Updates

Hope everyone had a wonderful holiday and Santa remembered to put something in your stocking for your Ford truck! Now that we are into the snow and deep freeze season, here's some pics from some of our members.

Snow man guarding Wally Zeien's truck

Greg Masters got engaged to Carla Schleuter

Buck Guthrie almost took out Jan on this sled. He should really stick to vehicles with motors.

Ruthanne Fisher, our member who moved to Yachats, Oregon thought she wouldn't deal with snow again, but got this surprise after coming home from a Hawaiian cruise.

Roger McDermott spending some bonding time with his F-1

Santa Linskens making out his naughty and nice list. You know which one you are!

Club Meetings/Functions

January Meeting:

The meeting will be hosted on Saturday **January 21, 2017** by Diane and Randy Roelke at their home at S 8222 Dale Rd, Loganville, WI 53943. Call if you need directions, 608-544-3030. Annual valve cover racing will be following the meeting. Bring a dish to pass, drinks, and your valve cover! There is plenty of picnic table seating in his building. Meet at noon, meeting at 1:00.

February Meeting:

The annual fun **Badgerland Christmas party** will be on **February 11, 2017** at:

Revere's Wells Street Tavern
505 Wells Street
Delafield, WI 53018

We will have our own room, will be a home style buffet with ribs, chicken, veggies, potatoes, side dishes, salad, muffins, and unlimited soda for \$22/person. The club will pay the tax and the tip. Cocktails at 5:00, Dinner at 6:30, Gift Exchange to follow. Please contact Chris Connor at mikesfine56@gmail.com or call 608-274-6257 to let us know if you are attending. We have to have our counts to them by **January 28th**.

Thanks to Todd and Shari Showers for setting this up for us.

Gift Exchange at the Christmas Party

If you are a first timer at the club Christmas party, you may need to know the details of the gift exchange. Each person attending should bring a wrapped gift. Keep in mind that when we do the gift "game", your gift could go to a man or a woman. The gift can be just about anything. It can be a gag gift, something truck related, something new, something old, something you made, or whatever you want it to be. If you are buying something, we usually suggest not spending more than \$20. Everyone is given a number and as we proceed through the numbers, each new person can either steal an existing open gift, or open a new wrapped gift... and you can't have the same gift more than once in a round. See you there for good food and lots of fun!

March Meeting:

Annual Winter Banquet. We hope to have this either March 11th or March 18th. We are still looking for a place to have it where we can have our own room and bring our own food and beverages. We were not able to use the Harley dealer room. If you have a suggestion, let one of the officers know.

April and May Meetings: Call Mike if you are interested in hosting the April or May meetings or if you just have an idea for a fun meeting location. Mark Petrowsky if you are still interested in April let us know.

Club Membership Dues

It's that time of year again and annual membership dues of \$20 are due by January 31, 2016. Unless you are a Lifetime Member, please forward your checks made payable to Badgerland F-100s Ltd. to the club Treasurer:

Chris Connor
2315 S Syene Rd.
Madison, WI 53711

If you are interested in becoming a Lifetime Member, the cost is \$200 and you won't ever have to worry about remembering to send in your annual dues again. If you are a new member and have joined the club at the truck show in September 2015, or since then, and paid \$20, then your 2016 dues are considered paid. Remember if you pay your dues after January 31st, you'll have to pay an additional \$2 for each month that you are late. Thanks and hope to see all of you continue to be a part of a really great club!

From a 1970 F100 Ranger XLT: Was a CA truck until a few years ago:

For Sale:

#1) 360 FE engine in good condition (running when removed)

#2) 360 FE engine with recent rebuild puking oil into coolant (no coolant in oil) i would assume it is otherwise mechanically sound.

C6 long wheel base (fixed yoke), good operational condition, still attached to the motor.

For Sale Continued:

9" rear axle, 3.5:1 (from a '68) poor condition, sloppy input shaft. Otherwise not bad, never seen salt.

Front suspension in poor condition, needs kingpins and bushings, otherwise very clean, no rust.

Complete cab and hood from 1970- front drivers side mount is rusted out and some holes in floorpan/rockers but pretty good condition.

In cab gas tank, same. no leaks, CA emissions tubes.

both doors in good shape, various hardware

Hood is dented but relatively rust free.

1970 grille with some damage, pass side headlight bezel

complete 1970 ranger interior, shabby but trim in good condition

windshield trim ring (excellent cond)

drip rail trim ring (excellent cond)

back window glass, solid.

the frame has been cut off ahead of the axle to make room in my garage but if someone wants any parts of it to repair crash damage, or any of the brackets i would be happy to cut parts off for folks.

4 mismatch wheels and tires- hold air and generally roadworthy but i wouldn't go real far on them. Maybe good for a project or the paint booth.

I've parted out the complete 70 truck and I'm transferring parts onto my '68. I'm trying to break even off selling some of the very clean/valuable parts, trim etc. but everything else the price is inverse to how much room its taking up in my garage. The bigger the part, the more i want it gone! Prices figure somewhere north of scrap and south of eBay, probably closer to scrap.

Anything listed or not listed that you need, give me a call, doesn't hurt to ask. Also may be willing to trade for some things I need, a 28 spline posi in good/rebuildable condition, motorcycle/dirt bike parts and projects, 16 inch 5 lug steelies.
