May Meeting Minutes

Badgerland F-100's Truck Club

May 2015 Meeting Minutes:

The meeting was held on Saturday May 9th, in conjunction with the Pride in Your Ride car show hosted by the Auto Body Class of Madison Area Technical College. It was called to order at 11:05am by President Mike Connor. Present were 18 Adults, no kids and 12 trucks.

Vice Presidents Report:

Dave Farmer continued the discussion of members obtaining coats and or shirts with the club logo embroidered on them. He passed around his own coat as an example. This was a black Dickies brand coat which can be ordered online for \$35 to \$40. Cost of embroidering which the club could help make arrangements for, \$5 for your name, \$12 for the club logo on the front and \$20 for the club logo on the back of the shirt or jacket. Cost of the Dickies shirt is approximately \$22 with three color choices of gray/black, red/black or blue/black.

Treasurers Report:

Chris Connor reported the balance of the club check book. She noted that in compliance with state law she had filed the necessary tax forms for the club with the IRS and State of Wisconsin. Chris reported that she had been notified that the IRS computer security had been breached and the clubs username and tax ID number were part of the records that had been exposed, however there was little immediate danger to the clubs financial position.

Secretary's Report:

Rachel Hilgers read the minutes of the April Meeting. Dave Farmer made a motion to accept the minutes as read. Motion seconded by Mike Sonn. Motion passed.

Members:

No new members to report however members Chris and Lea Lemke were in attendance and welcomed for their first Badgerland meeting. Chris Connor noted that the newsletter would no longer be sent to those former members who had not paid their annual dues.

Dash 26:

Wally is still looking for people to sign up to make trophies and he still is not telling anyone what trophies he plans to make. Preregistration for Dash 26 is at 25 and nothing heard yet from Randy Roelke regarding the DJ.

Chris Connor has been in contact with Rick Linskens regarding the menu for Dash 26. Rick is leaning towards hot turkey sandwiches for this year.

May Meeting Minutes...continued

Other Business:

Dave and Wally reported on their attendance recently at Torque Fest in Dubuque, Iowa. This show was attended by several members and enjoyed by all.

Mike gave a listing of upcoming events. He and Chris are planning to attend the Ozark Mountain Run show in Branson, Missouri, July 10-12 if anyone else is interested. This show is now put on by a different group of people than the Show-Me F100's.

June Meeting:

Will be held on Saturday June 13th in Illinois but the specific location is not yet determined. That evening however, Greg Masters will be having a bonfire/music at his place for all to join in and or camp for the night if you'd like.

July and August Meetings:

No site determined yet.

Motion to Adjourn:

At 11:35am motion to adjourn by Rob Himmelman. Seconded by Chris Lemke. Motion passed.

May Meeting Photo

Membership Reminder – Club Dues

This will be the last newsletter for those of you who forgot to pay your 2015 membership dues. Please get your dues to Chris Connor ASAP so you can keep being a member of a great truck club.

The Next Meeting Is Saturday, June 13th

The next Badgerland F-100's meeting will be on Saturday, June 13th at the home of Keith Barth and family in Toluca, IL. Lunch will be at 12:00 noon and the meeting will start at 1:00. Keith will provide hamburgers and brats if people can bring a side dish to share. Remember to bring your own chairs and beverages. The Barth's address is 2353 E. Pattonsburg Road, Toluca, IL 61369. Use Google Maps or Map Quest for directions.

Club Jackets/Shirts

These are Dickies brand items and are available for purchase from Farm & Fleet or on line at Dickies. Email or call Dave Farmer for details on embroidering with your name and Badgerland's club logo on shirts/jackets like these or choices of your own. Check May meeting minutes for prices. (Photos courtesy of Bob Meyer and Dave Farmer).

New product of the year
2000

VISIBOLTS® is a trademark of Classic Safety Products, Inc. US patent D422202.

All Visibolts® are solid Stainless Steel and:

- Have clear, flush lenses and appear stock unit.
- Require only one wire hook-up (self grounding).
- May be used with the dual brightness modules™ that allow your Visibolts™ to operate at two brightness levels for marker and stop/turn enhancement.
- Require no harness modification, simply tap into desired source.
- Produce no heat, draw miniscule power and are vibration proof for long distance service.
