A Note From The Former Editor

I just wanted to say what a pleasure it has been being your newsletter editor the past 7-8 years. The editor's job is to keep you informed, educated and occasionally humored and I hope you feel I have done that. Our new editor, Chuck Rogers, will do the same with his own twist to things. I will work closely with him so the transition feels seamless to you. He will do a great job from here forward with your help in the form of ideas, photos, articles and the like. Please help him out to keep the newsletter both entertaining and informative. Thank you all for your past input making the newsletter a great piece of our club!

Your former editor,

Rick Pribbenow

August Meeting Minutes

Badgerland F-100 Truck Club

August 2015 Meeting Minutes:

The August meeting was held on Saturday August 08th at the camper of Roger and Barb McDermott located at Lake Joy Campground in Belmont WI. The meeting was called to order at 1:40pm by President Mike Conner. Present were ten adults, no kids and three Ford trucks.

Vice Presidents Report:

Dave reported that the first round of club shirts and jackets has arrived and will soon be sent to the vendor for embroidery. They should be done by Dash 26 and available for all to see and then everyone can order one for themselves.

Treasurers Report:

Chris reported the balance of the club checking account. No other financial transactions for this period.

New Members: None. Jeff and Crystal Mundt became lifetime members.

Dash 26:

Preregistration number is at 50 per registration chair Barb Erbs McDermott. Linda Williams reports door prizes have been slow to come in this year. Mike encouraged all members to consider donating a couple of door prizes and or items for the goody bags that are given away with registration.

Randy Roelke reported that he recently learned that the DJ that we used last year is not available for Dash 26 so the search for a DJ continues. Randy is committed to securing a DJ in time for Dash 26.

Wally provided a list of the trophies that have already been spoken for but we still could use many others. Trophies spoken for include:

- Kids Choice
- 60th Anniversary
- 50th Anniversary
- Family Award
- John Bitter Memorial Non-Ford Award
- Best Rat
- Work in Progress
- Not a Truck
- Best Engine
- Bitchin Boards
- Hot Flames

Mike sent around the volunteer sign-up sheet but we still need many more volunteers to step forward. Please pick a time or event and sign up to help the club put on the show.

August Meeting Minutes...continued

As a reminder the cutoff date for registering a truck or other vehicle for the show is 08/15/15. After that the fee increases to \$35.00. The cutoff date for making room reservations at Great Wolf under the club name is 08/17/15. And, speaking of Great Wolf, Chris reports that we have reserved 94 room nights at the time of this meeting. We need 128 room nights to meet the quota or else the club has to pay for those room nights - so everyone get their room registrations in.

Just as a reminder the cruise is on Friday September 18th at 1pm sharp. Have your truck gassed up and ready to go.

New Business:

Mike gave a listing of upcoming shows and events.

Dave brought up for discussion, the topic of possibly making some changes to the show with the idea to always be trying to improve things. This resulted in a good dialogue among those members present on such topics as location of the show, do we continue to provide a meal for the show and other items. This was just a preliminary exchange of ideas and was left open for further discussion.

Another topic of discussion was the need to get out the information for the location and date for the next meeting, in a timelier manner. To that end, Barb Erbs McDermott made a motion that the minutes, which would include the information on the next meeting, be provided to members as soon as available, via email from the secretary. The minutes would also continue to be included in the newsletter. Furthermore notice of the next meeting will also be posted on the club Face Book Page, again as soon as the information is known. Motion seconded by Julie Farmer. Motion Passed.

And the final, but certainly not least new business is that Chuck Rogers has volunteered to take over the newsletter from Rick Pribbenow. Thanks to Chuck Rogers for stepping forward and taking on this responsibility and many thanks to Rick Pribbenow for the time he has spent and the great job that he has done on the newsletter for the last several years.

October Meeting:

Dave and Julie Farmer will be hosting the October meeting and are planning a tour of Lake Louie Brewery in Arena, along with the possibility of a meal somewhere. A date has not been set yet but it is looking to be mid to late October.

November Meeting:

Still open for a site.

January Meeting:

Randy and Diane Roelke's and 2nd annual valve cover racing.

Motion to Adjourn at 2:56pm by Mike Sonn. Seconded by Chuck Rogers. Motion Passed.

1948-1972 Ford F-100 Truck Show

September 18-19, 2015

Dear Friend of the Badgerland F-100's:

On September 18th to 19th, the Badgerland F-100's Truck Club will hold its **26th Annual "Dash to the Dells"** in Wisconsin Dells, Wisconsin. We anticipate as many as 150 or more Ford F-100 pickups and panel trucks that range primarily from 1948 to 1972 vintage. These vehicles vary from totally stock to fully customized and arrive from all over the United States and Canada.

The "**Dash to the Dells**" has become one of the most talked about shows in the Midwest! It is also the 12th year that we've added the "**Unofficial Panel Nationals**" to our show welcoming all brands of panel trucks.

As part of planning this event, we are looking for your help in providing door prizes or gift certificates for our show. Door prizes are given away to participants through random drawings during the event. We also provide a "goody bag" to each participant. This is an excellent opportunity to publicize your company and its products or services to a large audience of classic truck lovers. Our guests spend large sums of money to personalize vehicles to their own liking and we'd like Your Company to be the first one they think of!

Vendor name recognition is a powerful sales tool. We can help make that happen for your company when it is mentioned at our awards ceremony and also prominently posted at our show location for all attendees and the general public to see. Your donation is what helps to make our show successful and your generosity provides our guests with some cool stuff to take home! If you have supported our show in the past, we would like to take this opportunity again to say "**Thank You**", and hope that you will continue to support our show and hobby in the future.

We look forward to hearing from you and would appreciate anything you may be able to do for us. We gladly welcome vendor booths at our event as well. If you have any questions regarding the event, please contact us.

Thank you for your time and consideration.
