### Cruisin' Again?

The Pres was out cruising again. Isn't he ever at home?

About a month ago I was cruising through the Wisconsin countryside. I happened upon a little dog that was very full of barks that he needed to let out at me when I approached it. Turns out, its name is Jingles. Jingles was just full of energy and was more than eager to show me what was hidden in his garage. It turns out Jingles is part owner of an old Effie. As he showed me the truck I found out it was originally from Iowa. He also told me that it has been in many parades and is driven as often as is possible. It isn't possible to drive it year round because Jingles lives way up Nort dere, in da land of ice and snow don't cha know. Unfortunately Jingles master wasn't able to visit with me during my visit.

I sure hope he enjoys seeing his truck in the newsletter. Surprise!

Mike

(note: the truck on the cover is owned by Vance Krebsbach and family of Plover, WI)

## DASH to the Dells 23 Highlights

### Many Thanks to All Dash 23 Show Volunteers!

Another successful Dash to the Dells Truck Show has come and gone! Our first big "Thank You" must go to the core group of chairpersons that spent many hours throughout the year helping to plan this event. Everyone has a busy life outside of the Badgerland F-100's Club, but the time and effort that these people have given to promote our hobby at this show, has been commendable.

In the past several years, we have had some difficulties getting volunteers to fill all the tasks that need to be done at the show. As a chairperson, it's pretty nerve-racking to know that you don't have any volunteers signed up for some key functions on the Saturday of the show. Members do often times walk up and volunteer at the last minute which is greatly appreciated. However, everything works much smoother and less stressful for the planners when we have a full set of people volunteering before the show.

This year, was the **MOST FANTASTIC SHOW OF MEMBER PARTICIPATION** that we can remember! We had a volunteer for every duty filled at least 2 weeks before the show! And there were quite a few people that were new members or first time volunteers. A huge thank you to all of you that helped in some way to make this a show that everyone can be proud of. You would not believe all the wonderful comments we get from people attending our show! They love everything from the cruise, the games, the food, the door prizes, the music, the awards, the fire pit time, and of course the trucks!

As a big thank you to the many volunteers that we had this year, we have decided to give away a prize in a drawing to one lucky volunteer. We put all of the volunteer names in a hat and drew one person's name to win a One Night's Stay in a Family Suite at the Great Wolf Lodge. And the lucky winner is.....

Congratulations Mark Pofahl! We will be sending you your gift certificate in the mail shortly!

Thanks again to everyone for volunteering your time! Hope we can count on many of you again next year.

Mike and Chris Connor  
Show Co-Chairpersons

**Subject:** Dash to the Dells

Our family headed to the Dells last weekend for Wa Zha Wa Days. Mid after-noon my wife wanted to head over to the outlet mall. My son and I noticed all of the vintage Fords sitting at the Great Wolf. I dropped off my wife and daughter at the mall. My son and I headed over to your show. What a unique collection of Ford trucks. We got there as the show was winding down but we still were able to see a lot of great vehicles. I was not aware of your show but my son and I will be sure to put it on our calendar for next year. While we do not own a vintage Ford truck we are both big fans of them. I just wanted to let you know that we really enjoyed your show.

### Or this one:

Great Job last week end by all of you! Just needs a little work on the apple pie.

Barry (Blumquist) was quite impressed by the awards ceremony and the overall enthusiasm of the membership. He was not used to this laid back family style of show. It just felt good to hear his comments.

As for me, I loved the show and I would like to take part in next year's show worker jobs. Guess that I had better take the "For Sale" sign off. I spent yesterday and today at Kalahari with the grand kids, but my thoughts kept going back across the street to Great Wolf. Maybe next year I'll have one or two racin' valve covers. I'm thinking.

Thanks again,

Torger Mikkelson

On Friday afternoon, we cruised to Circus World Museum in Baraboo, WI, and walked from the parking lot to the circus grounds to see the magic show, view ornate circus wagons from the turn of the century and toured the museum. What a great piece of Wisconsin history.

Then, we were off to our favorite apple orchard, SKI-HI, for some pie, ice cream, apples and cheese curds. Yum! After leaving there, we wound our way through Devil's Lake State Park and disappeared into the countryside before returning back to Great Wolf Lodge. We had a fun ride on a perfect-weather day.

