## AUGUST MEETING MINUTES:

The August 11, 2018 meeting took place at the home of Barb & Roger McDermott's summer camper/cabin at Lake Joy. Thanks to Roger & Barb for being great hosts! The meeting was called to order at 1:52 pm with 23 adults, 2 children, 4 trucks and 1 Jeep present.

**Vice President:** Scott Jackson reported it was nice to see a good turnout at this month's meeting and it was hard to believe that our show is only a month away!

**Treasurer's report:** Chris Connor gave the Treasurer's report. Not many expenses for the show have been paid for yet. No new members.

**Secretary's report:** A motion was made by Mike Sonn to accept the minutes of the July meeting as reported in the newsletter. A 2<sup>nd</sup> to the motion made by Scott Jackson. Motion passed.

## OLD BUSINESS:

Dash to the Dells 29 & 15<sup>th</sup> Unofficial Panel Nationals Sept. 14-15, 2018

- Flyers were available at the meeting
- Registration: Theresa Sonn reported 69 Pre-Registrations with 71 trucks.
- Door Prizes: Bob Kulinski reported that we were about where we were in previous years for solicited door prizes from vendors.
- Trophies: Rick Pribbenow reported that there are now 25 trophies being made by various people (some members doing more than one). Greg Schneider will be making the Kid's Hot Wheels trophies and all the valve cover trophies. Trophies requiring voting are Ladies Choice, Kid's Choice, Participants Choice – Panel, and Participant's Choice (ballots will be made by the Registration Chair)
- Food: We will be having pretty much the same menu as last year.
- Volunteer list: The list was circulated at the meeting. There were still open slots that needed to be filled. Let Mike Connor know if you want to volunteer for any open duties.
- Baggo: Wally had advised us that he would need 3 more sets of Baggo boards at the show and would prefer the vinyl faced type like he made for the club, so all boards play the same. The Hilgers and Roelkes will make theirs available. Still need one more set.
- Jean Hilgers will be in charge of Kid's Games/Hot Wheel Racing and Megan Connor will be in charge of the valve cover races.
- DJ: Randy Roelke reported that he has secured the same DJ as last year for the same price.
- Great Wolf hotel rooms: Chris Connor reported that we have filled our required quota for room reservations, but there were still rooms available in our room block.
- Show area at the Great Wolf: Mike reported that he was at the hotel and checked on the clean-up of the stuff stored at the outlet mall end of the parking lot. Much is gone, but they still have a semi-trailer and a few piles of things stored down there. We have asked for pallets to be removed off the lot, as well as weeds along the perimeter and islands of the parking lot to be cut. Mike also reported that a new hotel is being built between the Great Wolf and Buffalo Phil's and we can no longer use the lot below the show for trailers. We are having a discussion with the hotel on where they will park. Signs will be posted at the show entrance that no trailers will be allowed to park in the show area (due to space needs).
- Hilgers will provide their firepit.

## NEW BUSINESS:

**Dash 30 Giveaway Table/Stools:** Rita Johnson called Mike & Chris Connor about the table/stools that the club had decided on to give away at Dash 30 (2019). Due to tariffs and steel prices, they want to make our stools along with others they are manufacturing very shortly. The table will be made at a later date. We need to make a decision on the design for the back of the stools at this meeting. There was a discussion on what design we wanted. Suggestions were the Ford emblem, F-100 emblem, F-100 truck pictures, or the Badgerland Club logo. Motion was made by Paul Hilgers and 2<sup>nd</sup> by Randy Roelke to put the club logo on the stools. The motion was temporarily tabled while we passed around artwork options previously provided by Floyd Johnson. Later in the meeting the motion was brought back to the table and passed to use the Badgerland logo.

**Illinois Meeting:** Nola Jackson talked about the difficulty it has been getting attendance at the summer meeting in Illinois. Even members in their area have not always been in attendance. She wanted the club to be aware that the members in Illinois were OK if this was not an annual meeting due to the distance from most of us and all the summer activities going on preventing members from attending.

## **Future Meetings:**

**Sept. 14-15:** Dash to the Dells 29- Wisconsin Dells, WI

**Oct Meeting:** The Roelkes and the Farmers will host a cruise (Date to be determined)

**Nov Meeting:** The Hilgers will host (Date to be determined)

**December:** No meeting – enjoy the holidays

**January 2019:** Annual Valve Cover Winter Nationals meeting at the Roelkes

**February 2019:** Randy Roelke volunteered to set up the Christmas Party at possibly Marty's Steakhouse in Reedsburg, WI (further details will be given at a later date)

**March 2019:** Jean Hilgers volunteered to reserve the same place in Pine Bluff we have been using in the past for the Winter Banquet, once we decide on a date.

**Adjourn Meeting** - Motion to adjourn the meeting at 2:25 pm made by Dave Farmer, 2<sup>nd</sup> by Chuck Rogers. Motion passed.

After the meeting we held 2 raffles for items donated by the McDermotts and the Pribbenows. Money will be used towards the Dash 30 giveaway. Another member also made a nice donation to the club to use wherever needed. Thanks for everyone supporting our club!

Thanks again to Barb & Roger for hosting the meeting and providing meat, corn on the cob and other good food. Congratulations also go to Roger on his recent retirement!

- Jean Hilgers, Secretary

## From The VP:

Hello Fellow Members:

It was nice to see such a good turn out at the August meeting. We still could use some help for the show, so please take a look at the volunteer list and call Mike Connor to sign up for any open spots on the list. Thanks to everyone that volunteered already or offered to make a trophy. See you at the Dells!

Scott Jackson

## From The Prez:

How fast the summer has gone! I wish I could have gotten more done on projects and gone to more events. September is now upon us and that means one thing--- time for Dash to the Dells. Hope all of you as members will make an effort to attend and/or support our sponsored show.

As some of you may know, there has been a lot of rain in this area of the country. Some of our members and their families have been affected by flooding. We want those people to know we are thinking of them, and not to be afraid to reach out to fellow club members for any assistance you might need. We also have some flooding just outside the Dells area. So far, there is no problem where the show is taking place, but we are waiting to see what happens in the next 2 weeks in the area we intend to cruise thru on Friday of the show. Hopefully the rain will be less than what is forecasted and rivers and flood waters will go down, and we will see some nice sunny days for that weekend.

See you at the show! --- Mike Connor
