April Meeting Minutes

The meeting/work party was held at the shop of Jeff & Crystal Mundt in Prairie du Sac, WI. There were 12 adults and 2 children in attendance and 3 ¼ club trucks. The hot ham and cheese dish and the spicy beans were prepared by chef Mark Favor and the dessert treats were made by Barb McDermott (early AM) and brought by Roger McDermott. Great food!

The meeting was called to order at 1:30pm.

Reports from Officers

Secretary – Rick read the minutes from March.

Treasurer/Membership – Mike read the balance of the checkbook. Mike said he received another \$100.00 from Bruce & Darla Bordner for the frame project – Thank you. At this time there were no new club members.

Vice President – Dave spoke of the Matt Kenseth collectible cars up for raffle to raise money for the giveaway frame. The cars were donated by Todd Showers and cost was \$5.00 per square (call or see Dave for any open squares left). Dave noted he will add Bruce & Darla Bordner's name to the board for their generous monetary donation.

Dave said he has received 14 pre-registrations for Dash 20 so far. He encouraged all members to get their registrations in early.

President – Mike asked for any old business to be discussed.

OLD BUSINESS

Dash to the Dells 20

Mike said the rooms and the tent were under contract with the Great Wolf. We still don't have a food contract as yet. We are checking other alternatives. Beg letters are available at the meetings or contact Rick Pribbenow. He asked that we work hard to get door prizes. Mike also told members to see Wally for making trophies-Wally has a list to choose from or you can make up a new one.

April Meeting Minutes...continued

Reminder: The May meeting will be at Boondocker's Car Show on Saturday, May 9th and after the show we will all go to Todd & Shari Showers' house.

The June meeting needs a host.

The July meeting will be in Illinois – no date set yet.

The August meeting will be hosted by Rick & Lisa Linskens.

Mike then asked if there was any other business. Hearing none we moved on.

The giveaway frame will not have air suspension. All suppliers contacted have declined. Plan B will be coil spring suspension. Todd Showers will donate front coil springs.

Todd Showers says "Thank You" to the many babysitters today.

- 01/10** Club meeting with 10 ¼ attendees (Paul Hilgers, Mike Connor, Rick Pribbenow, Dean Malin, Dave Farmer, Wally Zeien, Jeff Mundt, Chris Connor, Mark Favor, Chuck Blanchard and Vanessa Blanchard). All of us worked on grinding welds, holding and clamping metal for Chuck to weld and drilled holes. Some of us helped Jeff remove his truck box, drive shaft and transmission in preparation for his newer 5 speed conversion to his flathead motor.
- 01/24** Dave Farmer, Mike Connor, Chuck Blanchard and Rick Pribbenow met at Jeff Mundt's shop to tackle some more welding, grinding and fitting of donated parts courtesy of Heidt's Hot Rods all in preparation for the January 31st frame work party.

- 01/31** Roger McDermott, Les Berg, Rick Pribbenow, Dean Malin, Dave Farmer, Mike Connor, Chuck Blanchard and Dale Barrette came to work on the frame, helped install Jeff Mundt's clutch and readied the 5 speed transmission for installation into his '50 F2. Les Berg, one of our newest members came up from Rockton, IL and helped Mike on the frame by grinding and fitting boxing plates for the passenger side. Chuck burned in the driver's side plates while the passenger side plates were prepped and primed by Mike.

Nick and Mike chipped in on Jeff's truck and installed electronic ignition components.
- 03/27** Chuck Blanchard, Mike Connor and Rick Pribbenow worked on the frame welding in blocks, drilled and tapped holes for the rear cab mount supports and performed any miscellaneous welding needed. After careful measurement, we found that the polished stainless 4-bars were too long. Mike will be talking with Heidt's.

Frame Log 2008/2009...continued

04/04 Mike Connor and Rick Pribbenow road tripped to Pell Lake to talk with Wally's neighbor/friend Doug Karow, about how he fabricated his own stainless front sway bar on his Model A and discussed any ideas we had for the front/rear sway bar set-up on the frame the club is building. Doug donated some stainless round bar, tubing and bushings to build our rear sway bar out of. Doug is quite the fabricator and has endless ideas.

04/10 Mike Connor and Rick Pribbenow made a special trip to Heidts Hot Rod Shop to drop off the polished 4 bars to be shortened. While there, Mike and Rick took a tour with Mark O. of Heidt's shop and found it to be quite interesting.

04/17 Mike Connor and Chuck Blanchard fit and weld the 4 bar brackets to the 9" rear end housing to make ready for the next day's work meeting. Heidt's sent us the corrected polished 4 bars to install.

04/18 Meeting/work day with the club members: Todd Showers and his 2 kids Nick and Sidney, Mike Connor, John Freepartner, his friend Larry, Roger McDermott, Dave Farmer, Rick Pribbenow, Mark Favor, Rick Linskens, Nada, Wally Zeien, JPJ Zeien. We squared, fitted and welded.
