No Meeting In September or October

There was no September meeting as Dash to the Dells 25 was going on. We were working on a meeting for October possibly in Illinois-seems no one can host. Next meeting will be in November at Bob Meyer's.

Thank You

Well, another Dash to the Dells is in the record books. This year was our 25th Anniversary! It's hard to believe that this show has been going on this long. We had loads of fun starting with the set-up of the registration/door prize room on Thursday afternoon/evening. When the work was done we made a circle of chairs and talked about Dashes gone by and some of the stuff that was done at previous Dashes along with a few drinks during story telling. Time on Friday was spent getting most people registered before the cruise and then going on a short cruise. A boat ride was scheduled but because the weather was cold and rainy, it was canceled. We had fun anyway. We set up Friday night to be ready for the show starting Saturday morning. Then a few sips later (and during), a fire in the fire pit was in order in the parking lot. A lot more stories were told until the last man/woman standing went to their room. Then Saturday came and the show starting filling up with multiple colored and kinds of trucks, hot rods and a few cars along with families, friends and new acquaintances. We played Baggo, drove in the valve cover and hot wheels races, enjoyed our DJ and his music, gave away scads of smaller door prizes, ate a good lunch, looked at countless vehicles, talked with our friends and at the end gave away some of the biggest door prizes ever-like a new complete bed kit from Bruce Horkey's Wood & Parts, a Miller welder, a large gift certificate from Fat Man Fabrications, a home-made TV stand from Randy Roelke that looked like a miniature truck box and much, much more. I can't even remember all the stuff we gave away. It was a fantastic time! And, later, after the show Saturday evening, we had another fire and some more liquids where some of the fire pit crew even drove a tricycle (not your normal tricycle) and made most everyone laugh! So, to sum it up, it was a heck of a fun weekend! What made it fun was friends and family. I'm glad everyone had a fun, safe weekend and we'll look forward to next year!

Thank you to all the donators, volunteers/club members, friends and club officers who make this show possible. Without each of you doing your part, big or small, this show would not be possible. Thanks for another great Dash!

For Sale: 1972 Ford F-100 Custom originally from Oklahoma. Odometer reads 66,300 which are actual miles (miles will be added as truck gets driven). Has had a body-on restoration. Body is rust free and was completely refinished, re-painted and rebuilt by previous owner. Paint has its share of blemishes and is not perfect but a real nice looker. It has a .30 over 460 Lincoln Mark IV motor (rebuilt with approximately 8K per former owner) backed by a C6 automatic transmission (also rebuilt with approximately 8K per former owner) and 9" Lincoln Mark IV rear end with 2:75 gears (great cruising gears). This F-100 has 4 wheel power disc brakes, power steering and add-on A/C that is nice and cold. Interior is all redone in nice custom red cloth, seat, door panels, headliner and carpet. It has been lowered professionally 5" in front with dropped beams and 5" in the rear with flipped axle on top of leaf springs with a C-notch professionally done in the frame. It also has aluminized dual exhaust w/smithy's along with brand new 15" American Racing Torque Thrust II polished wheels on brand new Cooper Cobra Radial GT tires, LED tail lights, third brake light, tinted windows, Grant steering wheel, door poppers, frenched power antenna, hidden hitch (behind license plate, Pioneer CD stereo and re-located fuel tank. Recently added were a new battery and new fuel pump. This truck is straight and clean and has driver quality paint and is ready to drive anywhere. Asking \$12,500 or B/O.
