The Next Meeting is August 23rd

The August meeting is on Saturday, August 23rd and hosted by Roger & Barb McDermott. We will be meeting at the Lake Joy Campground at the McDermott's camper (site#5) at 12:00pm. We will have lunch (provided by Barb & Roger) after the meeting. Bring your lawn chair(s) and whatever you would like to drink. If it's real hot out or it rains, they have an air conditioned room at the camper to fit us all. The plan is to park the trucks in the yard in front of the camper. After the meeting we will have games and just plain fun. Anybody who wants to come to the camper early is welcome to.

We can have a camp fire later for anybody who wants to stick around. For those who might be interested in camping, the phone number for Lake Joy Campground is (608) 762-5150. The address is 24192 Lake Joy Lane, Belmont WI 53510. Take 151 from Madison or Platteville and turn south onto Bethel Grove Road. Go about a mile to Lake Joy Lane and make a left into Lake Joy Campground. Site # 5 will be on your left as you come in. Below is a map for reference.

The July Meeting Minutes

Badgerland F-100's Truck Club

Minutes of Meeting 07/20/14

Badgerland F-100 members met at the Jo Malin residence in Walworth, Wisconsin in conjunction with a cruise and memorial service for Dean Malin. The meeting was called to order at 1pm and was held in Dean's shop. The meeting was presided over by club President Mike Connor with 12 adults and 7 trucks present.

Vice Presidents Report: Rick passed around a flyer received from Dan Neve inviting all members to attend the "Cruise for a Cause" which is an all Ford event to be held on the weekend of Saturday, October 04, 2014 in the Dells. It is an all weekend event to raise funds for cancer research with many events including a show, cruise and prizes.

Rick also passed around the newsletter from the Show Me F-100's in which they indicate that this will be their last year for a show. The newsletter cites a lack of volunteers and a lack of donations as contributing factors to their difficult decision to end their show.

Secretary's Report: Dave Farmer made a motion to accept the minutes as written in the newsletter and seconded by Scott Jackson. All were in favor.

Treasurers Report: Chris Connor gave the treasurers report but with a reminder that there are still bills that need to be paid for the upcoming show from the balance.

Membership: New members Craig and Deb Kragenbrink with a 1966 F-100 from Juneau, Wisconsin.

New Business: Chris relayed there has been some minor issues with the motel for the Dash to Dells 25. There has again been a change of personnel that Chris is dealing with for the show so that means having to go through all the arrangements again with a new person. The club will be using member Rick Linskens again as food vendor with a menu of shredded turkey and beef.

Registration chair Barb McDermott reported 32 registrations (at the time of the meeting), there have been nine more received since then for a total of 41 registrations.

Randy Roelke is going to inquire about a DJ to play music during the show.

Trophy Chairman Wally Zeien reports there is still plenty of trophy's to be made. Wally is going to make the kids choice trophy. Wally has also volunteered to build another set of baggo boards for donation to the club, but at this time it is undecided how the boards will be given away. Discussion centered around the possibility of a silent auction.

The July Meeting Minutes...continued

The Miller welder that the club will be giving away at Dash to Dells 25 comes at a cost to the club of \$453.00. Of that amount \$367.00 has been covered by donations. There have been no donations received towards the cost of the truck bed from Bruce Horkey that the club is giving away but we certainly would accept donations towards that prize also. Cost to the club for that prize is \$1100.

Other Business: The club presented a memorial plaque to Jo, Deanna and Matt Malin in thanks for Dean Malin's contribution and time with the club. Thanks to Todd Showers and Dave Farmer for building and decorating the plaque.

Rick is looking for someone to take over the duties for the club newsletter.

President's Report: Mike and Chris recently took a tour of the southeastern part of the United States. They toured the production facility for Fatman Fabrications in Charlotte, North Carolina. They also toured and enjoyed the little town where the Andy Griffith's show was filmed.

Next Meeting: Will be held at Barb and Roger McDermott's camper which sits at Lake Joy Campground near Belmont, Wisconsin. The address is 24192 Lake Joy Lane, Belmont WI 53510. Roger and Barb are on site #5 which is on the left as you are coming into the campground. Meeting to start at noon. Lunch will be provided but bring chairs and whatever you wish to drink. You are welcome to hang out after the meeting to just relax or play games. If you wish to camp the phone # is 608-762-5150 or www.LakeJoy.com.

Motion to Adjourn: Made at 1:35pm by Wally Zeien and seconded by Chuck Rogers. All were in favor.
