Our Condolences

Our condolences to Scott Jackson whose mother, Marilyn Griffith age 79, born in Chicago in 1934, passed away on Thursday, April 3rd in Las Vegas, NV after a short battle with cancer. Marilyn spent her life as a mom, wife and teacher and who ultimately continues to be a teacher after death as she decided to donate her body to science. Many of you may remember her at Scott's 40th Birthday party (deemed as the best meeting ever). She will be missed by her husband of 5 years, Scott & Nola as well as many other family and friends. The family will have a celebration of her life at a later date. May our thoughts and prayers be with the Jackson family at this time.

May God bless.

Cards may be sent to the family at:

The March Meeting Minutes

Badgerland F-100's Truck Club

March 2014 Meeting Minutes:

The meeting was held in conjunction with the Winter Banquet at the Black Hawk Family Restaurant in Sauk City, WI. The meeting was called to order at 12:15pm by President Mike Connor. Present were 19 adults.

Vice President's Report:

Rick passed around a flyer from the Boondocker's Car Club highlighting their upcoming annual show on Saturday May 10th. He also passed around newsletters from the Show Me Truck Club from Missouri and Twin City Truck Club in Minnesota.

Treasurer's Report:

Chris reported the club checkbook balance. She also reminded everyone that it's time to renew club memberships. The annual treasurer's report was passed around for review.

President's Report:

Mike gave a review of the trip to JW Rod Garage that was taken by a few members back in January. It was nice to meet and greet members of the Boondocker and the Waukesha Car clubs. JW Rod Garage offers a variety of quality products to restore and modify your collector vehicle or hot rod and everything is made here in Wisconsin.

Secretary's Report:

Roger read the minutes of the February meeting. Minutes accepted as read.

Membership:

No new members.

Old Business:

Mike reported that the Collector Car Preservation Act has been signed into law and became active on 03/01/14. This act continues lifetime registration for collector car plates but allows some modification to the vehicle providing the body shape remains original. Other restrictions include a weight limit of 500 lbs. for hauling and not allowed to operate in the month of January.

In other state business, the push for a single plate in Wisconsin has died in legislature as has the 70 mile per hour speed limit change.

New Business:

Registration forms for Dash 25 were mailed out on 03/20/14 to past Dash participants and current members. Barb McDermott is this year's registration chair so mail all registrations to Barb in Blanchardville.

The March Meeting Minutes...continued

Trevor Rush has volunteered to again be the Publicity Chair. He will be promoting Dash 25 in many truck and car related publications but encourages all members to do their own publicity to make this the biggest show ever. He does ask that members let him know if they list Dash 25 in a particular publication or forum to avoid duplication. There was discussion on other avenues of promotion such as a radio spot and making contact with past members.

Linda Williams has volunteered to again be the Door Prize Chair. Beg letters have been mailed but if members know of a potential vendor or donor, beg letters are available for distribution. There was discussion on the idea of giving out a door prize(s) following the cruise on Friday with those who participated in the cruise being eligible for the prize.

Jean Hilgers has volunteered to be the Kid's Games Chair.

Greg Masters has volunteered to be the Chair of the Valve Cover Races.

Wally Zeien has volunteered to be the Trophy Chair. Contact Wally to sign up to make a trophy or two.

As noted in last month's newsletter, the big door prize is going to be a complete truck bed from Bruce Horkey's Wood and Parts. The club is paying \$1000.00 for the bed which is valued at \$2200.00. The second big door prize is the Miller 140 Welder being donated by Miller Welding. The club is paying \$453.00 for this welder which is valued at \$900.00. Donations of \$305.00 have already been received towards the club's cost of the welder.

Members are encouraged to get their room reservations made at Great Wolf for Dash 25. Make sure to tell them you are with Badgerland Truck Club to get the club rate of \$109.99 per night. Badgerland group number is 1409-2.

There was discussion on the idea of doing the adult games like the bean bag toss on Friday after the cruise to avoid the some of the bustle that occurs during the show.

Election of Officers:

All incumbent officers were re-elected.

Traveling Trophies:

Truck of the Year 2013:	Mark and Cindy Favor
Stock Truck of the Year 2013:	Ken and Linda Williams
Member of the Year 2013:	Dean Malin (awarded posthumously)
