Chuck Rogers, 48 N. Madison St., Evansville, WI 53536 or email them to clrogers@charter.net

From the Editor:

Tis the season where we do nice things for others that we might not think of the rest of the year. In the immortal of the main characters from the movie Bill & Ted's Excellent Adventure, "Be excellent to each other". Since I've never been politically correct I will say, Merry Christmas & Happy New Year. Chuck

Club Meetings/Functions

Meeting Minutes: November 2016

The November meeting was held on Sunday November 13th at the home of Jeff and Crystal Mundt in Prairie Du Sac Wisconsin. Present were 14 adults, no kids and 5 trucks. The meeting was called to order at 1:08pm following a very nice lunch.

Vice President's Report:

Vice President Dave Farmer thanked all for coming. Primary focus of this meeting was to open a dialogue about the Dash 27 show, specifically what were the positive aspects and what could be improved upon.

Treasurer's Report:

Chris Connor gave the balance of the club checking account.

Membership:

One new member in Noah Youngbauer, from Oshkosh WI. Noah drives a 66 Ranger Special.

Secretaries Report:

No meeting minutes to read as there was no meeting held in October.

Old Business:

Dash 27 Cruise: Everyone enjoyed the cruise again. Lots of positive feedback on the game so there is a good chance we might do that again sometime. Chris reports that we had 68 trucks in this year's cruise. Not a record but close to it. With that large number logistics can become difficult. Some discussion on perhaps planning a shorter route for next year. It was noted that in the last couple years we have had participants on the cruise that were not registered for the show. Rick Pribbenow suggested that all cruise participants be mandated to display their show registration sticker to participate in the cruise. It was also noted that there were some participants at the show that had come in late and had not registered. This is an area of concern due to possible liability issues. All who register sign a waiver of liability and if someone is not registering their vehicle, they have not agreed to the liability waiver. Following discussion on this issue Wally made a motion to put in place a procedure to insure all attendees at the show are registered. Seconded by Jeff Mundt. Motion passed. There was further discussion on how to facilitate full registration.

Dash 27 Merchandise: Shirt sales were a bit slower this year compared to other years. While enough were sold to cover the cost of the printing and the shirts, there is normally some extra income from sales to apply to other costs on the show. Chris reported normally we have only about a tote of shirts left over and this year we had over two totes. We did not purchase any more shirts than normal, but we did offer a wider variety of styles and sizes. There was discussion on how to avoid this in the future. A couple of ideas presented included reducing the number of styles offered and perhaps simplifying the pricing scale. Other ideas were to go back to selling only tee shirts or development of a preorder system such as putting a place on the registration form to preorder shirts. We did have a new vendor for printing this year and Chris felt that this new vendor worked out well. The shirts were ready well in advance of the show date which helps with overall planning and coordination.

Minutes continued:

One other note on merchandise, we only sold 25 of the 200 stickers that we had printed. We will continue to sell the stickers at meetings and next year's show.

Dash 27 DJ: Rather negative feedback on the DJ so we will be looking in a different direction for next year. Randy Roelke volunteered to investigate other DJ's in the area for pricing and availability. A limit of \$400 is set to spend on DJ services.

Dash 27 Door prizes: Mike Connor reported that we are not getting as many door prizes donated as we used to from national companies, but we still have a pretty good number. The list for possible donators is edited annually and if we have not received a response from someone in a couple years their name is removed from the list. Mike estimated a return rate of one quarter to one third of those vendors that are contacted. This year the club did purchase two Dewalt drills that were given away. We spent about \$300 on these. Generally we try to stay away from spending club funds on door prizes and will not likely repeat that for next year. During discussion it was suggested that we get away from giving away big door prizes like we have on most years, unless there is some significance to that particular year such as an anniversary year. There will be more discussion on door prizes in upcoming meetings. Chris reported that we shared some of our goody bag surplus with the Ozark Mountain show chairs after our show was over. We also donated a sweatshirt for them to give away as a door prize. Again, overall Badgerland F100's has been very fortunate with donations and the efforts put forth from club members in this regard.

Dash27 Trophies: Wally reported we had 29 regular trophies plus the Hot Wheels and Valve Cover trophies. Thanks to anyone who made a trophy. Mike thanked Wally for being MC for the Trophy presentation.

Dash 27 Baggo Tournament: We were about an hour late getting started because didn't have the bracket made up ahead of time due to not knowing how many were going to participate. Otherwise it went pretty well. Still have some issues with people not being present when it is their turn to play. Suggestion made to limit participation to 24. Can have the brackets made up ahead of time then. Wally was in favor of continuing the double elimination, that way everyone has a chance to play more than once. Prior to the show there had been discussion on doing a Friday night baggo tournament but that didn't really work out.

