# CLUB NEWS

Twin City F100 Truck Club sent us some flyers for the Midwest F100 Nationals happening June 13 & 14. If you would like one, see Rick Pribbenow at the Boondockers meeting May 10<sup>th</sup> or ask to have one mailed to you if you're thinking of going to their show. Thank you to the Twin City F100 Truck Club for inviting us.

Badgerland Mustang Club sent us a couple of flyers for an upcoming All Ford Car & Truck Show at Ballweg Ford in Sauk City, WI on July 5<sup>th</sup>. Anyone interested can contact Rick Pribbenow by phone, email or club meeting and I will get you a copy. Thank you to the Badgerland Mustang Club for inviting us.

## Happy Retirement Mike!

This note was mailed to Chris Connor recently:

Chris,  
Here's my '08 dues. I just retired after 37 years with the Post Office, so hopefully I'll be around the club more in '08.

BCNU  
Mike Kasel

# April Meeting Minutes

The April meeting was held Sunday, April 13<sup>th</sup> at the home of Mark & Cindy Favor in Viroqua, WI. We had 1 truck and 13 adults in attendance. A fantastic meal was enjoyed by all. The guys talked shop in Mark's shop. We got a sneak peak at the next truck project. Thank you Mark & Cindy for hosting!

The meeting was called to order at 1:02pm.

## Reports from Officers

**Secretary:** Rick read the past meeting minutes from March.

**Treasurer:** Chris informed the club of the current checkbook balance.

**New Members:** No new members at this time. Greg Schneider, Andy Meysembourg and Jim Titus recently became lifetime members. Members who did not re-new their membership will now be cut from the newsletter as of the May 2008 edition.

**Vice President:** Dave reported his back was hurting.

**President:** Mike asked if there was any old business to discuss.

## OLD BUSINESS

Dave touched briefly on the club shirts. He will get ready some pictures for the newsletter to show the styles along with an order form. Hats were discussed as a possibility as a "for sale" item at the Dash.

### **Dash 19:**

**Registrations** (Dave & Julie Farmer) – We have 17 registered so far.

**Door Prizes** (Rick & Ros Pribbenow) – We have mailed 147 beg letters, 6 came back, 2 re-addressed and re-mailed (4 were re-addressed and re-mailed after this meeting). We have had a pretty good response so far from the vendors contributing to our show. Ros and I are currently logging items to keep track of them.

**Promotions** (Roger McDermott) – Mike suggested help may be available from the past chairs – Trevor Rush or Dean Malin for any questions etc.

**Trophy Chair** – None yet. We need a club member to step up for this position. Any takers?

**Racetrack** - Dells Raceway Park has agreed to reserve Friday afternoon, September 12<sup>th</sup> for the same price as last year.

**Photos** – Photos of members with their trucks can be given in person or emailed to Rick Pribbenow.

Newsletter response is good.

Mike asked for any other old business. Hearing none, he proceeded to tell us of the "Thank you" from Donna Williamson for the thoughtfulness of the club and its members for the memorials received.

## NEW BUSINESS

No new business.

**Reminder: GET YOUR RESERVATIONS IN FOR DASH 19!**

Motion to adjourn by Julie Farmer and seconded by Ros Pribbenow. All were in favor-unanimous. Meeting adjourned at 1:35pm.

# The Next Meeting ...

The next meeting will be held at the **BOONDOCKER'S Car Show**, at 1:00pm on Saturday, May 10<sup>th</sup>. Show runs from 9am to 3pm with trophies awarded at 3pm.

**From Madison** – take I94 East to Ixonia/Hwy F exit. Turn right and go south to Hwy B. Turn left and follow to Concorde House.

**From Milwaukee** – take I94 West to Ixonia/Hwy F exit. Turn left and go south to Hwy B. Turn left and follow to Concorde House.

## Club Photos

# From the President

It's been a rough winter for everyone, and spring has not been much better. Just ask Greg Masters about the "swamp meet" in Jefferson! History was in the making. Through snow, cold, rain and dust bowl we have always managed to stay the whole weekend in our swap space. But it was the first time ever, that I didn't even try to get my parts to our swap space (Lake White Field), and Greg gave up on Saturday and went home. Sure hope its better next year.

Well on the bright side, we had a wedding in our family on a sunny Florida beach a couple of weeks ago. I definitely would have rather rode there in the F-100 than flying in a plane--- but not enough time. Here's a couple of pictures of our daughter Megan and her husband Chuck Blanchard on their big day:

The dads had fun at this wedding too! All in all everything went pretty well. 80 degrees in the sun is better than fighting the rain and snow at home!

## From the President - continued

After our big day, of course we had to spend a few extra days enjoying the nice weather down in Florida. We left Jacksonville and headed south through St. Augustine, Daytona Beach all the way past Cape Canaveral to Cocoa Beach. Of course we went to the Daytona 500 track, drove on the beach and all the other stuff good tourists do! On the day before we left, we happened across this sort of "rough" looking panel for sale. The guy only wants \$500. If you want more info call or email me and I can give you his number.

Well, it's about that time to get out the truck and make sure it is ready to roll down the road--- Knoxville and the Supernationals are only a couple of weeks away. I spent most of the last few months working with Sean on his 59 thunderbird, instead of my truck or panel, so no air conditioning for this trip again! Someday!

