Thank You

THANK YOU!

We would like to give a special thank you to everyone that volunteered to help make Dash 26 an awesome success! We have received so many comments on how fun, organized, friendly, laid back, and great our show is. Even our DJ at the show told us that he has worked at many car and truck shows, and wanted us to know that our show is a cut above the rest!

Needless to say, this could not happen without a great group of dedicated members that chair functions in the planning of our show and make sure everything runs smoothly once we are there.

Our club members allow us to continue to make this happen year after year by all the volunteers that help with the many things we need to have done during the weekend. We had over 40 members volunteer to do various tasks for the show this year! This is truly club teamwork! There were also a few more of you that just stepped in where needed! In addition, we had many members that helped collect donations of door prizes and made trophies! A big "Thank You" to all of you.

One of the goals of the club, more than 26 years ago, was to have a show each year to promote our hobby and share our passion for Ford F-100 trucks. We are amazed at how this show has grown and evolved over the years. It just keeps getting better!

The October meeting will involve a cruise to Lake Louie Brewery in Arena, followed by a gathering for chili and a meeting. We will meet at the Farmer household at 205 N. Marietta St., Verona, WI 53593 starting at 11:00am and depart between 11:45 and noon to arrive at the brewery in time for the 1:15pm tour. When finished, we will cruise to the home of Paul and Jean Hilgers for chili and our meeting. Their address is 2411 Church St., Cross Plains, WI 53528. If you are planning to attend the brewery tour please contact Dave Farmer via e-mail or phone as he needs to keep them apprised of the number of people attending. Contact him at fordee8@yahoo.com or 608-845-6104 (home) or 608-333-7869 (cell). If you wish to attend the meeting and food portion only, we expect to be in Cross Plains between 3:30 and 4:00.

From Your Vice President

Well fellow truckers, we close the chapter on another successful Dash to the Dells. Attendance was very close to last year's which is encouraging. We had an influx of new people and trucks as well as a great mix of past attendees returning. I want to encourage you all to think about what worked and what didn't and ask you to share your thoughts so we can keep making this the best event possible. I also want to thank the gang at Smoken' Pig, the food went off without a hitch and was delicious. A nod should also be given to Todd Showers for his help in getting our giveaway toolbox. A very special thank-you to Bruce Horkey for all his year-long support and generosity with door prizes. Big props to all the volunteers, can't do it without you! There aren't enough words to thank Mike and Chris Connor and their whole family for all the endless hours they selflessly donate as well as the sheer will that drives this show. Finally, I have to thank all of you since you're the reason it happens at all.

On a sad note, prior to writing this I learned of the passing of Gordon Djuren. Gordon was a long time visitor to our show and will be greatly missed. He always had a smile and was a great guy to chew the fat with. I hope God's grace will bless Troy and his family during this hard time.

Dave Farmer,
Vice President
