From The Editor:

As most of you know I haven't been able to work on my truck since I had heart surgery in Nov 2014 & after I was released to start doing normal things around the house & in the garage I had a "honey do" list that took from the fall of 2015 to the summer of 2016 to complete, at least enough that I could once again work on the truck. My son & grandson came over & pulled the trans & driveshaft out as well as removed the oil pan so we could replace the rear main seal & install the new oil pan (after modifying my Holman Moody windage tray, from a GT40 Mirage, to fit with the new pan). We ended up pulling the motor since it was easier to fit the pan with the engine on the engine stand. Got all that done but before reinstalling it all I replaced my manual rack & pinion with a power rack. Then I put the engine back in & started on the power steering hoses, a nightmare since the pump is for a 1972-74 Maverick, etc. & the rack is for a 1082-88 T-bird & the hose fittings don't match. Called around to no avail until a company in Madison that makes industrial hoses (way too big for little PS pumps) suggested Hartland Service in Hartland, WI (about 1/2 hour north of Milwaukee. I took my pump & hoses there to start with the pressure line coming from the pump which took them all of maybe 20 minutes to rectify & what I thought was a very good price. I now have some mockups of the rest of the pressure & return hoses & will be going back there to have the rest of the hoses fixed to fit. They also do wiring, brake lines, PS lines as well as A/C lines. Being close to Milwaukee they have a good amount of Hot Rod clientele. If you are in need of anything like that contact them at 262-367-4234 or go online & contact them thru www.hartlandservice.com, at least they were good to me & I would recommend them.

DASH 27 REMINDERS

DASH TO THE DELLS 27 – GIFT CARD GIVEAWAY

Don't forget that if you register for the Great Wolf and pre-register for the show by **July 15th**, you will be entered into a drawing to be eligible to win a \$100 gift card that can be used at the Great Wolf on the show weekend. The winner must stay at the hotel and attend the show to claim the prize. It can be used for your room, restaurant, bar, etc. By registering early and getting your room reserved, this helps us plan for the show, as well as helping you to become eligible for a nice prize! So if you haven't done so yet, get this off your "to do" list before 7/15!

RESERVE your room for the show no later than 8/15

Great Wolf room reservation deadline is 8/15. Room rates are **NOT** guaranteed after the deadline. Remember to reserve rooms under the group reservation of "**1609Badgerland**". Make sure to tell family, friends and acquaintances about the room deals also. We need to fulfill our room contract or the club pays for any leftover room nights not rented per contract.

REGISTER your truck for the show by 8/15

Members get your registrations in early – Pre-registration for the show is \$25.00 before 8/15 and \$35.00 after 8/15.

VOLUNTEER where possible – we can always use your help

**A sign-up sheet is in this newsletter. Volunteer early!

NEW PICKUP STAMPS TO BE ISSUED

The Pickup Trucks Forever stamps will debut on July 15th at 1:00 p.m. at the Syracuse Nationals held at the New York State Fairgrounds in Syracuse, New York. Following their release, the mps will be available at post offices and USPS.com in books of 20.

June Meeting Minutes:

June 2016 Meeting Minutes: Badgerland F-100 Truck Club

The June meeting was co-hosted by Ricky and Ladena Livingston and Scott and Nola Jackson and took place in the Jackson garage on a hot day in Benson Ill. Many thanks to the Livingston's and Jackson's for their great hospitality, the great food and great conversation. The pool was open and many took advantage to cool off before the start of the meeting.

Meeting called to Order at 1:48pm by Vice President Dave Farmer.

Present for this annual Illinois meeting were twelve adults, four kids, five trucks and two sweet Mustangs.

President's Report: Mike and Chris Connor were absent from the meeting as noted by Greg Masters. Actually they were attending a family wedding and could not make it.

Vice Presidents Report:

Vice Presidents Report: Dave Farmer thanked all for coming on this hot day. He reported that on the upcoming July meeting the tentative plan is to still do a cruise to Columbus WI and tour the Badger Motor Company there in Columbus. The tour will be followed by a meal at a local drive in so bring your classic truck and join in. The idea for a picnic has been tabled for lack of response and or interest. More details to follow regarding the location and time to start the cruise.

Treasurer Report:

Dave read the balance of the club account in the absence of Chris Connor.

Secretary's Report:

Motion by Barb Erbs McDermott to accept the minutes of the May meeting as written in the Newsletter. Seconded by Greg Masters. Motion passed.