## From the V.P.

Dash to the Dells 23 is now in the history books. Wasn't that a fun F-100 weekend? Trucks, old friends, trucks, games, more trucks, food, even more trucks, racing, and the list goes on. We had excellent weather for our cruise, our show and the fire pit on both nights. Hey, I want to also say "Thank you" to all the volunteers who came out to help put on the show with the rest of us. You truly made a lot less work for everyone. This was one of the first times I've actually seen Mike Connor enjoy sitting in a chair for a while!

Yours truly,  
Rick Pribbenow – V.P.

## How Hostess Is Being Divided Up

You may have heard that Hostess Bakery plants were shut down due to a workers' strike. But you may not have heard how it was split up. The State Department hired all the Twinkies, the Secret Service hired all the HoHos, the generals are sleeping with the Cupcakes and the voters sent all the Ding Dongs to Congress.

(This laugh was brought to you by club member Dave Kerzner.)

## [The October Meeting Minutes](#)

### Badgerland F-100's Truck Club

The October 6<sup>th</sup> meeting was called to order at 10:50am at the Greg Masters home in Flanagan, IL, with 8 adults and 5 running trucks present (many more non-runners reside there).

### Reports from Officers

**Secretary:** Wally Zeien was at the Iron Invasion and not able to make the meeting so Rick Pribbenow recorded the minutes. There was no September meeting as we had the Dash to the Dells 23 truck show.

**Treasurer/Membership:** Mike Connor reported the balance of the club checkbook and informed us that we have lots of pocket T's left to sell. We have new associate members, Gary & Vera Leamons from Baraboo, WI. They have a Wild Strawberry 1991 Ford Ranger named "Henrietta Ford". Gary does pin striping, hand lettered signs and vinyl letters/decals. Welcome!

**Vice President:** Rick Pribbenow said thanks to all who volunteered at Dash 23 to make the event run smoother.

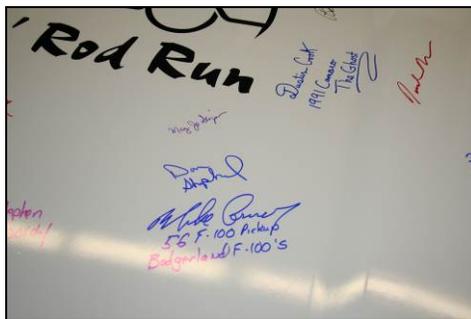

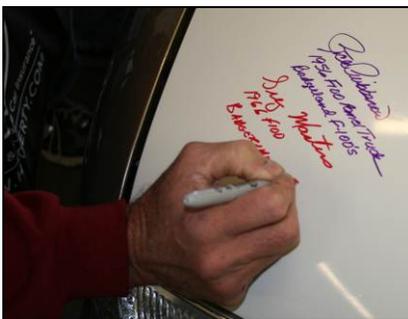

**President:** Mike Connor asked for any old business.

**Old Business:** Dash 23 there were 94 registrations and 3 who came but did not register.. Mike also wanted to thank the volunteers at the Dash. Scott Jackson asked if anyone wants to continue the van rides as we only had 2 riders this year. He said the vehicle will be available if we need it next year. We are moving forward on Dash 24 – volunteers are why we are having Dash 24. The pressure was greatly reduced this year and we sold more room nights than we reserved for Dash 23.

**New Business:** We will try to have a November meeting. The Christmas Party will be in February and the Winter Banquet in March (more details to come later). A motion to adjourn meeting was made by Scott Jackson, seconded by Ricky Livingston. All in favor, meeting adjourned at 11:18am.

Time to get to the Flatlanders Rod Run cruise.

### Flatlanders Rod Run Highlights

## [Flatlanders Rod Run Highlights...continued](#)

We started off at Greg Masters place (after we figured out that my starter switch is out of alignment again) enroute to the AutoZone in Pontiac, IL to start the cruise (barely making it there on time). We then cruised beside old Route 66 as we went to our first stop. As the pictures on the previous page show, everyone on the rod run signed the hood of an S-10 at the first stop which was an auto repair place and NAPA store. They called numbers and gave away door prizes. Then off to the next stop which brought us to a classic auto sales place called Bob Taylor's Classic Auto. We toured the place and they called out winners of more door prizes. We then loaded up and headed for a hot rod café just south of Bloomington. We had some great food and Mike Connor won an award (Most Likely To Get A Ticket award). Of course more on that later. All in all it was a nice time but a long drive home.

## [The November Meeting](#)

As of this printing, there was no November meeting scheduled. See the November/December issue for more details.