Hope everyone else got some work on their projects between snow shoveling and will see some more trucks on the road this year. So bring it out to the next meeting at the Boondockers show May 10<sup>th</sup>.

See you there-

Mike

# From the Vice President

Dear Truckmeisters,

Once again I find myself struggling to find time to get a letter ready for you to peruse. The positive feedback I have gotten from a few of you makes me want to do more for you but alas, even a king has his limits. I'm finding myself so busy I barely have time to have a beer. Fortunately I've learned to prioritize a little, and have managed to down some suds. Due to my ever increasing workload I have issued a new decree. To help lighten my load and share the spotlight, I will begin naming a member "King for a Month." They will be chosen for whatever reason I deem, and will have the honor of using my royal scepter for that month. The first member to be awarded this honor was Rick Pribbenow, although with his Golden Bullet the scepter may be overkill. This should help me worry about some other things, like the fact that our computer has crashed and I can't send or receive e-mails, and I was unable to prep the shirt info before the crash, or how I need to work on the '48 some more yet, and finish up redecorating the kitchen and bathroom before graduation, which means I need to think about whatever else we need to get done on the house, and the menu, and I have two pictures to frame, no wait five pictures; pictures, oh yeah, finish the show art...art, I have a logo to design yet, and I should call Mike since we still need a trophy chair; chair, oh yeah I need to glue that chair, glue, cut, drive, fix, must....oh no! BOOM!!!

Too much to think about, my head just exploded!!!

Dave Farmer  
Vice President

# In the Garage

Fellow members:

Well, it's time to retrieve the trucks from storage if you haven't already and do your annual maintenance, wash, wax, change oil, tune-up, pack bearings, check brakes, etc. The list is endless to get ready for the season, especially anyone considering any long hauls like the Supernationals or Hot Rod Power Tour. Safety is of utmost importance. Some of these maintenance items can enhance your fuel mileage also. With gasoline fast approaching \$4.00 per gallon, it pays to have your trucks in top running condition. Yes, I know we are all thinking about the price at the pump, but let's get out and continue to enjoy our trucks by driving them.

As always, your club members are a great source for information, locating parts or a helping hand. Call one sometime or arrange for a work party. You'll be glad you did!

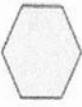

See you down the road!

Rick Pribbenow

# Tech Corner

At one of the last meetings, I was handed the following article to share with our members:

Here's a chart showing the strength and torque specs for different grade bolts. The strength loads are for pounds of force ( or weight ) that the bolts should hold without breaking. This is a straight line load without any lateral shearing force. Fine threads are not cut into the bolt shaft as deep as coarse threads enabling them to hold more weight. Notice that four of the lowest grade 1/4-20 bolts will hold over 8,000 lbs. That explains why you can safely lift a 500 lb. engine with a carburetor lift plate.

Bolt Diameter	Thread Pitch	Low Carbon Steel  Grades 0, 1, 2 - 65,000 psi		Medium Carbon Steel Tempered  Grade 5 - 120,000 psi		Medium Carbon Steel Quenched & Tempered  Grade 6 - 140,000 psi		Med. Carbon Steel Alloy Quenched & Tempered  Grade 8 - 150,000 psi	
		Strength	ft.-lbs.	Strength	ft.-lbs.	Strength	ft.-lbs.	Strength	ft.-lbs.
1/4"	20	2,070	5.5	3,800	9.7	4,450	11.0	4,750	11.5
	28	2,370	6.0	4,350	11.0	5,095	12.0	5,450	13.0
5/16"	18	3,410	10.0	6,250	18.0	7,335	20.0	7,850	21.0
	24	3,780	11.4	6,950	20.0	8,130	23.0	8,700	24.0
3/8"	16	5,040	21.7	9,250	39.0	10,850	43.0	11,600	45.0

## Parts Wanted

Wanted: 1954 F100 front fenders, running boards and a seat.  
Call Floyd Johnson at 608-654-5990

## Misc. For Sale

For Sale: 4 vintage gas pumps

#1 **Bennett model # 788 (1956)**, this is a commercial pump, no meter, rare and unusual pump. They were used at truck stops or trucking companies that did not need to know how many gallons were delivered.

#2 **Gilbarco Model # 96 (1936)**, it is about 6 foot tall. A little surface rust no major dents or rust.

#3 **AO Smith model # L-1 (1946)**, this pump has had all the pump stuff removed from the inside. The computer is still in it. This is the most art deco pump I have. It would make a great pump for the man cave.

#4 **Bennett model #3136 (1960-1970s)**, this is like the one we all used to buy gas from. Good condition.  
Call for more info, Dean Malin (262) 275-8397 between 6-9 pm weekdays or any time on the weekend.

## Going Out of Business Sale

Racing Collectibles of 6 W. Fulton St., Edgerton, WI, is closing its doors and all inventory of collectibles, Racing Die-cast and miscellaneous items must be sold. Other items to be sold are showcases and other possible store furniture.

Contact Ruthanne Koeshall at 608-921-1838 for more details.

**Wood & Parts**

Manufacturer and Supplier of Parts for Customizing and Restoring Your Pickup
