## Club Dues:

### Membership Dues – It's That Time of Year Again

Annual membership dues of \$20 were due by January 31, 2014. Unless you are a Lifetime Member, please forward your checks made payable to Badgerland F-100s Ltd. to the club Treasurer:

**Chris Connor**  
**2315 S Syene Rd.**  
**Madison, WI 53711**

If you are interested in becoming a Lifetime Member, the cost is \$200 and you won't ever have to worry about remembering to send in your annual dues again. If you are a new member and have joined the club at the truck show in September 2013, or since then, and paid \$20, then your 2014 dues are considered paid.

Remember if you pay your dues after January 31<sup>st</sup>, you'll have to pay an additional \$2 for each month that you are late.

Thanks and hope to see all of you continue to be a part of a really great club!

# The Christmas Party Is Saturday, February 22nd

The Christmas Party will be held at the Essen Haus, 514 E. Wilson Street, Madison, WI on Saturday, 2/22/14. The cost is \$15/person. The Club is picking up the amount above that plus the tax and tip. The food will be family style, There will be 3 entrees (BBQ pork ribs, Tenderloin tips, and one other choice (not sure of yet). Potato, vegetable, salad, bread, and coffee/tea/milk/soda included. Drinks will be starting at 6pm, dinner at 7pm.

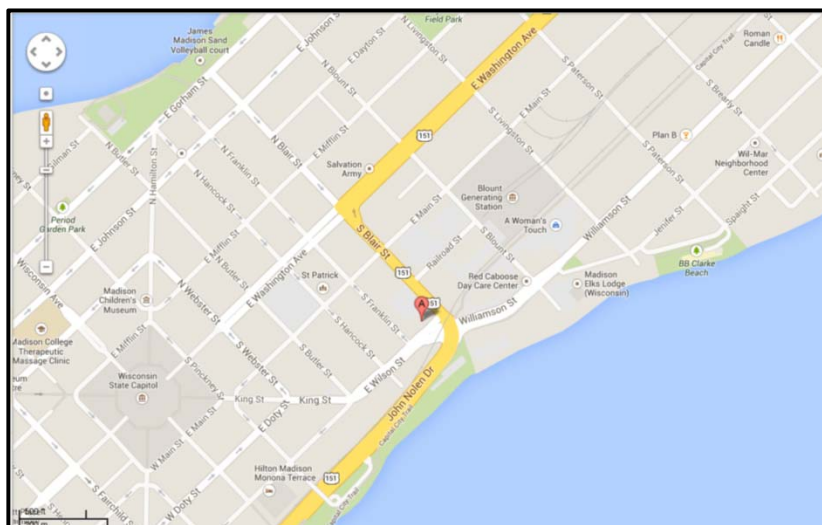

**Please contact Chris Connor by February 14<sup>th</sup> to let her know if you will be attending. You can call her at (608) 274-6257.**

Looks like the best directions for out of town people is to come from the Beltline (Hwy 12/18) and take the John Nolen Drive exit onto John Nolen Drive. Follow it to the Monona Terrace (you will be going under the building). After going under the Monona Terrace, get in the left lane. At the stoplight, stay straight ahead crossing the railroad tracks, Essen Haus will be on your left but continue straight onto Blair Street just a few more yards past the restaurant and the parking lot is on your left in the back of the building. Should be a great time as always! See you there!

## Gift Exchange

If you are a first timer at the club Christmas party, you may need to know the details of the gift exchange. Each person attending should bring a wrapped gift. Keep in mind that when we do the gift "game", your gift could go to a man or a woman. The gift can be just about anything. It can be a gag gift, something truck related, something new, something old, something you made, or whatever you want it to be. If you are buying something, we usually suggest not spending more than \$20.

Everyone is given a number and as we proceed through the numbers, each new person can either steal an existing open gift, or open a new wrapped gift... and you can't have the same gift more than once in a round.

# The January Meeting Minutes

## **Badgerland F-100's Truck Club**

### **Minutes of meeting 01/18/14**

The meeting was held at the shop of Jeff Mundt in rural Prairie Du Sac. Wisconsin in conjunction with a swap meet. Several members brought in a variety of items to sell and or trade. Lunch was served at approximately 12:30pm and the meeting followed at 1:36pm. Present were 15 adults and 1 Ford truck. Two new members arrived to meet and greet before the meeting, Bob Annen and Rick Knipfer both from the Madison area.

### **Vice President's Report:**

Rick passed around the newsletters from a couple of other truck clubs. He requested that anyone with ads in our newsletter let him know if an item has been sold so that it can be removed from the newsletter. He also let it be known that if there is someone willing to take over newsletter duties that he would be willing to pass them on.