Dash 27 Kids Games and Valve Cover races: Thanks to Jean Hilgers for again overseeing the kid's games. There was discussion on limiting the participation to age 10 or under. A suggestion was made to let Jean make that call as she is most directly involved. Thanks to Chris Lemke and Megan Blanchard for overseeing the valve cover races. There was discussion on developing a safety barrier at the end of the valve cover track so no one is injured and the racers are not damaged.

Dash 27 Registration: No particular issues. Mike thanked Barb Erbs McDermott for chairing again. Discussion on making sure all cruise and show participants are registered.

Minutes continued:

New Business:

Dash 28: Mike reports the Great Wolf contract is already signed for next year. In that regard we are ahead of our usual schedule. We will have the same rates as this year and the same amenities. There was discussion on the \$100 gift card that the Great Wolf provided to encourage early registration. Following the discussion, a motion was made by Randy Roelke to use this again for Dash 28. Motion seconded by Floyd Johnson. Motion passed. Cut-off date for eligibility for the gift card will again be July 15th, 2017. This means you must be both registered for the show and registered to stay at Great Wolf by July 15th.

Mike put out a call for volunteers to sign up early and often for Dash 28. Thanks to all who helped make Dash 27 another success but we need volunteers to continue. We will be looking for show chairs for trophies, registration, door prizes and plenty of other responsibilities.

Other Business:

Member Gilbert Arroyo from Greenfield Wisconsin passed away last March. We didn't learn about this until his family contacted Mike recently after his family found one of our flyers. Gilbert drove a stock 53.

Mike read a listing of upcoming shows and events. The Twin City Club was discussing whether they will be putting on a show in 2017 due to a need for other members taking on responsibilities. Chris reports that the Ozark Run will be having their show in 2017, but it will be at a different hotel.

No December meeting due to the holidays.

January Meeting: Will be hosted on Saturday **01/21/17** by Diane and Randy Roelke at their home at S 8222 Dale Rd, Loganville, WI 53943. Call if you need directions, 608-544-3030. Annual valve cover racing will be following the meeting. Bring a dish to pass, drinks, and your valve cover! There is plenty of picnic table seating in his building. Meet at noon, meeting at 1:00.

February Meeting: The annual fun Badgerland Christmas party will be on **February 11, 2016** at:
Revere's Wells Street Tavern
505 Wells Street
Delafield, WI 53018

We will have our own room, will be a home style buffet with ribs, chicken, veggies, potatoes, side dishes, salad, muffins, and unlimited soda for \$22/person. The club will pay the tax and the tip. Cocktails at 5:00, Dinner at 6:30, Gift Exchange to follow. Please contact Chris Connor at mikesfine56@gmail.com or call 608-274-6257 to let us know if you are attending. We have to have our counts to them by January 28th. Thanks to Todd and Shari Showers for setting this up for us.

Gift Exchange at the Christmas Party

If you are a first timer at the club Christmas party, you may need to know the details of the gift exchange. Each person attending should bring a wrapped gift. Keep in mind that when we do

Minutes continued:

the gift "game", your gift could go to a man or a woman. The gift can be just about anything. It can be a gag gift, something truck related, something new, something old, something you made, or whatever you want it to be. If you are buying something, we usually suggest not spending more than \$20. Everyone is given a number and as we proceed through the numbers, each new person can either steal an existing open gift, or open a new wrapped gift... and you can't have the same gift more than once in a round. See you there for good food and lots of fun!

March Meeting: Annual Winter Banquet. Jeff Mundt is checking on availability of a room at his work at the Harley Davidson dealer in Madison. We are looking for this to be either March 11th or March 18th. More details to come in the next newsletter.

April and May Meetings: Call Mike if you are interested in hosting the April or May meetings or if you just have an idea for a meeting location.

Motion to Adjourn: At 3:10pm by Mike Sonn. Seconded, by Roz Pribbenow. Motion Passed.

Club Membership Dues

It's that time of year again and annual membership dues of \$20 are due by January 31, 2016. Unless you are a Lifetime Member, please forward your checks made payable to Badgerland F-100s Ltd. to the club Treasurer:

Chris Connor
2315 S Syene Rd.
Madison, WI 53711

If you are interested in becoming a Lifetime Member, the cost is \$200 and you won't ever have to worry about remembering to send in your annual dues again. If you are a new member and have joined the club at the truck show in September 2015, or since then, and paid \$20, then your 2016 dues are considered paid. Remember if you pay your dues after January 31st, you'll have to pay an additional \$2 for each month that you are late. Thanks and hope to see all of you continue to be a part of a really great club!

Chris Connor, Membership Chair/ Treasurer Badgerland F-100's
