90/94 to exit #119 (Lodi – Hwy 60 exit WEST). Turn right onto Hwy 60 and head WEST to Lodi (about 4 miles). Go through Lodi following Hwy 60 WEST (about 12 miles) to Prairie Du Sac. At the stop sign on the Wisconsin River Bridge, continue going straight (WEST) on Prairie Street (Hwy PF) to Hwy 12. The Richard V. Munz Collection

On Friday, November 23rd, the usual breakfast car guy get together at the Green Lantern in McFarland, WI took a twist. Instead of the usual camaraderie and bench racing during/after breakfast, we were invited to well-known Madison area real estate mogul and car guy Richard V. Munz' car hideout to look at his fine collection of classics. Housed in an old Mercedes dealership dating back before the 50's was his collection. I for one was in shock and awe when we first stepped inside the front door and saw just some of the memorabilia and a few classics let alone the other two floors to be discovered. I don't know what Jeff Mundt, Mike and Sean Connor thought, but I'm guessing the same. The history setting in this building is mind boggling. Memorabilia, flat head engines, super chargers, race cars, parts, cars and notable hot rods. It was fun and it took the better part of 2 hours to view. (Oh, and did I mention, we met Willie G. Davidson? Owner of Harley Davidson Motorcycles.) Below are a few photos of what we saw.

A Look Back At 2013

We started off January 2013 with a meeting and swap meet at Torger Mikkelsen's shop in Waunakee, WI. Many members showed up and we filled his office/showroom. After the meeting we went to the shop for a small swap meet where Leni Bitter brought parts and Torger had some stuff for sale. Then, it was off to Quaker Steak & Lube for some much deserved grub.

Then February came with our Christmas Party at the Prime Quarter Steak House in Madison, WI. What a fun time with the F100 family, good eats, drinks, laughs galore and of course the White Elephant gift grabbing bonanza. Sadly, also in February we lost club member Vance Krebsbach to cancer.

In March came the Winter Banquet at the Prairie du Sac Town Hall. We had a really good attendance and loads of laughs especially at Mike Connor's expense when he was presented with his recognition(s) for speeding in Woodford County, IL. (Remember?) Understand that Mike is usually the giver as he rarely slips up to get caught. New truckers were chosen for the traveling awards and we bench raced, ate and had a short meeting.

April was celebrated in the Farmer's new garage (built by many club members and friends) in Verona, WI. Dave is so proud of his new place to re-invent the truck – you know, chop, cut, rebuild!

As for May, we spent a cold windy day at the MATC Auto Students 1st Annual Pride In Your Ride Car Show in Madison, WI. Luckily, Dave and Julie Farmer brought "Stubby" (their '48 F1) so we could warm ourselves around its flamed front end. We met celebrities like Nubby from Nub Gfix (custom painted bikes for Orange County Choppers) and Mitch Lanzini an auto body expert (appeared on Overhaulin' as he prepped and painted many of the cars for Chip Foose). Also, Mike and Chris Connor went to Mississippi for a rod run and got to visit the George Poteet car collection (wow) and then made their way to the F-100 Supnationals in Pigeon Forge, TN.

In June, we went to the Uncle Art & Mary Jo's Annual Car Show which is held at Camp Carlson in Prairie du Sac, WI (across the street from Wollersheim Winery). We had our meeting and viewed over 100 vehicles of all kinds. The proceeds of this show go to benefit the Relay For Life Cancer Fund. It's a fun family show put on by the Pape family. Also, Chuck Rogers attended the Lacon, IL car show where he got to meet "Big Daddy" Don Garlits.

July meeting was spent with Barb & Roger McDermott at Lake Joy Campground near Belmont, WI, home of Wisconsin's first Capital. We had our meeting and then did a cruise to the first Capital site and then on to the largest "M" in the world made by the students at the College of Engineering at Platteville, WI and continued on to the Potosi Brewery Museum where we toured the museum and had a great meal afterward.

In August, we attended the Spring Green Car Show in Spring Green, WI where Dennis Gage of "My Classic Car" was filming. We didn't get to meet him and he didn't come to take a look at our trucks either. Oh well. He missed out on meeting our group! We had a short meeting and as always had much fun conversing with each other.

A Look Back At 2013...continued

The month of September was a blur for most of us. Dash to the Dells 24 was taking place and we were in the "ready or not, here we come" mode. We had great attendance and loads of fun along with many new trucks and truckers who had never been to our show. We gave away generous amounts of door prizes and many home-made trophies which are always a hit with the crowd. We had a "Baggo Tournament" on boards made by Wall Zeien, raced hot wheels and valve covers. The club also gave away a tailgate to Dean Malin (a club member who has cancer) signed by all the club members who attended the Dash. The tailgate was donated and painted by club member Greg Schneider. Remember club members, the 25th Anniversary is in 2014-be ready to attend!

The October meeting was spent in Roanoke, IL at the Greg & Kim Schneider home where we got to see how Greg is progressing on his '56 panel truck. It's coming along quite nicely. We had good attendance with all the IL chapter guys in attendance and we were even graced by Bruce and Darla Bordner from Indiana!

The cold November get together started at Sears in the South Ridge Mall near Milwaukee where we took in a car show and we were some of the first in line to meet "The Count" of Count's Kustoms in Las Vegas, Danny Koker and his shop manager Kevin. A couple of real, cool car guys. After the meet and greet, autograph signing and photo taking, it was off to a sports bar and grill called Matty's where we had our meeting and some great food.

Hey look...December is upon us already! Where did the year go? We have no meeting in December as it should be spent with your families and close friends over the Christmas and New Year's holidays. If you missed out on any of the meetings this year, you missed a lot and you should plan on attending as many as possible in 2014 as you never know what is going to happen. Also, a big year for the Dash to the Dells-it's our 25th Anniversary. Plan to attend now!

Well in closing, enjoy the holidays, be kind to others and generous to those less fortunate and have fun with family and friends.

Until January, Merry Christmas, Happy New Year, Happy Holidays!
Rick (Ros) Pribbenow