### **Secretary's Report:**

Roger read the minutes of the November meeting. Approved as read.

### **Treasurer's Report:**

Chris Connor reported the check book balance. Only notable recent expense was \$200.00 for transportation expenses for repair of the club trailer.

### **Membership:**

Two new members arrived early to introduce themselves and meet club members. Bob Annen is from the Madison area and he recently purchased a 1966 short box pickup. Also introducing himself was Rick Knipfer who is also from the Madison area. Rick has a newly purchased 1970 stepside pickup. Both are looking forward to future club activities and cruising.

### **President's Report:**

Mike Connor spoke on the Collector Car Preservation Act which will be going into effect on 03/01/14. The impact of this law for those with collector plates is that those vehicles will no longer have to be completely stock. While the body panels must remain stock, other modifications can be made and still retain the collector plate status.

The law regarding elimination of the vehicle front license plate has been for the foreseeable future, tabled and is not likely to be given further consideration any time soon. In fact Michigan appears to be moving towards addition of a front vehicle license plate for law enforcement purposes.

### **Old Business:**

None

# The January Meeting Minutes...continued

## **New Business:**

Discussion was geared towards preparation for Dash 25. Barb McDermott has volunteered to be Registration Chair and Linda Williams has volunteered to be Door Prize Chair. Flyers for the Dash are being designed and planned.

Efforts towards door prizes have already begun. Miller welding has been contacted regarding the potential top door prize of a Miller MVP 211 Mig Welder. MVP stands for Multi Voltage Plug. Negotiations are in process for a combination of donation and purchase of this welder. Other door prizes are also being pursued from new and past vendor donors.

The idea of purchasing and handing out 25 manufactured trophies was given consideration but ultimately rejected on the basis that this is contrary to the clubs past tradition of being a non-competitive family based show. We will continue to present our custom made trophies with the trophy maker deciding who will receive the trophy.

Mike reports that the Boondocker's Car Club has invited members to participate in a road trip to the JW Rod Garage in Belgium, Wisconsin. He needs a number so he can let that club know how many might be attending. JW Rod Garage builds custom hot rods and sells custom parts for classic vehicles.

The Spring Jefferson Car show and swap meet this year is featuring trucks. Badgerland F100's has been invited to attend as a club and the Jefferson show would provide free tickets to all club members who attended as part of the club.

Regarding future meetings, Bob Kulinski has suggested having the June meeting in conjunction with the Power Tour which will be in Wisconsin Dells on Saturday 06/14/14. This however conflicts with the Clear Lake Iowa show which some members are talking of attending. More discussion on this to come.

A motion to adjourn was made at 2:18pm by Jean Hilgers, seconded by Ros Pribbenow. All were in favor.

## **Christmas Party:**

Will be held on Saturday 02/22/14 at the Essen Haus which is a German style restaurant (which also serves American food) at 514 E. Wilson Street in Madison. Drinks at 6pm and dinner at 7pm. Cost is \$15.00 per person with the club covering the tax and tip. Mike asked for a head count as soon as possible.

## **Winter Banquet:**

A site for the Winter Banquet has not yet been secured. Rick is going to contact the Black Hawk Family Restaurant in Sauk City as a possible site. The date will Saturday March 22<sup>nd</sup> so mark your calendar.

## The January Meeting Photos

## J.W. Rod Garage

On Saturday, February 2<sup>nd</sup>, some of the Badgerland F-100 club members went on a bus excursion to J.W. Rod Garage in Belgium, WI. We were invited by the Boondocker's Car Club who in turn invited other car clubs to go along. We met some unique hot rodders who enjoy the hobby like we do. We all met at Brian Derge's place just outside Ixonia and traveled to Belgium. When at J.W., we were greeted by Chris and could wander all over the manufacturing facility to see all the products they make. The quality showed in all the products and looks like a place we should do business with. We stopped in at Hartford on the way back for lunch at The Mineshaft-neat place. Then back to Derge's bar. A fun day was had by all!

This email was sent to Mike Connor. Call Mike at (608) 274-6257 if you are interested in bringing your truck to this event.

Hello Mike,

I hope you had a great holiday and New Year!

I am writing to let you know we are featuring trucks at our upcoming Spring Jefferson Swap Meet & Car Show which will be April 25-27 at the Jefferson County Fairgrounds in Jefferson, WI.

We want to invite the Badgerland Ford F-100s Truck Club to our show, but I am not sure how often you meet during the winter. I would greatly appreciate it if you could mention our event to your members during your next meeting or in an upcoming newsletter.

If you find that there is a decent amount of interest, let me know and I will send some tickets for free admission for you to pass out to the members.
