## Looking In The Rear View Mirror

Well, it's been quite a year. Where did the time go? Many of you have been busy working on trucks, houses, garages, looking for work, spending time with families and the list goes on and on. All are on your list of priorities in one way or another as all are important. We, as a club, have had our share of fun this year starting with the January meeting at Jeff Mundt's place where we installed a motor and transmission in his 1950 F-1 and then ate an incredible meal provided/prepared by his wife Crystal. Then in February we had our Christmas party at The Machine Shed in Pewaukee along with the O'Reilly's World of Wheels auto show in Milwaukee. Then in March came the Winter Banquet with great food, camaraderie and loads of laughs (remember Wally's Private Parts?). And then along came April with a meeting at Dean & Jo Malin's place in Walworth where we saw Dean really has been working on his panel truck. Looks good too I might add. Speaking of adding things, we had 2 special visitors that day to our meeting, Chuck and Marlene Rogers who became members! Oh, and don't forget "Funnel Man". Totally unexpected! After the meeting, most of us went to Milwaukee for the 5<sup>th</sup> Anniversary of the HotRod Radio Show. It was here we met Stacey David of "Gears" television show and others like Don Yenke's daughter, watched the slot cars race, ate, listened to great music both live and DJ and much more. It was a really nice end to a fun day. Off we go to May where we met at the Boondockers Street Rod Show in Concord. It was a fine day with many club members bringing out their trucks for the show. How many Boondockers brats can you eat? Some, apparently many! As for June, there was no meeting due to scheduling conflicts but some of our club members traveled to the Twin City F-100's Show in Clear Lake, Iowa. We had a good time and saw some sights and had fun. So now we come to July where we met at Volo Auto Museum in Volo, IL. It was soooo hot that day, but meeting the "King of Kustomizers", George Barris was worth it, especially when he came over to the trucks and wanted to take photos with us! The live band "Dirty Fish Net Stockings" was incredible. They could play any of the oldies, looked the part and were humorous to boot. They would be fun to have at our 25<sup>th</sup> Anniversary Show if we could afford them. Moving down the road to August where we met at the Spring Green Car Show in Spring Green, we had a fairly good turn-out of members and their trucks even if due to the misfortune where we couldn't all park together. Maybe next year! It was still fun and there were 400-500 vehicles to look at. Of course we all know what September brings...yes, Dash to the Dells 23, Badgerland F-100's Truck Show. We had many vehicles registered, tons of people, incredible volunteerism and truck loads of just fun! Baggo was a huge hit-thanks Wally! Truckin' along we come to October where some of us traveled to The Truck Farm at Greg Masters home in Flanagan, IL. We had a short meeting, got my panel running and headed to Pontiac for the Flatlander's Rod Run. We paralleled old Route 66 for a while and made some stops, won door prizes, ate real good and then headed home. It too was a fun day but a long one. Now we tried to have a meeting in November, but most of us were busy helping the Farmer's build a garage. Club members came from all over on different days to help complete the task of getting this garage up and closed in before the snow. Well, as you've already seen in this issue, we did pretty well. Well in closing, the month of December is for your family and we have no meeting. So just enjoy the holiday, be kind to others and generous to those less fortunate and have fun with family and friends.

Until January, Merry Christmas, Happy New Year, Happy Holidays!  
Rick (Ros) Pribbenow
