Club Meetings/Functions:

APRIL MEETING MINUTES:

The April 21, 2018 meeting took place at Bob Meyer's garage in Waukesha, WI, after members attended the Midnight Hot Rods Open House & Car Show in Waukesha, WI. Thank you to Bob and his wife for hosting and providing a great lunch. The meeting was called to order at 2:20 PM with 18 adults and 2 trucks present.

Vice President: Welcome to Scott Jackson as our new Vice President. Scott reported that now that the weather is good, hopefully, everyone can get their trucks out to attend the many shows and events.

Treasurer's report: Chris Connor gave the Treasurer's report. No new members.

Secretary's report: Motion made by Wally Zeien to accept the minutes of the March meeting as reported in the newsletter. A 2nd to the motion made by Bob Kulinski. Motion passed.

OLD BUSINESS:

Dash to the Dells 29 (2018) Discussion:

Registration: Theresa Sonn had advised Mike Connor that there are currently 22 pre-registrations.

Door Prizes: Bob Kulinski reported that the amount of door prizes received matches up to where we were last year at this time. In addition to other items, LMC donated 50 hats and 2 gift certificates.

Trophies: Rick Pribbenow advised that 6 people have offered to make trophies, some making more than one. Rick will provide a list of which trophies have been given in the past. Mike advised that Diane Roelke had talked to him about some unique trophies she had seen a California car club give away at a show. Mike gave a list of them to Rick and asked him to contact Diane to discuss her ideas. She also said that they got sponsors for the trophies and could be a way to help pay for show expenses.

Baggo: Wally said we would probably go with 4 sets of boards again this year.

DJ – Randy Roelke said he contacted the DJ we had last year, and they will be checking their schedule. Randy will find a DJ even if it's not the one from last year.

Discussion on Support Group T-Shirts - Further clarification was given by Wally on what a Support T-Shirt is. It would have our logo on it but would say supporting the Badgerland F-100's Truck Club. Non-members could purchase these. This is still under consideration. No decision made yet.

Table for Door Prize for Dash 30: For those not at the last meeting it was explained that we had voted to go with the table and stools made by Chaseburg Mfg. for Dash 30. Wally advised that his place of work, Olson Electrics, would donate the cobalt blue powder coating for the table if we provide a sign recognizing them for the donation. Also, Rick Pribbenow mentioned that the table comes apart so you can store for travelling, etc. Table design to still be decided since this is for the 2019 show.

Club Meetings/Functions Continued:

NEW BUSINESS:

We lost Bud Stull of IL at the age of 82. He attended our show with his wife Darlene for a number of years. They won the Cheesehead award in 1998. Our sympathy and prayers to Darlene and the family. Greg & Kim Schneider and Greg Masters attended the visitation.

May meeting – There are many upcoming events going on in May. Last year, only 2 member families attended the Madison College Car Show and May meeting. The question was posed to the club whether we should skip a May meeting and have the next meeting be June 9th. Members can always connect with each other and attend some of the shows together, regardless of whether there is a club meeting. Rick Pribbenow made a motion to skip the May meeting, 2nd by Ros Pribbenow. Motion was passed with one opposed. There will be no official May meeting.

Open House at Driven Restorations July 14, 2018 - Rachel Hilgers invited the club to her new employer's open house in Randolph, WI. They'd love to see our trucks! She will provide more details at a later date.

Future meetings:

June 9 – Hosted by Chris & Leah Lemke in Suamico, WI

July 21 – Hosted by Greg & Kim Schneider in Roanoke, IL

Aug. 11 – Hosted by Roger & Barb McDermott at Lake Joy Campground in Belmont, WI

Sept. 14-15 – Dash to the Dells 29- Wisconsin Dells, WI

Other Business:

Upcoming Events - Mike Connor read off a list of upcoming shows/cruises/swap meets. Chris Lemke mentioned the "Wednesday Night Classics" website to find info on show/cruise information. Mike said "Hot Rod Radio" also provides this type of information.

Midwest F-100 Nationals in Clear Lake - Scott Jackson encouraged everyone to support and attend the Twin Cities F-100 show in Clear Lake, IA June 15-16. This year they are having a bus that will tour the Buddy Holly crash site location and the Surf Ballroom where his last show was. He and Nola are registered. Several other members are planning on attending as well.

Adjourn Meeting - Motion to adjourn the meeting made by Bob Meyer, 2nd by Paul Hilgers. Motion passed.

- Submitted by Jean Hilgers

June Meeting Info

Saturday, June 9, 2018

Chris & Leah Lemke's Home: 4054 Pine Lane, Suamico, WI 54313

Meeting to start at 11:00 am. We will be going on a cruise to a unique Harley Dealer in the area with a car museum, zoo, old machinery, etc. The plan is to be back from the cruise at about 2:00 for a cook-out and meeting. There will be burgers, brats and possibly a corn roast on the deck. He has a polka band coming from 3-7 to play and will have a bonfire and cocktails later.

Chris said he knows it's quite a distance to go to this meeting (near Green Bay), but we are going to have some fun! And besides, he turns 40 shortly before this weekend! If you want to spend the night and rough it, bring your tent as there is space available in his yard. He also indicated that the nearest hotel is about 8 miles away and is a Country Inn & Suites at 2308 Lineville Road in Suamico (may be referred to as Green Bay) 920-884-2000. Hotel rooms are a bit pricey near Green Bay. If a number of members wanted rooms, he could check on a group discount, but would need to know that ahead of time.

If you are interested in attending this meeting, please give Chris a call at 414-531-6406, or message him on Facebook **before June 1st** so he has a headcount for the food. If you are interested in having him look into a group hotel discount ahead of time, please let him know of your interest as soon as possible.

From The VP:

Hi Fellow Truckers-

It was nice to see such a good turn-out at the last meeting. Bob has quite the mancave. Thanks again, Bob, for hosting.

Well the weather finally got warmer and rained enough to wash away the salt. The last Friday in April, I prepped the '66 for the road. I drove it to work on Saturday and Monday for the first time, and it sure was nice to get it back on the road after the long winter. Well, enough about my truck. Let's get yours out on the road. If anyone needs help, call a member or two for assistance. Hope to see everyone at the June meeting.

— Scott Jackson

For Sale: 1955 Ford Panel Truck on a 1979 Ford Bronco stock 4x4 frame with good titles for both body and frame. Owner has owned the body since the 1975 (was a Calif. truck). The Bronco frame was purchased after the original frame was lost. The original idea was to emulate a military 4x4 ambulance. Either Ford 351 or 400 C.I. engine with C6 tranny. Rear leaf springs reversed on frame to extend wheel base 6" to 110". (Stock axle location is off-center on spring). Bronco front seat. No hood nor front fenders. The body is mounted on the frame and the engine ran a few years ago when it was last started. The truck has been stored inside a garage for most of its time the owner has had it, and is currently stored on a hoist in a garage, so the underside is very visible. The steering is connected but it isn't drive-able, as there aren't any drive shafts. There is a lot of rust but it's doesn't look like a lot of rust-thru. The front corners are rusted out but the front mounts are still good. Body work will be required. Asking \$500 for body and \$500 for 4x4 frame. Located in Waukesha, WI. Call Rex @ 262-542-4510 and leave a message if no one answers.