Old Business:

Dash 27

Trophy Chair Wally Zeien passed around the sign up list for trophies. Currently nine trophies are spoken for but two of those are for the valve cover racing.

Discussion was held on the Baggo tournament. Wally volunteered to oversee the tournament again for Dash 27 but asked that participants remain present and available for the next round when the time arrives so he does not have to chase them down. Other suggestions presented for the Baggos were to shorten the number of throw for each from 20 down to 16 or lessen the number of participants allowed. Another idea was to have a tournament on both Friday night and on Saturday and to move sign up for playing to registration.

A reminder to all that to be eligible for the \$100 gift card from Great Wolf you need to be registered for both Great Wolf and the show by July 15th.

Registration Chair Barb Erbs McDermott reported that there are 35 preregistered for the show.

Randy Roelke via Dave Farmer presented an idea for discussion to sell decals of this year's artwork for one or two dollars. People could then have multiple images of the artwork for their shop or for whatever they wanted to put them on. It would provide another stream of income for the club. In contrast to recent years, there has been no discussion on giving out a grand prize for Dash 27.

New Business:

Dave read off a listing of upcoming events and area shows.

Next Meeting:

July Meeting: Saturday July 16th. Cruise to Columbus. Tour of the Badger Motor Car Company (badgermotorcarcompany.com) and eat at a local drive in. See "VP Says" for more details.

Upcoming:

July 8-9: Ozark Run, Branson MO. The Connor's are making the trip.

July 16th: July Meeting with a Cruise to Columbus, WI. Tour of the Badger Motor Car Company and eat at a local drive in.

Aug 6: Meeting will be held at Lake Joy Camp Ground in Belmont WI hosted by Barb and Roger McDermott. Make your camping reservations ahead of time if interested in camping LakeJoy.com.

Sept. 16-17: Dash to the Dells 27 F-100 Truck Show, in Wisconsin Dells sponsored by the club.

June Meeting Minutes Cont.

Motion to Adjourn: Motion to adjourn by Ricky Livingston, seconded by Greg Schneider.

Meeting adjourned at 2:08pm.

Thanks to the co-hosts Ricky and Ladena Livingston and Scott and Nola Jackson for the June meeting that took place in the Jackson garage.

The Vice President Says

Dear Truckers,

The July meeting will consist of a cruise to the Badger Motor Car Company in Columbus followed by lunch at Mullins Short Stop. We have suspended having a picnic due to a lack of site availability as well as the logistics of transporting the food. No one responding to my request for interest in the picnic was also a factor. The cruise will start at our house, 205 N. Marietta St. Verona, WI 53593. We shall gather between 8:30 and 9:00 am, then at 9:10 we shall head over to Mike and Chris Connor's house, 2315 S. Syene Road Madison, WI 53711. At 9:30 am we will head out grabbing some back roads with a brief stint on 12 to get to Hwy 73 which will take us to our destination. If you'd like you could just meet us there as well, we plan on arriving at 11:00am when they open. The address is 336 North Spring St. Columbus, WI 53925. Pick what option works best for your traveling needs. This is a museum and bar with a variety of local craft beers, sodas, and some hard liquor. He only takes cash so please plan ahead. The plan is to look around, have a drink or two of your choice, and pop the meeting out. We will then drive over to Mullins Short Stop for lunch. They are just a few blocks away on 73. I need to give a rough number of people expected the day before so they are prepared for us, so please shoot me a message of some kind so I can prep them. Thank you, Dave Farmer, Vice President.

Thank You to Our Show Co-Sponsor Bruce Horkey – Wood and Parts

Bruce Horkey has been a member and strong supporter of our club and our show for many years. His business has some fantastic products for your truck too. We recently caught up with him at the Back to The 50's Car Show in St. Paul, MN, and presented him with a Thank You plaque from the club for his support on the Dash 26 show last year.

Bruce Horkey and Mike Connor

Thank You to a Major Door Prize Contributor – Fatman Fabrications

Brent VanDervort, owner of Fatman Fabrications has been generously providing us with major door prizes for our show for quite some time. Brent is an awesome guy and really knows his stuff! He gave Mike & Chris Connor a tour of his facility in Charlotte, NC a couple of years ago and he does some fantastic work. We also met up with him at Back to the 50's Weekend and presented him with a Thank You plaque for his support.

Brent VanDervort

In thanks for all they do, please remember to consider Bruce Horkey's and Brent's businesses whenever you have needs for your trucks. They are two wonderful guys and have great products. Also another big thank you to Dave Farmer for putting together the plaques we presented.
