And Now, A Word From Our V.P.

Dear Badgerland-alairians,

I've really been putting the miles on this year. I drove down to Iowa for Torquefest with Floyd in his Uni and Wally in the Beast as well as a couple of his friends from the Waukesha area. We saw a lot of neat stuff as well as some familiar faces...Randy and Diane Roelke, Randy Martin, Jeff Zizzo and his clan and Greg Masters and his girlfriend on his bike. One of my favorite hot rod artists is from Iowa and always has a booth. His name is Todd C. Jones and is a fantastic artist as well as a hell of a nice guy. Check him out on Facebook some time.

The president and I drove down to Illinois for the June meeting and discovered an interesting fact. Keith Barth's house is so hard to find even he doesn't know how to get there. We had to stop and get an oil change before we finally found it. Fortunately, Greg Schnieder brought some of Kim's famous Jello salad, so that eased the pain. We made stops at Schnieder's, Jackson's, and the Truck Farm also while there. On the way back we made a stop in Rockford to get Steak 'N Shake for Sean. By the time I got home it was 11:30pm.

The next big trip was Father's Day weekend. Julie and I loaded up Stubby and left Thursday morning for St. Paul, MN for Back to the Fifties. This is an absolute mind blower of a show. It takes place at the state fair grounds and had over 13,000 cars and trucks this year. We got into the show Friday morning and started walking, there's a lot of that. After about an hour we ran into my Uncles and Ken Roelke. Two hours later we bumped into Torger Mikkelson on our way to meet up with Randy Roelke. The Roelkes make this a big family weekend every year with a large group of the family attending as well. Rick and Ros came up as well as Mike and Chris Connor. We ran into Bob Thies late that evening with his daughter. I'm planning on staying all weekend next year! It rained Saturday morning until about 9:00 am and I managed to develop a head cold overnight. We were planning on leaving in the early afternoon anyway to go visit my folks in Cornell so we decided to get an early start over. We headed out around 10:30 after checking in with the Roelkes to thank them for their hospitality the previous day. We managed to avoid rain most of the way over and had a really nice visit. It was also nice to be able to spend some time with my Dad on Father's day for a change. After breakfast, we loaded up and headed to Viroqua to spend some time with Julie's Dad as well. All told we put 720miles on that weekend with no real troubles. Right now I've got Stubby up on the stands going over things and trying to fit some headers in there. It's pretty tight so wish me luck!

On a final note we nailed down accurate pricing for the new club shirts at \$55.00 and the coats at \$70.00 for completed pieces that have front and back logos as well as your name. I will be coordinating the orders, so talk to me at a meeting or call or e-mail for more details. I was mistaken about size availability at Farm and Fleet. They don't have anything larger than 2XL so anything larger has to be ordered from Dickies directly. They offer free shipping on orders over \$75.00. I have a batch in the works that I hope to have ready for the July meeting. Those of you that haven't seen them yet will have better opportunities and those of you that have already ordered, thanks for your patient waiting - I appreciate it. You can also provide me with a coat or shirt of your choice to be embroidered at a cost of \$30.00. Well, I think I've made up for skipping last month so I'll sign off and say, "Drive 'em if you've got 'em"!

1948-1972 Ford F-100 Truck Show

September 18-19, 2015

Dear Friend of the Badgerland F-100's:

On September 18th to 19th, the Badgerland F-100's Truck Club will hold its **26th Annual "Dash to the Dells"** in Wisconsin Dells, Wisconsin. We anticipate as many as 150 or more Ford F-100 pickups and panel trucks that range primarily from 1948 to 1972 vintage. These vehicles vary from totally stock to fully customized and arrive from all over the United States and Canada.

The "**Dash to the Dells**" has become one of the most talked about shows in the Midwest! It is also the 12th year that we've added the "**Unofficial Panel Nationals**" to our show welcoming all brands of panel trucks.

As part of planning this event, we are looking for your help in providing door prizes or gift certificates for our show. Door prizes are given away to participants through random drawings during the event. We also provide a "goody bag" to each participant. This is an excellent opportunity to publicize your company and its products or services to a large audience of classic truck lovers. Our guests spend large sums of money to personalize vehicles to their own liking and we'd like Your Company to be the first one they think of!

Vendor name recognition is a powerful sales tool. We can help make that happen for your company when it is mentioned at our awards ceremony and also prominently posted at our show location for all attendees and the general public to see. Your donation is what helps to make our show successful and your generosity provides our guests with some cool stuff to take home! If you have supported our show in the past, we would like to take this opportunity again to say "**Thank You**", and hope that you will continue to support our show and hobby in the future.

We look forward to hearing from you and would appreciate anything you may be able to do for us. We gladly welcome vendor booths at our event as well. If you have any questions regarding the event, please contact us.

Thank you for your time and consideration.
