Old Business

Website: <http://www.badgerlandf100s.com>. The website is back up. It has some of the old info that was on it before it went down, but also contains a link to the Dash 17 flyer. Let's give Sean some suggestions on what we want to see on our website. Do you want your classifieds from the newsletter on the website? Let Sean know. Trevor Rush has volunteered to help Sean as well.

Trailer: Mark Favor has purchased the trailer spare tire and mount. Bob Roberts has donated a spare tire cover for the trailer also.

Dash 17: Dave Farmer reported that as of the meeting, we have 23 pre-registrations. Registration forms were available at the meeting. Also a reminder to everyone that people receiving the newsletter electronically can print the form from the website to register. Lori sent a registration form in the last newsletter to all mailed members. Everyone is encouraged to get their registrations and room reservations taken care of early this year! We still have 55 rooms to reserve at the Copa and we must reserve 20 more. The cut-off is August 1st. **Call today for reservations 1-800-364-2672 and make sure you ask for Badgerland Group rooms. Hotel update:**

There are also some rooms reserved at the *Ramada* hotel for our club (located off of Interstate 90/94 Exit 92) the telephone number to make reservations is (608)254-2218.. Please take a moment to look at the enclosed flyer that I received in the mail today. I thought I would attach it for your viewing pleasure. The letter that came with it has also mentioned that they have "installed Serta Emerald Plush mattresses in all standard rooms and microwaves and refrigerators in all rooms. In addition, high-speed wireless internet is now available throughout the hotel!"

Artwork: Dave Farmer had the finished artwork at this meeting. It was passed around for all to see. It was very nice.

Traveling Trophies: Mike Connor has received the name tags for the traveling trophies. If you are a recipient please contact Mike.

Club Participation Trophies: Mike Connor passed around the Club participation trophies for all to see. They were from the Supernationals and from the Midwest F100 Nationals. The Supernationals plaque is on display at Nick Peiffer's garage, and the Midwest F-100 Nationals plaque will be at Jeff Burnett's shop. CLUB ALERT- Are you interested and could use this discount?

Mike Connor received a letter and a 15% discount coupon from Allis Machine in West Allis, WI (near Milwaukee). It was not a solicited door prize for the Dash. They were sending it to our club in recognition of our dedication to our hobby. The discount was for engine machine work, parts, etc. We decided that we would see if any club member could use this discount to get their truck on the road. If no one has a need to utilize this coupon by September, we will use it for a door prize. Please contact Mike Connor if you are interested.

Ideas of things to do as a club

- ◆ Start thinking of where to hold an Annual Picnic.

- ◆ Who would like to get the Spring Run going? Okay, so it may be too late for it this year....think about it for next year.

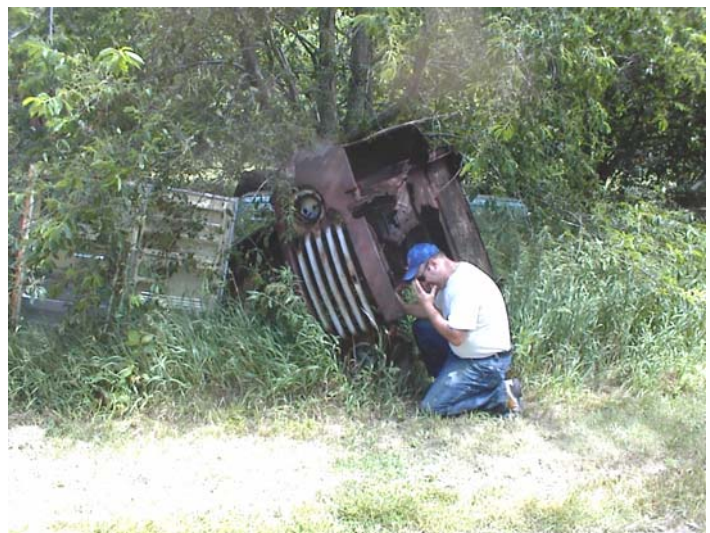

- ◆ Who would like to have the first (of many I hope) monthly truck work get together?

From the President's Corner:

Mid May, 7 days, 2400 miles, return. June 9th & 10th, Winona, 500 miles. June 11th, Verona and Quaker Steak and Lube, 50 miles. June 17th, junkyard run and meeting at Greg Masters, 500 miles. Spending time with other Badgerland members on the road priceless! Take out your truck and play with it.

The junkyard tour was beyond my expectations. It's pretty special to get a private showing of a private scrapyard and talk with the owner about the various racing enterprises he's been involved with. Here's some pictures from our time spent there. You'll especially enjoy the one of our Vice President! Also, you can see that the Illinois members have the Holstein cow syndrome, where they all go to the back of the lot and stand under a tree. See you on the highway.

Mike

On The Road Report

----- By Chris Connor

We were putting miles on the Effie again in June, but this time we were headed north to Winona, Minnesota to see all our good friends at the show sponsored by the Twin Cities F-100's. We left Friday morning after meeting up with Dean and Deanna Malin, and Ruthanne Koeshall. We headed up the interstate and soon lost sight of Ruthanne in the rear view mirror. Later at a pit stop, we found out that her speedo is really off. She thought we were flying at 85 mph, when in fact we were only going a mere 72 mph!

We had a nice time at our lunch stop at an old fashioned A&W in Sparta. Here are a couple of pictures:

After arriving at Winona and checking into our motel, we headed to the park for registration and the Friday cruise to Wisconsin of all places! We had about 11 trucks on the cruise and Badgerland was well represented. Besides our 3 trucks, Nick Peiffer, Rich Linskens, and the Burnett gang enjoyed the cruise to some locks along the Mississippi River, a park up on the bluffs, and an old bar in Fountain City. Here's a picture of us parked alongside the road where we went to view the locks.

After the cruise, a bunch of us went out for supper at the Green Mill, and of course gave our waitress a really hard time! The rain, thunder and lightning soon came upon us, so not much time for any parking lot talk at the motel on Friday night. And it was really cold! Ask Rich Linskens who didn't bring a jacket!

Saturday, we enjoyed the show, subs for lunch, and another cruise to Wisconsin.

The Badgerland F-100's of course took the Club Participation Award again this year and some of our members took home some nice plaques and trophies. Bob Roberts was sporting some new fur in his bed that got him two trophies, including the Mayor of Winona's trophy. Deanna Malin won the youngest trucker, Nick Peiffer won Participant's Choice, and Rich Linskens won the best tailgate award.

Here's a couple of pictures from the awards (sorry Deanna, we didn't catch you with your trophy):

Rich Linskens

Bob Roberts

Nick Peiffer

We said our good byes to everyone, as well as fellow members, Floyd & Rita Johnson, and Mark & Cindy Favor, and headed back to Mad City on Saturday night.

P.S. Rumor has it that we may be traveling to Iowa next year instead of Winona. We'll have to wait and see where the Midwest F-100 Nationals decides to go.

If you've been "On the Road" with your Effie lately, and want to share a story, please get it to our newsletter editor. Hope to see many of you "on the road" at the next club meeting!

Please note that unless I receive a telephone call or an email message your ad will be in here for three months.

These ads will all disappear after the July issue unless you notify me!!!
